

ALAMOGORDO MOOSE LODGE June, 2026 NEWSLETTER

From Your President:

Hello Moose Members! Another month has passed and we are still moving forward with our mission of Fraternalism. We still have our heads above water, but a few show stoppers have hit us unexpectedly that had us shut down for a couple of days when the well motor went out, which also took a bite out of the lodge money.

However, we got it fixed at the dune of over \$3,000.00 and was back in business before Mother's Day, which had a good turnout. We want to welcome our new administrator Darryl Gerber and thank John Holbrook for stepping in as administrator during the period of absence of one. Members we would still like for those that can to please step up for things such as preparing some meals of your expertise on Fridays to help get our expenses back up for needed repairs to the lodge as they show up.

Let's keep the fraternalism up to help Hooseheart and Moosehaven. We are planning to have a Meet & Greet for new members every other month.

Fraternally,

John Perry, President
