# Company INTRODUCTION

Petrodale Energy & Gas Limited is a dynamic, professionally driven company delivering diverse energy, procurement, support, and contracting services across the oil and gas industry. Our commitment to operational excellence, safety, integrity, and customer satisfaction defines everything we do. Our team combines deep technical knowledge with strategic planning expertise, enabling us to deliver solutions that exceed expectations. We are dedicated to building long-term partnerships and driving sustainable growth for our clients and stakeholders.

## Our Commitment

At Petrodale, we believe in fostering trust through consistent delivery, professional service, and unwavering dedication to quality. Our focus on operational integrity and client satisfaction positions us as a reliable partner for sustainable energy solutions.

# Company OVERVIEW

## WHO WE ARE

A dynamic multi-service provider delivering procurement, offshore support, medical, aviation, and contracting solutions across the energy sector.

## OUR STRENGTH

Experienced workforce, proven track record, quality-driven operations, and deep industry expertise across oil & gas operations.

## BUSINESS FOCUS

Procurement services, offshore logistics, medical equipment supply, aviation support, and general contracting for industrial clients.

## CLIENT FOCUS

Committed to quality assurance, reliable service delivery, timely execution, and building lasting partnerships with our valued clients.

# Vision, Mission & Core Values

Our Vision: To become the leading provider of energy, procurement, and support solutions across Africa and beyond, setting industry standards for excellence and reliability.

Our Mission: To provide innovative, reliable, safe, and high-quality services that contribute to sustainable development while creating lasting value for our clients and stakeholders.

## Integrity & Excellence

We uphold the highest ethical standards in all business dealings, maintaining transparency and honesty. We pursue excellence through continuous improvement and exceptional service delivery in every project.

## Safety & Innovation

Safety is paramount in all operations, protecting our people and environment. We embrace innovation and modern solutions to deliver reliability and complete customer satisfaction.

# Procurement SERVICES

Equipment Supply & Vendor Management: Comprehensive sourcing and supply of industrial equipment with strategic vendor partnerships ensuring quality and availability.

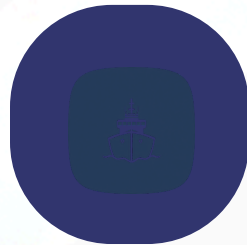

Logistics & Quality Assurance: End-to-end logistics coordination with rigorous quality control processes ensuring timely delivery and compliance with industry standards.

Competitive Pricing & Reliable Network: Cost-effective procurement solutions backed by an established network of trusted vendors delivering consistent value.

# Offshore Support **SERVICES**

**Logistics Support & Marine Services:**  
Comprehensive offshore logistics coordination and marine vessel support ensuring seamless operations.
