

## The Sabbath Journey Countdown

The [11013 BC creation timeline](#) that holds 4990 BC as the year of the Flood was published over 20 years before its calculation of the 7,000-year span that guaranteed Judgement on May 21, 2011. Although the timeline achieved overwhelming independent corroboration, by simply applying God's principle of "a thousand years as one day," Noah's 7-day warning ([Gen 7:4](#)) extended 7,000 years to fall on the exact same biblical date in 2011 ([Iyar 17 = 5/21/11](#)) should have been enough to alarm anyone possessing a basic level of elementary math.

*But, beloved, **be not ignorant** of this one thing, that one day [is] with the Lord as a thousand years, and a thousand years as one day. {2 Pet 3:8}*

Just as God shut the door to the ark in seven days as the world drowned in disbelief, 7,000 years later after the Flood, God quietly shut the door of hope to salvation on May 21, 2011. 365 days later, the sign of the rainbow annular eclipse occurred on 5/20/12, which was foreshadowed by Noah's dry land rainbow sign 365 days after the Flood. (\**Enoch was raptured at 365 years old*)

*And God said, This [is] the token of the covenant which I make between me and you and every living creature that [is] with you, for perpetual generations: **I do set my bow in the cloud, and it shall be for a token of a covenant between me and the earth.** And it shall come to pass, when I bring a cloud over the earth, that the bow shall be seen in the cloud: And I will remember my covenant... {Gen 9:12-15}*

Ten generations later, this promise to Noah was reiterated to Abraham, embodied in the birth of Isaac at the same set time in the "next year" ([Gen 17:7, 21](#)). For the post-2011 watchmen, that same set time in the next year turned out to land on another [annular solar eclipse](#), but this time it happens to also fall on [Ascension Thursday 5/9/13](#). At the Ascension, the Word teaches of Christ's return "in like manner" to a sabbath journey towards the promise of the Holy Spirit at Pentecost.

Since, by citing the prophet Joel ([Act 2:16-20](#), [Joel 3:13-16](#)), Peter makes it clear that the manifestation of Pentecost points to the manifestation of the Promise to come at the end of the world; the rainbow Ascension date of 5/9/2013 became a steadfast watch date persistently applied in order to unravel the final sabbath journey count to the ultimate appointed time of Christ's return. Holding fast to 5/9/13 as the pivotal starting point, patiently counting down to a succession of feast dates unfolded progressing clues and watch lessons that led closer and closer to the ultimate revelation. At the end, amidst the abundance of biblical evidence, the final sabbath journey count of [4224 days](#) is perceived to have conclusive prophetic significance.

4224 breaks down to **8 x 528**, which holds the value for "The Alphabet," "The Key" and "opened for me." In addition, 528 holds the full spelt-out value for the words "Jesus" and "salvation." 4224 is also the result of  $6 \times 8 \times 88$ , or  $8 \times 8 \times 66$ , the value for "The Lord," and the words "wheel" and "gematria," systems that assisted the journey. The divisor 528 can be amplified to  $6 \times 528$  for a result of [3168](#), which equates to "Lord Jesus Christ" and "**The mediator between God and men.**"

As a square factor of 4224, the number **8** relates to "new beginnings." In His promise to Abraham, God used the eighth day of circumcision to mark the affirmation of His covenant, which He established with the sign of the rainbow to Noah's family of **8** after 365 days. From the beginning of the *Sabbath Journey count 5/9/13*, the end factor "8" brings us full circle. The word "rainbow" shares its value of [800](#) with "faith," "Lord" and "omega," the last letter of the Greek alphabet.

Luke's Transfiguration account of "eight days" (Luk 9:28) is referenced as a picture of the rapture (Luk 9:27-34) for those living in Christ on earth at the end who "...shall not taste of death, till they see the kingdom of God" {Luk 9:27-28}. [888](#) is the value <sup>SG</sup> for "Jesus" & "the Salvation of our God."

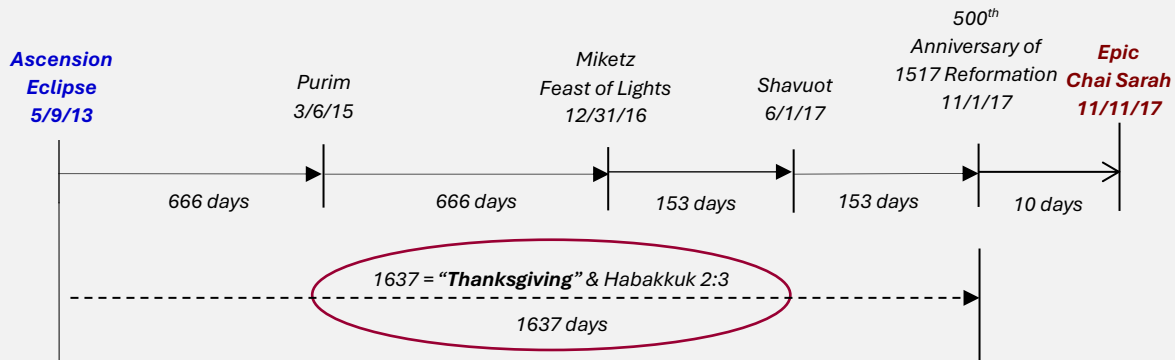

Despite all the overwhelming biblical proof, living in the physical world of man's logic, distraction and turmoil makes the reality of Christ's return just days away difficult for the human mind to reconcile with the spiritual truth. "And after eight days" Thomas had to see Jesus in the flesh to believe His resurrection. Amazingly, just as the appointed time promise to Sarah verse (Gen 18:14) holds the value [2024](#), the account of doubting Thomas begins at the index of John "[20:24](#)"

