

“Two Great Lights!”

In expansion to the revelation of *“The Manifestation of Glory,”* the following table illustrates that the parsing of word-fragment values of the *Genesis 1:1* reveals that God’s prophetic plan, signaled by America’s *“Two Great Lights”* of totality, was numerically encoded at the beginning of creation in the very first words of the bible. Notably, not only is America’s birth year 1492 totaled between the first and last words of the verse; the subject portion of the sentence (*the heaven sign and the earth*) equates to *“gematria,” “the heavens were opened”* and *“two great lights” (1499)*.

	“First Word”	913	In the beginning	913

					} 37 x 73 “God the Son” “A light of seven days”

3 x 1209 = 3627 = John 1:1

*“In the beginning was the **Word**, and the **Word** was with God, and the **Word** was God.”*

The first and last words of the verse totaling 1209 identifies the completion of the *“Word”* being a factor of *John 1:1* (1209 x 3) and the result of 3 times *“403,”* which holds the value for the jubilee theme of redemption: *“the fiftieth year,” “and God called”* and *“Salvation comes!”*

According to Revelations 3, in the context of keeping watch (Rev 3:10-14), the *“last word”* of the bible - *“Amen”* (Rev 22:21), identifies with Christ because He is the affirmation of Truth from the beginning.

*...These things saith **the Amen**, the faithful and true witness, **the beginning of the creation** of God; {Rev 3:14}*

The word *“profitable”* is Strong’s last indexed word in the KJV bible at G5624. This word happens to be preceded by the word *“Pentecost”* (G4005) by a difference of 1619 assigned words (G5624 - G4005). *“1619”* is the year that the profitable trade of slavery began in America. *“1619”* holds the value for *“salvation”* and the phrase *“to cry out in a loud voice.”* At Pentecost, Peter stood and *“lifted up his voice”* and explained the manifestation of darkening signs to come at the end of the world (Acts 2:14-20), as *“spoken by the prophet Joel”* (Acts 2:16, Joel 3:14-16). Similarly, Christ *“stood and cried”* out on the last day of the great feast of Tabernacles (Joh 7:37).

America’s start of slavery in 1619 fell **127 years** from her beginning in 1492. Sarah was laid to rest in the Promise Land at age 127. The word indexed at G1492 occurs *“666”* times in the bible and shares its translations *“to see”* and *“behold”* with Strong indexes G3700 and G2300. 1492 is also the result of 2 x 746, which holds the value for *“Authority”* and *“To open the Book.”*

"1111"	Full Verse Values	First Word Values	Last Word Values	First & Last Word Totals	1209 = 3 x 13 x 31 3 x 1209 = 3627

Sum	6328			1147 = 31 x 37	13 x 31 = 403 = Deu 8:3

The word "**firmament**" occurs at the following nine word-sequences in the book of Genesis. The sum of these 9 repeat word sequences equals **1147**, which also holds the value for *Psalms 150:1*.

$$56 + 67 + 73 + 78 + 83 + 164 + 178 + 206 + 242 = 1147$$

"Praise ye the LORD. Praise God in his sanctuary: praise him in the **firmament of his power.**" {Psalms 150:1} = **1147**

הללו יה הללו אל בקדשו הללוהו ברקיע עזו							
83	382	82	412	31	71	15	71 = 1147

"Let there be lights" **666** + "in the firmament of the heaven" **777** = **1443** (Gen 1:14)

1443 - 1147 = **296** = "The Earth," "The Mountain of God"

"and let them be for signs" (Gen 1:14) = **858**

At the 858 Pi position, we find 3137, which equals "**I am that bread of life**" (John 6:48)

In the framework of the full verse (Gen 1:14), watching the heavens for the signs of time is not contrary with the teachings of scripture, which states that "*The heavens declare the glory of God; and the **firmament sheweth his handywork***" (Psalms 19:1).

And God said, **Let there be lights in the firmament of the heaven** to divide the day from the night; **and let them be for signs**, and for seasons, and for days, and years: {Gen 1:14}

Just as we totaled 1209 for the first and last words of Genesis 1:1, the first and last words of the last verse in scripture have a combined value of 1010.

The grace of our Lord Jesus Christ [be] with you all. **Amen.** {Rev 22:21}

$$911 \text{ "The grace"} + 99 \text{ "Amen"} = 1010$$

“1010” and its double “2020” hold the value for the phrase “According to the Order of Melkizadek” in Hebrew and Greek respectively.

The LORD hath sworn, and will not repent, Thou art a priest for ever after the order of Melchizedek. {Psa 110:4}

1104 = “God the Son,” “As the light of seven days”

1104 is incorporated at the end of Geneses 1:1 for sum of the words: “sign” (401) “and” (407) “the earth” (296). When you add in 395 for the value of “the heavens,” the result is 1499 (395 + 401 + 407 + 296). “1499” holds the value for “gematria,” “the heavens were opened” and “two great lights.” It suggests that God is also referring to the two great eclipses, as the light of seven years apart. Adding the value for “created” (203), we sum to **1702** (2 x 23 x 37), an anagram of 2701 (Gen 1:1).

