# Vitaldin is a brand of Boston Nutraceutical Science (BNS)

**BNS** is a company integrated in the Mercadalia Group. Our food supplements in gummy format, **produced at our plant in Spain**, help provide vitamins, minerals and other natural extracts that are essential for keeping your immune system, hair, skin and much more in perfect shape.

## Vitaldin

Ongoing **Research, Innovation** and **Development** by our entire technical team is the bedrock to achieving new products that truly satisfy people's daily needs. We are present in the **USA, Europe** and in **China** to provide the best service for our clients' needs.

**Quality is our major commitment**, which is why our production plant has the highest certification levels, and is audited by independent entities.

**Our strong investment policy** assists us in achieving expansion and continuous improvement.

**Vitaldin** aims to satisfy ongoing requests from consumers, who increasingly opt for alternative and healthier food options. This is why our R&D department has developed new, sugar-free and vegan gummies, in one single product.

Our gummies are made with pectin, an ingredient found naturally in different types of vegetables and in greater concentration in the skin of some fruits. Pectin serves as a thickener, giving our gummies their characteristic shape, and is used as a substitute for gelatins of animal origin.

**For all these reasons, we have made Vitaldin synonymous with Quality Functional Gummies.**

# Vitamin C

Immune system support

## NUTRITION FACTS

	5.2g **	*%NRV	2.6 g **	*%NRV
Vitamin C	240 mg	300	120 mg	150

\*NRV: Nutrient Reference Value.

\*\*Per portion: 5.2 g (2 gummies), Children under 11: 2.6 g (1 gummy).

These orange-flavored gummies are perfect for keeping your immune system strong and resistant, thanks to their Vitamin C content, a nutrient known for its antioxidant action that helps keep your cells, tissues and metabolism healthy. Moreover, Vitamin C is also crucial in the formation of collagen, carnitine, hormones and amino acids essential for the health of bones, cartilage, skin, gums and blood vessels.

### Contributes to:

- Normal functioning of the immune system.
- Collagen formation for the normal functioning of teeth, skin, gums and cartilage.
- Normal functioning of the nervous system.
- Protection of cells against oxidative damage.

# Vitamin D

Helps bones and the immune system

## NUTRITION FACTS

	5 g **	*%NRV	2.5 g **	*%NRV
Vitamin D	50 µg	1000	25 µg	500

\*NRV: Nutrient Reference Value.

\*\*Per portion: 5 g (2 gummies), Children under 11: 2.5 g (1 gummy).

To avoid possible risks associated with the lack of this nutrient, Vitaldin enriches these gummies with Vitamin D, which is not only essential for maintaining the normal functioning of the immune system, but also contributes to normal levels of calcium in the blood, making stronger and healthier bones and teeth. These gummies also come in a mix of delicious flavors.

### Contributes to:

- Maintaining teeth in normal conditions.
- Normal functioning of bones and muscles.
- Normal levels of calcium in blood.
- Normal functioning of the immune system.

**DOSAGE: Adults 2 gummies. Children under 11: 1 gummy.**

# What are the benefits of food supplements in gummy format?

- 1 A gummy is a very practical format that needs no water to be ingested. It comes in a ready-to-go format. No need for difficult swallowing.
- 2 Since the active ingredients are in liquid or semi-liquid format, they are absorbed into the body more quickly.
- 3 Absorption of vitamins in gummy format is considered more efficient.