*<sup>24</sup> But Thomas, one of the twelve, called Didymus, was not with them when Jesus came. The other disciples therefore said unto him, We have seen the Lord. But he said unto them, Except I shall see in his hands the print of the nails, and put my finger into the print of the nails, and thrust my hand into his side, I will not believe. And **after eight days** again his disciples were within, and Thomas with them: then came Jesus, the doors being shut, and stood in the midst, and said, Peace be unto you. Then saith he to Thomas, Reach hither thy finger, and behold my hands; and reach hither thy hand, and thrust it into my side: and be not faithless, but believing. And Thomas answered and said unto him, My Lord and my God. Jesus saith unto him, Thomas, because thou hast seen me, thou hast believed: **blessed are they that have not seen, and yet have believed.** {John 20:24-29}*

Clearly, recognition of the “like-manner” rainbow sign of the Ascension was extremely essential to determine the time span of the Sabbath Journey to the promise. This was the key test question that Jesus asked his disciple knowing that many could not accept and “walked no more with him.”

***[What] and if ye shall see the Son of man ascend up where he was before? It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, [they] are spirit, and [they] are life. But there are some of you that believe not. For Jesus knew from the beginning who they were that believed not, and who should betray him. And he said, Therefore said I unto you, that no man can come unto me, except it were given unto him of my Father <sup>66</sup> From that [time] many of his disciples went back, and walked no more with him. {John 6:62-66}***

Tracking the feast dates from the pivotal *Ascension Day Eclipse 5/9/13*, led to two double time spans that counted 1637 days to the *500<sup>th</sup> Reformation Day on 11/1/2017*, which fell *10 days* ahead of epic year *Chai Sarah 11/11/17*. (500 = “Be fruitful and multiply”)

With attention primarily focused on the rare “11/11” *Epic Chai Sarah 2017*, at the time it was not possible to fully appreciate the gravity of the number 1637 equating Habakkuk’s stark warning with the traditional “New World” American feast known as “Thanksgiving.”

*For the vision [is] yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry. {Hab 2:3}*

The word “tarry” is frequently associated with the number of “seven days.” Today, we now understand that the appointed time would finally speak after seven years of tarry, from Epic Year 2017 to *Thanksgiving 2024*.

*But I will tarry at Ephesus until Pentecost... 1 Co 16:8  
 ...shall tarry abroad out of his tent seven days... Lev 14:8  
 ...seven days shalt thou tarry, till I come... 1 Sa 10:8  
 ...And he tarried seven days, according to the set time... 1 Sam 13:8  
 ...And finding disciples, we tarried there seven days... Act 21:4  
 ...desired to tarry with them seven days... Act 28:14*

➤ From day 1637 at the 500<sup>th</sup> Reformation 11/1/17 to Last day 11/30/24 are 2587 days

$$2,587 = \underline{13} \text{ One God} \times \underline{199} \text{ "Righteousness"} \underline{H6666}$$

Being childless, Abraham besought the Lord and He promised him a seed numbered as the stars:

*"And he believed in the LORD; and he counted it to him for **righteousness**. H6666" {Gen 15:6}*

*Then said I, Wisdom is better than strength nevertheless the poor mans wisdom is despised, and his words are not heard {Ecc 9:16} = 2587*

The number 1637 is the 259<sup>th</sup> prime number, which is result of 7 x 37. The product of the square digits 1637 is "15,876," which holds the value for Mat 3:16 where the heavens were opened once Jesus had been baptized.

$$1^2 \times 6^2 \times 3^2 \times 7^2 = 15,876$$

*And Jesus, when he was baptized, went up straightway out of the water: and, lo, the heavens were opened unto him, and he saw the Spirit of God descending like a dove, and lighting upon him: {Mat 3:16} = 15,876*

The sum of the cube digits 1637 yields 587, which was determined to be the year when the First Temple was destroyed, at 587 BC. Alternate mathematical combinations of the digits 1637 render prophetic results as well.

$$1^3 + 6^3 + 3^3 + 7^3 = \underline{587} \text{ "burnt," "building"}$$

$$1^2 + 6^2 + 3^2 + 7^2 = \underline{95} \text{ "The Waters"}$$

$$16 \times 37 = \underline{592} \text{ "The Godhead" "Holiness"}$$

$$\underline{163} \text{ "Living Water," "Raised" Joh 11:41} \times 7 = \underline{1141} \text{ "Eternity"}$$

$$\underline{11 \ 30 \ 24} = 2 \times \underline{64} \text{ "Truth," "Judgement," "My Covenant" OH} \times \underline{883} \text{ Prime \# 153}$$

$$\underline{11 \ 30 \ 24} = (8 \times 8) + (8 \times 8) \times 883 \text{ Rev 1:8}$$

*I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty. {Rev 1:8} = 883 OG*
