# Our Essence

At Nina LOOM Baby, we believe in the purity of first beginnings. We are a Peruvian brand dedicated to crafting high-quality garments, merging the unmatched softness of the world's finest cotton with the delicacy of hand embroidery.

Our mission is to offer products that not only dress but embrace the sensitive skin of babies with 100% natural materials, guaranteeing comfort, durability, and a timeless style.

# Dear Business Partner

It is a pleasure to introduce Nina LOOM Baby (backed by FRANCYS KREATION SAC), your next strategic ally in high-end children's fashion.

We know your customers seek more than just clothing: they look for tangible quality and details that tell a story. Our value proposition focuses on the exclusive use of 100% Pima Cotton and Organic Cotton, recognized worldwide for their luster and softness, complemented by hand-embroidered details that make each garment a unique piece.

This catalog is designed for companies that value excellence and seek to offer differentiated products in the international market.

We look forward to growing together.

Sincerely, The Nina LOOM Baby Team

# Our Collection

Designed for comfort, created to last.

A close-up photograph of a baby lying on a white, fluffy rug. The baby is wearing a brown and white striped beanie and a light-colored long-sleeved top with a pattern of small brown and orange spots. The baby is looking towards the camera with a slight smile and has one hand raised. The background is a light-colored wooden floor.
