

REMOTE JOB

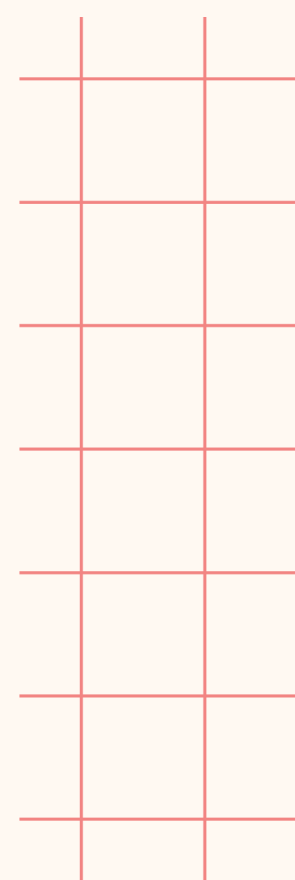

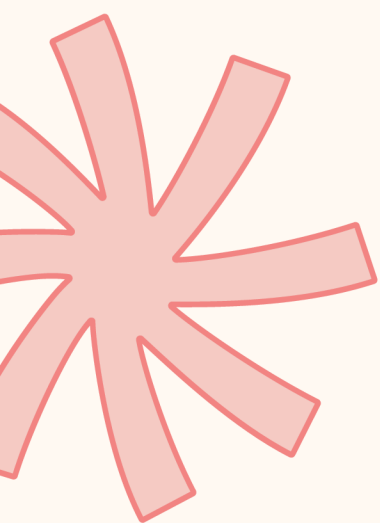

APPLICATION TRACKER

Finding a remote job can feel overwhelming at first, but staying organised makes a huge difference.

This simple tracker is designed to help you keep all your applications in one place so you can stay consistent, motivated, and focused.

Remember success comes from steady action, not perfection.

TIPS FOR BETTER RESULTS

- Apply early in the morning when possible
- Tailor your CV slightly for each job
- Don't wait for perfect jobs – apply consistently
- Follow up if you don't hear back
- Keep improving your CV as you go

You don't need to have everything figured out right now.

Just start where you are, stay consistent, and improve along the way.

You're closer than you think every application is a step forward.
