

## ***The Discernment of Time and Judgment***

For those who observe the Lord's command to watch ([Luke 12:37-40](#)) and rejoice in the Second Coming of the Lord, this study is presented as the culmination of decades of steadfast watch, patiently tracking the signs & biblical timeline that finally resolves the ultimate timing of the end, Lord's imminent return, rapture and judgment for the world ([Prov 25:2](#), [Ecc 8:5-6](#)).

The author of scripture is a God of order who assigned numbers to 66 books consisting of 1,189 chapters containing 31,102 verses. These numbers are not random but are *divinely structured* to signal the completeness of the word in sync with time. Additionally, *gematria* enthusiasts recognize that God also assigns a numeric value to each Hebrew and Greek letter which produces sums for words, phrases and verses that identify specific codes that correlate spiritual themes and concepts to enhance understanding (*Intro-Video*). For example, the phrase "Six hundred threescore and six" ([Rev 13:18](#) - wisdom count) happens to hold a numeric value of "666." In this wisdom verse, God is "twice" underscoring the validity of gematria (letter value system) because when "**doubled ...the thing is established by God**" ([Gen 41:32](#)). It is notable that the number "666" is most geometrically highlighted in the value of the first verse of the bible. Significantly, the numbers convey a time dimension as the bible references days, months, years, ages and generations. To emphasize the point, God even names one book "Numbers" and "doubles" down on time naming two others "Chronicles."

Beyond the clear depiction of order, gematria not only statistically proves God's authentic signature, but it is also prophetic as it harmoniously integrates with the biblical timeline ultimately pointing to the end. But to decipher the end, one must recognize the beginning to know where to start the count from. Without a birth date, an exact age cannot be determined.

By God's grace, the beginning time of creation was simultaneously chronically determined at 11013 BC by theologians Bruno Kolberg "*Final Tribulation*" (Australia) and the late Harold Camping "*The Biblical Calendar of History*" (California) from opposite ends of the globe. The 11013 BC origin timeline places May 21, 2011, as the 7,000<sup>th</sup> year anniversary of the Flood. Sadly, the calendar was widely rejected in rebellion of 1 Thessalonians 5:20 to "*Despise not prophesyings, Prove all things; hold fast that which is good.*" Despite all the adversity, the 7000-year span is easily confirmed by any working calculator ([lyar 17](#), 4990 BC to May 21, 2011).

The 11013 BC creation date also finds *Pentecost 5/22/1988* as the **13,000<sup>th</sup>** anniversary of the world. Since the number "13" signifies super fullness, this date is interpreted as the completion of the church mandate, as in gematria "**1,000**" relates to "*coming full circle.*" The building of Solomon's palace took **13 years** to complete ([1 Kings 7:1](#)). Before the walls of Jerico fell, the Israelites fully encircled them **13 times** and then the trumpets sounded ([Josh 6:14-16](#)). In total, counting the apostle Paul, who wrote **13 books**, the bible identifies **13 apostles**.

On the 50<sup>th</sup> day after the crucifixion, the manifestation at Pentecost began the sanctuary's daily sacrifice when souls were being saved. So, considering Pentecost 1988 ending the gospel mission of the church, the question of the saints for "how long?" is found in Daniel 8:

**How long** shall be the vision concerning the daily sacrifice, and the transgression of desolation, to give both the sanctuary and the host to be trodden under foot? And he said unto me, Unto **two thousand and three hundred days**; then shall the sanctuary be cleansed. {Dan 8:13-14}

Counting [2300 days](#) led to Trumpets 1994 when the alarm was blown warning the world of the pending judgment at hand ([Mat 3:3](#), [Eze 33:6](#)). However, the warning was bolstered when it was later discovered that a count of 23 years from Pentecost 1988 coincided exactly 7,000 years to the very same biblical date of the Flood (**4990 BC** - 17<sup>th</sup> day of the 2<sup>nd</sup> month) **May 21, 2011!** So, since Noah was warned "yet 7 days," applying the 1 day for 1,000-year principle ([2Pet 3:8](#)) spiritually translated to the alarming conclusion that the door to salvation was unequivocally shut with the world being thereby forewarned just "as in the days of Noah" ([Mat 24:37-39](#)).

