IMPORTANT GENERAL RULES

-  Property purchase is compulsory and generally locked in for 10 years.
-  Up to 50% of the fixed deposit may be withdrawn after SPA for property, education or medical expenses.
-  If the main applicant is under 50: cumulative 90 days per year in Malaysia. If 50+, this stay requirement is waived.
-  Applicants should demonstrate financial strength and monthly sustenance / source of income.
-  Eligible dependents may include spouse, children, disabled children, parents and parents-in-law.
-  Basic medical insurance is required for applicants under 60.
-  Property should generally be purchased within 12 months of visa issuance. SEZ / SFZ requires the recognized Forest City unit.
-  Applications are typically handled through licensed MM2H agents. Always verify latest conditions before applying.

Informational guide only. Based on public MM2H data. Always verify the latest requirements with official authorities.