America’s year of independence “1776,” holds the value for the words “last” and “prophecy,” and is double 888, the Greek value for “Jesus.” As previously noted, 1776 also relates to the divide of light from darkness, which Peter and Joel prophesied for the end. “Light” is word 37 in KJV bible.

"And God saw the light, that it was good: and God divided the light from the darkness." Gen 1:4

וַיִּרְא אֱלֹהִים אֶת הָאֹר כִּי טוֹב וַיַּבְדֵּל אֱלֹהִים בֵּין הָאֹר וּבֵין הַחֹשֶׁךְ

333 68 212 62 86 52 17 30 212 401 86 217 = 1776

37th word in the Bible starts with 137th letter

The hidden untranslated “Sign” with a value of 401 in *Genesis 1:1* is required for the heavens to declare the glory to come. However, if we subtract out the sign value 401 from the total 2701, the result is **2300** (2701- 401), Daniel’s answer to the duration of time for cleansing of the temple.

*...How long [shall be] the vision [concerning] the daily [sacrifice], and the transgression of desolation, to give both the sanctuary and the host to be trodden under foot? And he said unto me, Unto **two thousand and three hundred days**; then shall the sanctuary be cleansed.* {Dan 8:13}

The 2300-day span from Pentecost 1988 to Jubilee year Trumpets 1994 foreshadowed an extended **23 years** to the guaranteed *Spiritual Judgement Day - May 21, 2011*.

At the same time, the 23 years to May 21, 2011 spanned exactly 7,000 years from the Flood of Noah 4990 BC echoing Noah's warning of "yet seven days" (Gen 7:4). This means that while the time of judgement has already occurred spiritually 13 years ago; the hidden "sign" is necessary for the elect to wait for and "see" the heavens to declare the manifestation of glory at the time Christ returns and "Salvation comes!"

Three years beyond a shocking insurrection attempt to overturn the government, thanks to the provocation of POTUS 45, oppression continues to thrive in earnest up to this present day. For those who understand that 45 holds the gematria value of "man," the wisdom verse tells us to count the number of "a man" numbered at "666," which doubly holds the value for closing phrase **"Six hundred threescore [and] six"** and **"Let there be lights."**

*Here is wisdom. Let him that hath understanding count the **number** of the beast: for it is the **number** of a man; and his **number** [is] Six hundred threescore [and] six. {Rev 13:18}*

Since the word “number” is mentioned three times, 45 counted three times sums to 135. If we combine 135 to 666, the result is “801,” which equates to “Dove” and “Alpha and Omega.”

*And he said unto me, **It is done. I am Alpha and Omega**, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely. {Rev 21:6}*

Accordingly, we found that the 45th president, purposed by God, was born on a total lunar eclipse (6/14-15/1946) which turned out to be exactly 700 days before the rebirth of National Israel - May 14, 1948 as well as 26,000 days to the prior Great American Total Eclipse of August 21, 2017.

Without the rule of Hitler leading the Holocaust, international empathy for a post-World War II rebirth of national Israel would never have been fulfilled as Christ predicted 2000 years before. Hitler too sought unyielding loyalty and ruthless vengeance against any opposition.

...Summary...

The best way to understand a matter is to consider its origin. For example, to appreciate aerodynamics for flying an airplane, it's plausible to start with the design of the Wright brothers at the start of the 20th century. When people first meet, it's common to discuss where each party came from. So too, with the *Word*, the "beginning" verse (*Gen 1:1*) of scripture happens to be a condensed prologue to God's salvation program, the essential theme of the entire bible.

As Daniel 12 suggests that in the end "knowledge shall be increased;" in the last days, we now find that God points to the end by clearly "speaking in numbers" in the first verse of the bible. By adding the first and last words of Genesis 1:1 (913+ 296 = 1209), we get exactly 1/3 the value of John 1:1 (3 x 1209 = 3627), which underscores the "Word" at the beginning, and is three times [403](#), a reflection of the "salvation" to come. Serving as a parallel of the promise land, America's signature year 1492 (2701 - 1209) is the difference between the full value (2701) of the first verse and its first and last words combined (1209). To underscore the point, 1492 is also four times divisible of the value for "Word" ([373](#) = 1492 ÷ 4).

Twice the value of Jesus ([888](#)) equates to the reference of light for Gen 1:4 (1776 = 2 x 888), America's year of independence "[1776](#)." However, her declaration that "all men are created equal" while profiting on slavery also establishes her as a picture of Egypt, who subjugate the personification God's people for over 400 years since **1619**.