Yet, Noah waited safely on the ark 365 days after the flood until his rainbow-sign. This foreshadowed the [2012 annular rainbow eclipse](#) 365 days after 5/21/11. Today's elect rest from work until their [rapture](#). Noah, whose name means "rest," had a [dove to guide](#) him to dryland. The [dove symbolizes](#) the Holy Spirit that guides the elect who adheres to the Lord's command to watch ([Gen 5:29](#)). When factoring 1335 days (3 x 5 x 89) for the blessed that wait (Dan 12:12), this watch discovered God's system of gematria by learning that the factor "89" has a deep numerical connection with the words "dove," "redemption" and "Holy Spirit."

Just as a start-point is needed to count time, God draws our attention to the beginning verse to appreciate the prophetic aspect of gematria. Illustrated below, Genesis 1:1 valued at 2701 (or 37 x 73) geometrically centers on the number "703" enclosed by three 666 triangles. "703" holding the value for the phrase "and the earth" means that from the start, God targets the earth as a focal point within His creation. 703 is the 37<sup>th</sup> triangle factored as 37 x 19. While 37 and 73 hold values for the "heart" of "wisdom," "19" conveys the fulfillment of prophecy holding the value for "the earth" and "He shall come." The sum of the **triple 666 triangles is "1998"** which shares its value with the declaration of prophet Joel ([Joel 2:31](#)), referenced by Peter at the supernatural manifestation of Pentecost ([Acts 2:16-17](#)).

666 x 3 = 1998 =  
When He comes, the sun and  
the moon will be darkened  
Like at Pentecost

37<sup>th</sup> Triangle Number = 703

37 x "19" "He shall come"

*“Spoken by the Prophet Joel”*

$(666 \times 3 = 1998)$

The **sun shall be turned into darkness**, and **the moon into blood**, before the great and the terrible day of **the LORD come**. {Joel 2:31} = **1998**

**But when shall He come** to the earth? God answers the question to Abraham and Sarah *“at the time appointed”* *“according to the time of life”* in context with the promised birth of Isaac.

Is any thing too hard for the LORD? **At the time appointed I will return** unto thee, **according to the time of life**, and Sarah shall have a son. {Gen 18:14}

**“23”** holds the value for *“life.”* Genesis 23 opens timing the *“life of Sarah”* at 127 where Abraham spends the rest of the chapter publicly mourning her death while officially sealing her burial in the promise land of Canaan by paying 400 shekels. 400 values the last Hebrew letter Tav, which represents mark, seal, sign or covenant symbolized by the shape of a cross (X +). The related word spelt Aleph-Tav in verse 1, implicating first and last valued at 401, is a Hebrew directive that is not translated in English. *Note: 2701 - 401 (Sign) = 2300 Gen 8:13f*

“Sign”

בראשית	ברא	אלהים	את	השמים	ואת	הארץ	
the beginning	created	God	(untranslated)	the heaven	and	the earth	= <b>2701</b>
913	203	86	401	395	407	296	

In essence, to get our attention, Abraham is dramatically connecting the *“life of Sarah”* at 127 as a *“sign”* of God’s promise. Significantly, Sarah’s full age of life at *“127”* happens to be an anagram of *“2701,”* the value of Gen 1:1. The *“172”* words of the Ten Commandments is also picture of the promise. God secretly centers the **sign** of His return in the very first verse.

