

KATHARINA SOPHIA LUDEWIG

WHAT'S YOUR FAME FACTOR?

Answers the question of a German Pop Art painter and author. She has lived in **Dubai for 20 years with a Golden Visa for artists.** At the Leipzig Book Fair 2026 she publishes her first two books, which explore her personal experiences and the innovative tightrope walk between art, cultures and commerce.

TWO BOOKS. Two stories between art, identity and fame

The art book reflects an autobiographical relationship between Katharina and art and the public perception of her as an artist who viewed her life as art and chose her own path.
