## THE BIO

"Sitting down to listen to Jackie Jenkins Jr's albums is one of the things I enjoy most about comedy - experiencing something I've not heard before."  
 Matthew Ardill - Showbiz Monkeys

**Jackie Jenkins Jr.** is a veteran comedian, writer, director, and independent powerhouse based out of New Orleans, LA. Armed with over twenty years of industry grit and dual degrees in Film Production and Accounting, Jackie operates as a unique creative executive who understands both the art and mechanics of show business.

As the founder of **Laughin Jack's Productions, LLC**, he has opened for absolute comedy legends like **Paul Mooney, Robin Williams, John Witherspoon, and Patrice O'Neal**. He's produced independent features distributed globally on Amazon Prime, Apple Music, and Youtube. His Shows engineer an immersive, fast-paced brand of underground performance that turns typical live club sets completely on their head.

## CORE IDENTITY

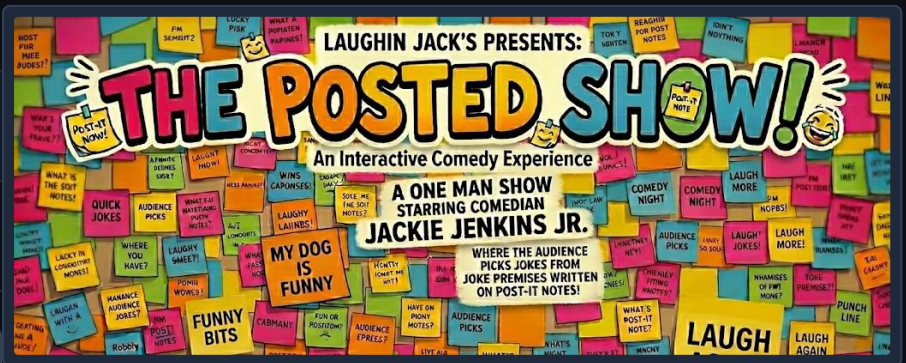

**Hometown** New Orleans, LA

**Company** Laughin Jack's Productions, LLC

**Style** Interactive Stand-Up / Storytelling

## THE FLAGSHIP SHOW:

**Laughin Jack's Presents: The Posted Show!**

Jackie's newest innovation is Laughin Jack's Presents: **The Posted Show!** —a highly interactive oneman comedy experience where the audience completely controls the performance timeline. Choosing from a specialized layout grid of 100 raw joke premises pinned across a physical wall of Post-It notes, bookers experience massive crowd engagement and unique replayability with every performance booking.
