

PRODUCT SPECIFICATIONS & TECHNICAL DATA SHEET

Signature | Formal Non Metal Leather Shoe S1P

Series: Formal

Model : Signature

Classification: S1P SRC (Metal-Free Hybrid)

Core Philosophy: Refined Authority & Stealth Protection

The SIGNATURE S1P is the flagship of the BYVOX Executive range. Designed for the high-level professional who demands the prestige of a traditional dress shoe without compromising on site-ready safety. Crafted from Premium Genuine Leather, the Signature features a sophisticated 100% metal-free architecture. By utilizing a high-impact Hardened Plastic Toe Cap and a Kevlar® midsole, it maintains a classic, slim-profile silhouette that commands respect in the boardroom while providing a hidden fortress of protection on the field.

CTN. Size	Length : 62.50 cm Width : 44.50 cm Height : 34.70 cm
HS Code	6403400090
Warranty	6 Months Limited Warranty Against Manufacturing Defects

Maintenance & Care

To maintain the "Signature" look, the leather upper should be cleaned regularly with a soft brush or damp cloth. We recommend a high-quality leather cream or wax polish to preserve the leather's natural oils and maintain its deep black luster. Like all BYVOX footwear, ensure they are air-dried naturally away from direct heat to prevent the leather from hardening.

Warranty & Product Support

Six-Month Limited Warranty

BYVOX stands behind the engineering of every pair. We provide a six-month manufacturing warranty from the date of purchase, covering defects in materials and craftsmanship. This guarantee is valid under conditions of standard professional use and proper maintenance.

Warranty Conditions & Exclusions

To maintain the structural integrity of your footwear, please note that the warranty is rendered void if the product is subjected to:

- Corrosive Substances: Exposure to harsh industrial chemicals or high concentrations of chlorine.
- Extreme Thermal Stress: Exposure to temperatures exceeding standard operating limits.
- Material Contamination: Prolonged contact with cement water or acidic compounds.
- Immersion: Damage resulting from excessive submersion or improper drying techniques.

Claims Discretion

Broadview reserves the exclusive right to evaluate all warranty claims. Each case is assessed individually to determine eligibility based on wear patterns and adherence to care instructions, ensuring a process rooted in fairness and technical integrity.
