

# Praying *with the* Nations

## A Global Prayer Guide

An invitation to stand in humble prayer with indigenous pastors, churches, families, and believers serving Jesus across the nations.

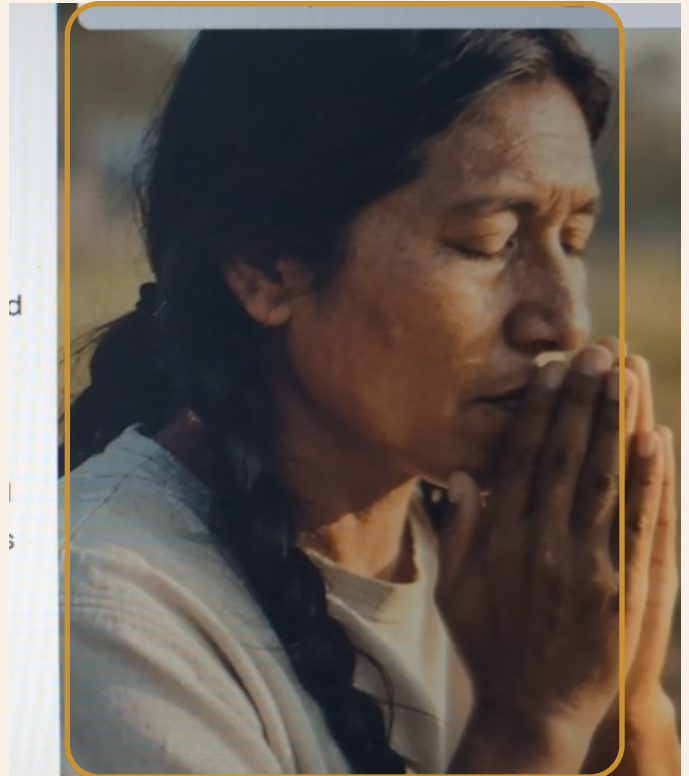

*Pointing people to **Jesus**. Connecting hearts to **His** work.*

# One Body. Many Nations. One Hope.

Prayer is one of the greatest gifts God has given His people. Through prayer, we stand beside indigenous pastors, evangelists, church planters, missionaries, and local believers who faithfully share the Gospel in communities around the world.

CrownLife International has the privilege of serving and encouraging Christian leaders in many nations. Though separated by oceans, languages, and cultures, we are united in Jesus Christ, carrying one Gospel and one hope.

We invite you to pray for these servants, the churches they lead, the families they minister to, and the lives being transformed through the love of Jesus.

## **“After this I looked...”**

A great multitude that no one could number, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb.

## A simple daily prayer:

"Lord, strengthen Your servants, open doors for the Gospel, and let Jesus be known."

# Prayer Here. Strength There.

We do not always see what happens when we pray. Yet God uses faithful intercession to encourage weary hearts, make a way where none was visible, renew courage, and sustain those who continue serving.

**Your prayers become part of His work among the nations.**

Every relationship is approached prayerfully. We seek shared commitment to Jesus Christ, biblical integrity, transparent communication, local accountability, and a sincere desire to serve people rather than build personal platforms.

# A Prayer for the Nations

---

## Heavenly Father,

We thank You for calling people from every tribe, language, people, and nation into Your family through Jesus Christ.

Today we lift before You indigenous pastors, missionaries, evangelists, church planters, local churches, and believing families throughout the world.

Strengthen those who are weary. Refresh those who have poured themselves out. Protect those who serve in difficult places. Provide for every genuine need. Open doors that no person can shut, and give wisdom for every door that should remain closed.

Comfort families. Guard marriages. Bless children. Establish new believers in truth. Bring unity to churches. Raise faithful leaders. Send laborers into the harvest.

Place nations upon our hearts beyond the places we already know. Teach us to pray with compassion, humility, discernment, and perseverance.

Let worship rise, hope awaken, and the Gospel of Jesus Christ advance. May every life touched through these prayers point people to Jesus - the only One who matters.

**In the name of Jesus, Amen.**

**“The harvest is plentiful, but the laborers are few.”**

**MATTHEW 9:37-38**