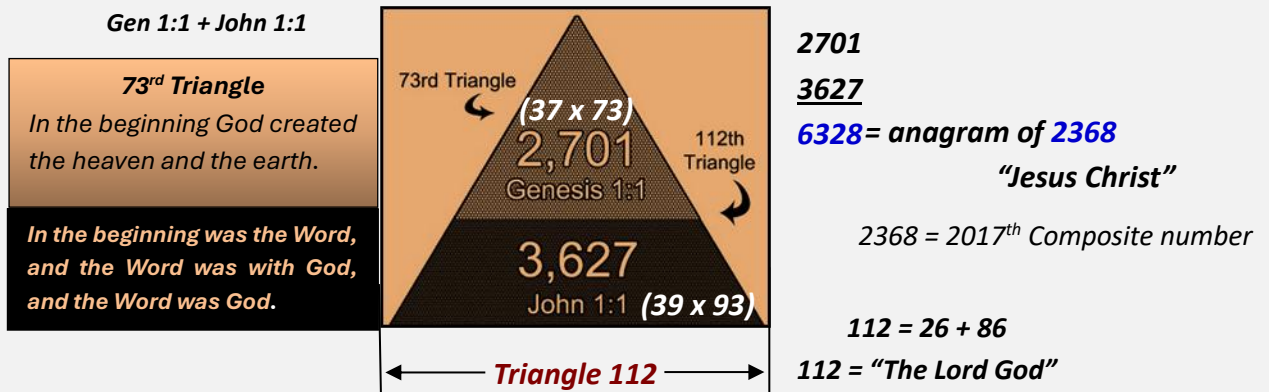

In context of the 11013 BC creation timeline, Sarah’s rest at 127 falls at 2030 BC exactly 2960 years after the 4990 BC Flood. Incredibly, 2960 years matches the span from Solomon’s temple foundation to Jubilee Trumpets 1994! 2960 values *“Son of Man”* and is double **1480**, the gematria value for *“Christ”* and is ten times divisible by **296**, which values *“the earth.”* The duplication underscores God’s promised year of announcement on a scale of biblical proportions. The added timeline beneath shows Trumpets 1994 also doubly harmonizes with the removed daily sacrifice for 1290 days from the Temple Fall in 587 BC as well ([Dan 12:11](#)).

Noah’s Flood	4990 BC	2960 = 2 x 1480	Temple Foundation	967 BC
Sarah’s Rest	2030 BC	1480 = “Christ”	Jubilee Trumpets	1994 AD
Difference	2960	“Son of Man” = 2960	Difference	2960
Years		G2960 = “The Lord’s”	Years	

**2300 days from the 13,000<sup>th</sup> year Pentecost ‘88**

Returning our attention back to the beginning, the illustration presented below reveals how God elegantly reasserts His foundation of Genesis 1:1 by geometrically uniting the verse John 1:1 as a trapezoid base to form the 112<sup>th</sup> triangle. "**112**" = "The Lord God," "**The KEY will open**" and "True." The total value of the 2 "*beginning - 1:1*" passages of "**6328**" is an anagram for "*Jesus (888) Christ (1480)*," which equates to "**2368**." Most effectively, through the optics of geometry, the spiritually minded can only begin to grasp a glimpse of God's intellectual foresight & coordinated perfection.

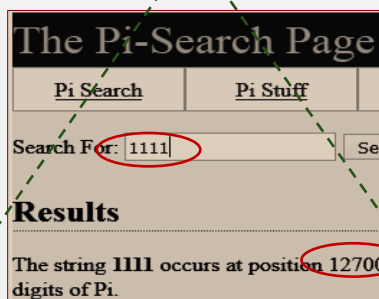

Beyond the spiritually consequential years of 1994 and 2011 in recent times, the year 2017 quietly marked the most paramount and ultimate prophetic signpost since the creation of the universe. This was the year of the Great American Total Eclipse. According to AI:

*"The 2017 total solar eclipse was extraordinarily rare in its path, marking the first time a total eclipse spanned the entire contiguous United States from coast-to-coast in 99 years... a direct, visible path across such a populated American route is a once-in-a-lifetime event." [Abraham was 99 years old when God promised him a son [Gen 17:1f](#)]*

In addition, 2017 is an anagram of 2701 (Gen 1:1), "**127**" ([Sarah's rest in Canaan](#)) and 172 words of the Ten Commandments. Yet even more, the gematria value of "*Jesus Christ*" 2368 happens to be the 2017<sup>th</sup> composite number! Year 2017 was also the first time that the [Torah Portion Reading "Chai Sarah"](#) (*Life of Sarah*) fell on an "11/11" date in **73** years. This is significant because it mirrors the digits "1111" of Gen 1:1 and John 1:1, the two "*beginning*" verses of scripture.

