Agents Can Now Turn FSBO Leads Into Real Opportunities

Most agents come across For Sale By Owner (FSBO) sellers, and walk away with nothing. WildaBeast Business Development provides a system to stay connected — and get paid when a FSBO opportunity converts.

How It Works

- When you come across a FSBO:
- Instead of chasing it or losing it...
 - You connect them with NC FSBO Pros

We step in to educate the seller, provide structure, support, and safety, while guiding them through the FSBO process and keeping the relationship intact.

What This Means For You

- You're always connected to the opportunity
- No wasted time chasing FSBOs
- Maintain your good relationship with the client
- Position yourself for future business opportunities
- You have another way to help clients

How You Can Earn

1. If the Seller Decides to List:

The property will be listed by our in-house brokerage. You'll receive **20% Via broker-to-broker referral fee at closing.**

*Affiliate agents have the opportunity to receive the listing directly and retain 100% of the commission with **no broker split.** (See Client Fit Clause)*

2. If a Buyer Is Generated Through FSBO PROS Marketing:

Once the buyer is qualified and approved by our affiliate lender, the buyer will be referred to you. You'll represent the buyer and complete the transaction, and Our affiliated real estate brokerage will receive a **50% broker-to-broker referral fee at closing.**

*Affiliate agents of NC FSBO Pros receive a **20% referral structure paid through broker-to-broker agreement at closing.***

Important

If the seller chooses to list with a non-affiliate agent, or sells to a buyer not qualified through FSBO Pros' lending partners, no compensation will be generated through this program. NC FSBO Pros is designed to increase your opportunities by keeping you connected to transactions that might otherwise be lost.

**Compensation is earned based on transaction outcomes and participation within the FSBO Pros program, and is not guaranteed.*

Client Fit Clause

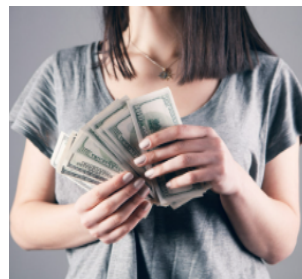

** Affiliate agents of NC FSBO Pros will be given the opportunity to receive the listing back if the seller decides to move forward with listing their home. **No referral fee will be required!***

*However if the seller prefers a different agent, our in-house affiliate broker will handle the listing, while still honoring the original referral through a **50% broker-to-broker referral agreement.***

We believe in partner respect while protecting the seller's right to choose. This approach helps turn what could be a lost opportunity into a successful outcome for everyone involved.
