

An open Bible with two pages of text is placed on a dark, textured wooden surface. The text on the pages is small and dense, typical of a Bible. The lighting is soft, highlighting the texture of the wood and the paper.

Bible Reading Plan

Read the Bible in one year

The word of God is described as food, a sword, a direction that lights our path, a life-giving source, and many other great things. As believers, we lean on the Bible for sustenance. Simply put, the Word is vital to the Christian. Our prayer is that this reading plan enriches your walk with Him. You can print it out and put it in your Bible if you like. This plan can be read in a year by starting on January 1st and reading through to December 31st. You also can start anytime during the year and read at your own pace. Whatever your approach, may each verse strengthen your faith and bring clarity to your purpose, drawing you closer to Him every day.

By His Spirit,
