Living from Victory

The central teaching of "victorious living" is that you do not fight *for* victory, but rather *from* a position of victory already won by Christ. By identifying with Him, specifically in His death, resurrection, and current seated position, you are empowered to live out your faith with confidence and spiritual authority. Understanding these truths shifts the focus from your own effort to the finished work of Jesus, allowing you to face daily operational and personal challenges with peace and assurance.