"**1111**" holds the value for "*The Witness*," "*iota*" and "*The Foundations*" and incredibly occurs at the **12,700<sup>th</sup>** [position of Pi!](#) "*Is anything too hard for the Lord?*"

Hebrews "11:11" awards Sarah's blessing for her faith in the promise.

Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, because she judged him faithful who had promised. {[Heb 11:11](#)}

The digits 1111 first occurring at the 12700<sup>th</sup> [pi position](#) is divine universal affirmation of the breathtaking sovereignty of God ([Psalm 19:1-6](#)). This is a promise sworn by God with an oath upon Himself ([Heb 6:13-14](#)). Thus, the promise clocked at creation will be indeed kept according to His time, according to His Word. As in the days of Noah, the world's blind discard of the warning doesn't matter. The Lord will keep His every letter of His Word as sworn by Jesus Christ Himself.

In Mathew 5:18, the words "**jot**" (1111) and "**tittle** (137)" unite the value "**1111**" with "**137**" (*Abraham's was 137 when Sarah passed*) underscoring Christ's sworn promise as doubly absolute.

For verily I say unto you, Till heaven and earth pass, **one jot** <sup>1111</sup> or **one tittle** <sup>137</sup> shall in **no wise pass** from the law, **till all be fulfilled**. {Mat 5:18}

This passage echoes Christ's 2,000-year fig tree prophecy of the national [Israel's rebirth](#) 5/14/1948 to signal and guarantee the last generation fulfilled roughly "[80 years](#)" ago ([Mat 24:3](#)):

Verily I say unto you, This generation shall not pass, **till all these things be fulfilled**. **Heaven and earth shall pass away, but my words shall not**. {Mat 24:34-35}

"137" is the [Fine Structure Constant](#) which defines light over matter - as the 137<sup>th</sup> letter in bible begins the 37<sup>th</sup> word "**light**" where God divides light from darkness ([Gen 1:4](#)) also predicted for the end of the world ([Joel 3:14-15](#), [Acts 2:19-21](#), [Mat 24:29-30](#)), ... *and from the beginning: 1998 = 666 x 3*

In addition to holding the 12,700<sup>th</sup> pi-position, the sum of divisors for 1111 will feature as the key factor in the final timeline that seals and affirms the bible's word for the timing of Christ return!

\* *The sum of the 4 divisors of "1111" (1+11+101+1111) = 1224 "The Net" = 2 x 612*

"612" holds the value of the promise "**covenant**," which is harmoniously the result of 4 x 153.

612 "Seven times," "Scripture," "Covenant" x 2 = "1224" = "The Net" = 8 x 153

[Hebrews "11:11"](#) points to reward of Sarah's faith in the promise at the bible's **30,184<sup>th</sup> verse**:

*Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, **because she judged him faithful who had promised**.*

30,184 = 88 "Victory" x 343 (7x7x7) "Ark of the Lord," "And God said" (Let there be light...)

From God's promise to Abraham at verse 400 ([Gen 17:2](#)) to the faith of Sarah at verse 30,184 ([Heb 11:11](#)) equals 24 x "1241" which holds the value of "Pentecost." 30,184 - 400 = 29,784.

29,784 = 3 x 73 "Wisdom" x 136 "Voice/Thunder" or 2 x 12 "Fish," "Twelve" x 1241 "Pentecost"

"1241" = "Pentecost" [G4005](#), 1335 x 3

**Two once-in-a-lifetime eclipses 7 years apart!**

Seven years after the extremely rare once-in-a-lifetime total solar eclipse of 2017, America witnessed its second once-in-a-lifetime total solar eclipse in 2024 as described below by AI:

*The 2024 total solar eclipse was considered a "once-in-a-lifetime" event primarily because of its specific path and accessibility, rather than the rarity of solar eclipses themselves. While a total solar eclipse occurs somewhere on Earth roughly every 18 months, several factors made the April 8, 2024, event exceptionally rare for those who witnessed it...The path of totality was approximately 115 to 124 miles wide. This is **significantly wider than the 2017 eclipse**, allowing more than **30 million Americans** to live directly within the path.*

A Total Solar Eclipse is only possible on the earth because the sun's diameter is 400 times larger than the moon while also 400 times further in distance from the moon.

