Prime | Semi – Formal Non Metal Microfiber Shoe S1P

Series: Semi – Formal

Model : Prime

Classification: S1P SRC (Metal-Free Hybrid)

Core Philosophy: Essential Utility & Modern Versatility

The PRIME S1P is a versatile pillar of the Frontier Series, designed for the modern professional who demands a balance between industrial-grade safety and all-day mobility. By combining a high-impact Hardened Plastic Toe Cap with a Kevlar® midsole, the Prime achieves a 100% metal-free architecture. Wrapped in a durable, high-grade microfiber upper, it is the ideal solution for those operating at the "frontier" of fast-paced environments like logistics, technical maintenance, and light construction.

Maintenance & Care

The Prime is built for high-level efficiency. The microfiber upper is designed for longevity. To maintain performance, wipe clean with a damp cloth. Unlike leather, it does not require regular oiling, but should be allowed to air dry naturally away from direct heat sources if saturated.

Warranty & Product Support

Six-Month Limited Warranty

BYVOX stands behind the engineering of every pair. We provide a six-month manufacturing warranty from the date of purchase, covering defects in materials and craftsmanship. This guarantee is valid under conditions of standard professional use and proper maintenance.

Warranty Conditions & Exclusions

To maintain the structural integrity of your footwear, please note that the warranty is rendered void if the product is subjected to:

- Corrosive Substances: Exposure to harsh industrial chemicals or high concentrations of chlorine.
- Extreme Thermal Stress: Exposure to temperatures exceeding standard operating limits.
- Material Contamination: Prolonged contact with cement water or acidic compounds.
- Immersion: Damage resulting from excessive submersion or improper drying techniques.

Claims Discretion

Broadview reserves the exclusive right to evaluate all warranty claims. Each case is assessed individually to determine eligibility based on wear patterns and adherence to care instructions, ensuring a process rooted in fairness and technical integrity.
