

PRODUCT SPECIFICATIONS & TECHNICAL DATA SHEET

Defender Max | Heavy Duty Steel Leather Boot S1P

Series: Heavy Duty

Model : Defender Max

Classification: S1P SRC (Industrial Grade)

Core Philosophy: Absolute Reinforcement & All-Weather Durability

The Defender S1P stands as the structural cornerstone of the BYVOX industrial range. The Defender is engineered for Absolute Reinforcement. Utilizing a traditional "Steel-on-Steel" architecture encased in a premium leather upper, it creates a literal fortress for the foot. Available in both Low-Cut for enhanced mobility and High-Cut for superior ankle support, the Defender is built to withstand the crushing pressures and sharp hazards of the world's toughest worksites.

Technical Specifications

Standards EN ISO 20345: 2011

Features	Description
Model	DEFENDER MAX
Model Description	BYVOX Defender Max Heavy Duty Steel Leather Boot S1P
Size	38-46 (EU Sizing)
Key Features	<ul style="list-style-type: none"> • Make : India • Colour : Black • Upper : Genuine Industrial Leather (Rugged, durable, and built for long-term wear) • Toe Protection: Metal Toe Cap (200J Impact Resistance) • Midsole Protection : Metal Plate (Puncture-proof steel layer) • Lining : Air Mesh (3D breathable for moisture management) • Outsole : PU (Polyurethane) (Slip, oil, and acid resistant) • Anti-Static
Packaging	10 Pairs Per Carton
CTN. Weight	Net Weight : 12 kgs Weight : 15 kgs
CTN. Size	Length : 62.50 cm Width : 44.50 cm Height : 34.70 cm
HS Code	6403400090
Warranty	6 Months Limited Warranty Against Manufacturing Defects

Maintenance & Care

To preserve the "Fortress" quality of the Defender Max, the leather upper should be kept clean of mud and cement dust. We recommend regular treatment with a quality leather conditioner to maintain flexibility and prevent drying. If the shoes become wet, allow them to air-dry naturally; avoid direct heat to prevent the leather from becoming brittle.

Warranty & Product Support

Six-Month Limited Warranty

BYVOX stands behind the engineering of every pair. We provide a six-month manufacturing warranty from the date of purchase, covering defects in materials and craftsmanship. This guarantee is valid under conditions of standard professional use and proper maintenance.

Warranty Conditions & Exclusions

To maintain the structural integrity of your footwear, please note that the warranty is rendered void if the product is subjected to:

- Corrosive Substances: Exposure to harsh industrial chemicals or high concentrations of chlorine.
- Extreme Thermal Stress: Exposure to temperatures exceeding standard operating limits.
- Material Contamination: Prolonged contact with cement water or acidic compounds.
- Immersion: Damage resulting from excessive submersion or improper drying techniques.

Claims Discretion

Broadview reserves the exclusive right to evaluate all warranty claims. Each case is assessed individually to determine eligibility based on wear patterns and adherence to care instructions, ensuring a process rooted in fairness and technical integrity.