As illustrated, the 2024 eclipse crisscrossed the path of its predecessor 2017. Considering **"X marks the spot,"** one could view the "New World" to come as the hidden treasure of time, which gets discovered where God draws an X sign on "the earth" when it crosses the path of **2017** on a specific date **April 8, 2024**. **"400"** (cost of Sarah's burial in Canaan) relates to the **"sign"** of the sun, and holds the value for "harvest," "heaven," "judge," "year," "unto glory" and "the last" Hebrew letter "tav" (cross). The first (alpha) and last (tav) letters, identifying Jesus Christ equal **401** also holds the value for "Sign." Aleph + Tav is the key hidden Hebrew word that's un-translated to English in the very center of the first creation verse of the bible.

	The Subject 1499				<b>"Sign"</b>	The Action 203				
1499 =	296	+	407	+	395	+	401	86	203	913
	1499 = "Two great lights"						1499 + 203 = 1702 Anagram 2701			
	"Gematria"									

As indicated, the subject section of the first verse sums to **1499**, which equals "gematria" and "two great lights." Alternatively, by substituting the same valued words / or phrase, we can also understand the passage as "In the beginning God created **gematria**," and "In the beginning God created **two great lights**." Thus, the timing of the end was simultaneously planned at creation ...

$203 + 401 = 604 = 4 \times 151$  "The People of God"  
 $Created + Sign = 604 = 2 \times 302$  "The Church"

Also, because the sign value 401 is included in its total value 2701, it would be perfectly accurate to translate Genesis 1:1 in English as: "In the beginning God created **sign**, the heaven and the earth," which is clearly collaborated by the declaration of heavens in [Psalms 19](#), the 19<sup>th</sup> book of the bible. "**19**" relates to physical manifestation. Just as God warned Noah "yet seven days" ahead, a 7-year count from the "mark" 2024 lands on the first morning of Passover April 8, 2031.

From Genesis 1:1, the sum of the hidden "sign" + "and" + "the earth" = **1104** (401 + 407 + 296). "**1104**" holds the value for "God the Son" ("The Son of man" [3030](#)), which is linked to Psalms **110:4**

**The LORD hath sworn, and will not repent, Thou [art] a priest for ever after the order of Melchizedek.** ([1010](#) Hebrew & [2020](#) Greek) {Psalms 110:4} = **1104**

There are seven years from X Sign Totality 4/8/24 to the first morning of Passover 4/8/2031. The results from Epic Chai Sarah 11/11/17 are astounding because Sarah's faith captivates God's promise to deliver ([Heb 11:11](#)). Not only are the digits 1111 found at the 12,700<sup>th</sup> position of pi, but the sum of its divisors being 1224 is factored in. Here we see God's promise established at the end! Nothing is too hard for the Lord! The other 2017 Totality Eclipse Sign timeline to the end has a fascinating result as well. "For an everlasting light," "383" is described in the [Bible Wheel excerpt](#) cited below by revealing its integration within the structure of the Ten Commandments.

➤ From Epic Chai Sarah 11/11/17 to 1<sup>st</sup> day Passover Morning 4/8/31 are [4,896 days](#)

The sun shall be no more thy light by day; neither for brightness shall the moon give light unto thee: but the LORD shall be unto thee an everlasting light, and thy God thy glory. Thy sun shall no more go down; neither shall thy moon withdraw itself: for the LORD shall be thine everlasting light, and the days of thy mourning shall be ended. Thy people also shall be all righteous: they shall inherit the land for ever, the branch of my planting, the work of my hands, that I may be glorified.

There could be no greater promise than this, in light of the deadly perfection of God's Law. The words "everlasting light" occur twice, both times prefixed with Lamed, meaning "for an everlasting light." This yields the Number [383](#). Without the Lamed, we arrive at the phrase "Everlasting Light" and the Number [353](#). Both of these numbers are prime, and both play key roles in the Structure of the Decalogue:

The word “tarry” occurs in 50 verses in the KJV bible. Seven times a form of tarry is connected to “seven days” or “Pentecost,” which points to a day of “supernatural manifestation.”

