This Non Disclosure and Confidentiality Agreement is entered into by and between PMI Intelligence Division, a division of Preventative Measures Investigations, hereinafter referred to as "PMI," and the undersigned client, hereinafter referred to as "Client," collectively referred to as the "Parties," as of the effective date of execution.

PMI Intelligence Division provides intelligence, investigative, analytical, and advisory services that may include but are not limited to open source intelligence, proprietary analysis, threat assessments, background investigations, strategic intelligence reporting, and confidential consulting services. In the course of providing such services, PMI may disclose or generate sensitive, proprietary, confidential, or privileged information.

For purposes of this Agreement, Confidential Information includes all information disclosed by PMI to Client, whether oral, written, electronic, visual, or derived, including but not limited to intelligence reports, investigative findings, methodologies, data sources, analytical techniques, identities of personnel, operational processes, client communications, pricing, internal assessments, and any information relating to subjects of investigation. Confidential Information also includes the existence of the engagement itself, the scope of services, and any deliverables provided.

Client shall take all reasonable measures to protect the confidentiality and security of the information, no less than those used to protect its own sensitive information.

Client acknowledges that PMI intelligence products are developed using specialized methods, sources, and analytical expertise, and that unauthorized disclosure could cause irreparable harm to PMI, its personnel, its clients, and potentially ongoing investigations. Client agrees not to attempt to identify confidential sources, investigative techniques, or proprietary systems used by PMI, nor to reverse engineer or repurpose PMI materials for use outside the authorized scope.

This Agreement does not apply to information that is lawfully obtained by Client from a source independent of PMI, is publicly available through no breach of this Agreement, or is required to be disclosed by court order or lawful government directive. In the event of a compelled disclosure, Client shall provide PMI prompt written notice when legally permissible and cooperate to limit the scope of disclosure.

All Confidential Information remains the sole property of PMI Intelligence Division. Upon completion or termination of services, or upon written request, Client shall promptly return or permanently destroy all Confidential Information, including copies, notes, and derivative materials, and certify such destruction in writing if requested.

Client acknowledges that monetary damages may be insufficient to remedy a breach of this Agreement and agrees that PMI shall be entitled to seek injunctive relief, equitable remedies, and any other relief available at law or in equity. This Agreement shall survive termination of services and remain in effect indefinitely unless otherwise released in writing by PMI.

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, without regard to conflict of law principles. Any dispute arising under this Agreement shall be subject to exclusive jurisdiction in the appropriate state or federal courts located in Florida.
