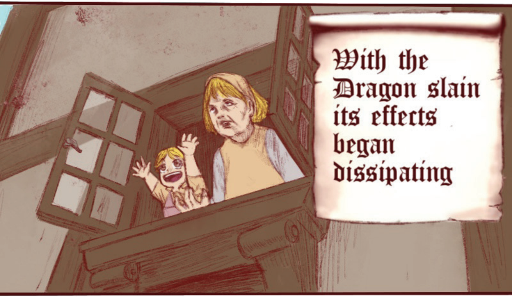
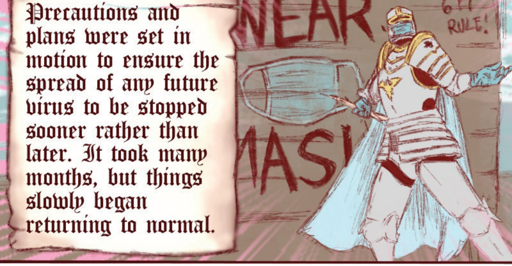
And so, The pair made their way back to the town



With the Dragon slain its effects began dissipating



Precautions and plans were set in motion to ensure the spread of any future virus to be stopped sooner rather than later. It took many months, but things slowly began returning to normal.

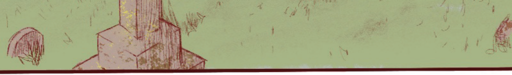
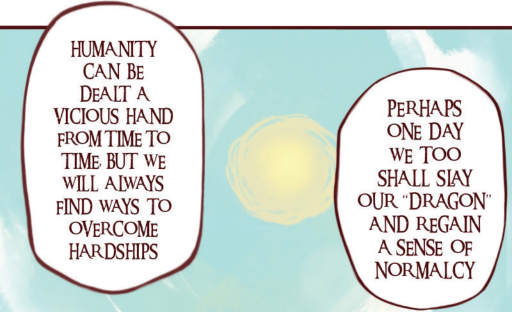
The town regained its balance but the scars of fallen loved ones were not in vain.





HUMANITY CAN BE DEALT A VICIOUS HAND FROM TIME TO TIME, BUT WE WILL ALWAYS FIND WAYS TO OVERCOME HARDSHIPS
PERHAPS ONE DAY WE TOO SHALL SLAY OUR "DRAGON" AND REGAIN A SENSE OF NORMALCY