But I will **tarry** at Ephesus **until Pentecost**. {1 Cor 16:8}

And he **tarry**ed **seven days**, according to the set time that Samuel [had appointed] ... {1 Sam 13:8}

**...seven days shalt thou tarry**, till I come to thee, and shew thee what thou shalt do. {1 Sam 10:8}

**...and shall tarry abroad out of his tent seven days**. {Lev 14:8}

And finding disciples, we **tarry**ed **there seven days**... {Act 21:4}

Where we found brethren, and were desired to **tarry with them seven days**... {Act 28:14}

In review, the “totality years” 2017 and 2024 were two of the most prophetic years in this generation. 2024 must be viewed in the context of 2017. Below is a segmented view of Genesis 1:1. The created subject part, “the sign [untranslated] the heaven and the earth” is valued at 1499, with the phrase “two great lights,” which encompasses the value 1104, “a light of seven days.”

					} 37 x 73

3 x 1209 = 3627 = John 1:1

“In the beginning was the **Word**, and the **Word** was with God, and the **Word** was God.”

Thus, Gen 1:1 is signaling the two Great Lights, seven years apart, are projecting seven years ahead (spiritually, a day for a year).

And God made **two great lights**; the greater light to rule the day, and the lesser light to rule the night: he made the stars also. Gen 1:16

Moreover the light of the moon shall be as the light of the sun, and the light of the sun shall be **sevenfold**, as the light of seven days, in the day that the LORD bindeth up the breach of his people, and healeth the stroke of their wound. Isa 30:26

Just as God warned Noah just before the flood in “yet seven days” ([Gen 7:4](#)), the battle of Jericho is another dramatic picture of the number seven punctuated at the end when the Israelites, led by seven priests, encircled the walls of Jericho once a day for seven days followed by the Ark of the Covenant. On the seventh day, they marched around the walls seven times and the seven priests blow their horns with a great shout, and the walls of the city suddenly tumble down.

And **seven priests** bearing **seven trumpets** of rams' horns before the ark of the LORD went on continually, and blew with the trumpets: and the armed men went before them; **but the reward came after the ark of the LORD, [the priests] going on, and blowing with the trumpets.** And the second day they compassed the city once, and returned into the camp: so they did six days. And it came to pass **on the seventh day**, that they rose early about the dawning of the day, and compassed the city after the same manner **seven times**: only on that day they compassed the city **seven times**. And it came to pass at the **seventh time**, **when the priests blew with the trumpets, Joshua said unto the people, Shout; for the LORD hath given you the city.**  
 {Josh 6:13-16}

Then there was Jacob, who out of love for Rachel, served her father Laban **seven years** to earn her as his bride. When the marriage turned out to be with the firstborn sister Leah, Jacob was willing to bargain **another seven years** to have Rachel as his wife ([Gen 29:18-28](#)).

A generation later, Jacob’s favored son Joseph was rewarded for interpreting Pharaoh’s dream of seven kine and ears as the final seven years:

Behold, there come **seven years of great plenty** throughout all the land of Egypt: And there shall arise after them **seven years of famine**; and all the plenty shall be forgotten in the land of Egypt; and the famine shall consume the land; And the plenty shall not be known in the land by reason of that famine following; for it [shall be] very grievous. {Gen 41:29-31}

Then the sons of Israel did what was evil in the sight of the LORD; and the LORD gave them into the hands of Midian **seven years**. {Judges 12:9}

Recall that from the words jot and tittle, the number “137” is intimately linked to “1111.” The 137<sup>th</sup> letter in the bible begins the 37<sup>th</sup> word light and occurs in Gen 1:4 where God divides the light from darkness. This verse equates to 1776, which is double the value “888” of “Jesus.”

