

Journey to Healing Ministries, operating as Still On The Journey Ministries, exists because no woman should have to walk through the impact of sexual trauma alone and no woman should ever have to choose between her faith and her healing. The Beauty for Ashes 2nd Annual Conference 2026 is built on that mission, and your partnership is what makes that room possible.

Saturday, September 12, 2026 | Anne Arundel County, MD | Venue To Be Announced
