

April, 2026

From Your Administrator:

April brings us to the last month of our Moose Year. I assumed the Administrator duties near the end of July, 2025, to help the Lodge get their feet back under them. With your help and support, I am proud to be able to let everyone know that our bills are current, past due amounts are current, and the future is looking bright for our Moose Lodge. My tenure as Administrator will end on April 30th, but I will remain as Assistant Administrator to help preserve our financial success.

We are still searching for bartenders, gaming cashiers and people that can do both!

We will be having an orientation for new members on April 11th at 4:00pm for any new or current members that would like to attend. If you are a recent Moose Member, we will have an enrollment ceremony at the conclusion of the meeting. This should only last about 30 minutes, but is a great opportunity to truly hear what the Moose is all about, why we are here, and do all the things we do.

Fraternally,

John Holbrook,

From Your President:

It's finally getting warm again! Seems like we went from almost winter to summer overnight!

We have formed an Activities Committee with Jessycah Gilmore as the Chairperson. She and a few others have some very good ideas for bringing more activities into our Lodge. Beginning the 3rd Saturday in April, some of our Lady Moose Members will be serving a special breakfast menu. It will be posted at the end of this newsletter.

Installation of new Officers will be held April 25th at 11:00am. This will be a joint installation of Women of the Moose Officers, followed by installation of Lodge Officers. There will be a potluck lunch to follow. I hope many of you can come out for this special event.

It has been a pleasure to serve as your Lodge President for the past 2 years. I will be assuming the position of Junior Past President for the coming year. Thank you for all your support during my time as your President.

Fraternally,
Doug Beard, President

From Your Senior Regent:

April brings a close to the 2025-2026 year, and the end of my term as Senior Regent. I want to thank the other officers, chairpersons, and ladies that have helped us make this a successful year. It takes a team to make things work, and we have a very good one!

Our April fundraiser will be the catfish dinner on April 17th. It is always a big hit and we look forward to seeing you there!

We will have Installation of Officers on April 25th at 11:00am. The Ladies of Las Cruces Chapter 1202 will be coming over to do the installation ceremony for us. Some of them are dual members and are always willing to help! It will be followed by the Lodge Officer installation, and then a potluck. This is always a fun day!

Our May fundraiser will be on May 8th. We will be serving Chicken Strips with fries and/or steak fingers with fries, and served with gravy.

Fraternally,
Georgene Knecht,
Senior Regent