"And God saw the light, that it was good: and God divided the **light** from the darkness." Gen 1:4

וִירָא אֱלֹהִים אֶת הָאוֹר כִּי טוֹב וַיִּבְדֵּל אֱלֹהִים בֵּין הָאוֹר וּבֵין הַחֹשֶׁךְ

333 68 212 62 86 52 17 30 212 401 86 217 = 1776

37<sup>th</sup> word in the Bible starts with 137<sup>th</sup> letter

And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: {Gen 1:14} (114 = 6 x 19)

$$\pi = 3.141592...$$

$$3^2 + 1^2 + 4^2 + 1^2 + 5^2 + 9^2 + 2^2 = \underline{137} = 1^{st} \text{ 7 digits of Pi squared}$$

**Jubilee year 1994 to Promise year 2031 = 37 years!**

The birth of Isaac by Abraham and Sarah embodied the fulfillment of God’s promise to return to earth at the end of days. Sarah, being 90 years old when she gave birth, means Isaac was 37 when she passed at 127. Of the 127 possible combinations of the 7 Hebrew words in Genesis 1:1, 23 combinations are divisible by 37. Below is a link to a brief gematria intro video that highlights the prominence of the number 37 in the first verse of the bible. The unique properties as a hexagon / star number are further discussed below:

**37 x 73 = 2701 Genesis 1:1 and the Hidden Codes in the Bible**

**The number 37** is the reflective of the number 73 - it is the hexagonal heart of 73 as Star, so 37 / 73 is a Hexagon / Star pair. The Number **37**, the value of “The Heart” and “Wisdom,” is also the first number greater than one that can be represented as both a Centered Hexagon and a Star:

Wisdom חכמה Hokmah	<b>37 = 8 + 11 + 13 + 5 (Ord)</b>	 <b>37 / 73</b>
	<b>73 = 8 + 20 + 40 + 5 (Standard)</b>	

**666 = (6+6+6) x 37**

The extreme rarity of Hexagon/Star numbers is breathtaking. The Bible Wheel presents a list of the only twelve Centered Hexagon Star numbers **less than one in ten thousand trillion**.

- 1, **37**, **1261**, 42841, 1455337, 49438621, 1679457781, 57052125937,  
1938092824081, 65838103892821, 2236557439531837, 75977114840189641

37” is the only such number less than a thousand, and this is the number highlighted in the very first verse of the bible!

The difference between 37 and the next *Hexagon/Star* 1261 number is **1224**, the sum of divisors for “1111.”

$$(1261 - 37) = 1224 = \text{“The Net”} = 8 \times 153$$

Amazingly, “1261” holds the value for the 13700<sup>th</sup> verse in the bible, Job 34:16, which mimics the pronouncement of Peter at Pentecost regarding the 3x 666 prophecy of Joel.

*If now [thou hast] understanding, hear this: **hearken to the voice of my words.***

<sup>14</sup> ...Ye men of Judaea, and all ye that dwell at Jerusalem, be this known unto you, and **hearken to my words**: ... <sup>19</sup> And I will shew wonders in heaven above,

## Joel's words recited by Peter at Pentecost!

$$(2 \times 499 = 998)$$

...: <sup>20</sup> **The sun shall be turned into darkness, and the moon into blood**, before that great and notable day of **the Lord come**: {Acts 2:14-20} = **998<sup>OG</sup>** (2 x **499**)

499 x 7 = "The Fullness of the gentiles"  
499 x 5 = Exo 20:1 (Ten Commandments Intro verse)

**499 = "At that time"** <sup>OG</sup>

If we hearken to Peter's words, we should expect to find a connection between the first Pentecost and the manifestation Joel prophesied for the last day. We are not disappointed!

### The Final Post Flood Timeline

Right after God combines His promise of a son with His promise to His return to Abraham and Sarah at old age according to the time of life ([Gen 18:10, 14](#)), Abraham began his countdown plea from 50 to 10 righteous to spare Sodom and Gomorra. And the Lord agreed not to destroy the cities for the sake of ten righteous ([Gen 18:32-33](#)). However, ultimately the cities were indeed destroyed.

<sup>24</sup> Then the LORD rained upon Sodom and upon Gomorrah brimstone and fire from the LORD out of heaven; <sup>25</sup> And he overthrew those cities, and all the plain... {[Gen 19:24f](#)}
