

Cookie Policy

1. Introduction

To ensure our digital platform operates with the seamless efficiency expected of a premium corporate entity, the **Green Sprout Food Co.** website utilizes cookies and similar tracking technologies. This policy explains what these technologies are, how we use them, and your rights to control them.

2. What Are Cookies?

Cookies are small text files placed on your device (computer, tablet, or mobile) when you visit a website. They are widely used to make websites work more efficiently, provide secure browsing experiences, and deliver analytical data to website owners.

3. Categories of Cookies We Use

We utilize the following types of cookies to optimize our digital infrastructure:

- **Essential/Strictly Necessary Cookies:** These are vital for the fundamental operation of our website, enabling secure login zones and seamless navigation. The website cannot function optimally without them.
- **Performance and Analytical Cookies:** These cookies collect anonymous data regarding how visitors interact with our platform. They allow us to measure traffic, identify popular trade insights pages, and continuously elevate our digital interface.
- **Functionality Cookies:** These allow our website to remember choices you make (such as your preferred language or regional settings) to offer a more tailored, premium user experience.

4. Managing and Controlling Cookies

You possess the right to accept or decline cookies. Most web browsers automatically accept cookies by default, but you can typically modify your browser settings to decline them if you

prefer. Please note that disabling certain categories of cookies may impact the full functionality and premium features of the Green Sprout website.

For comprehensive control over your cookie preferences, you may also utilize the cookie consent banner available upon your first entry into our platform.
