## About D. Y. Patil Education Society's D. Y. Patil Technical Campus Faculty and Engineering Faculty of Management Talsande

Padmashree Dr. D. Y. Patil, Former-Governor of Bihar, Tripura & West Bengal has created new realms for the people in India, which is affordable for both education and health facilities. Under his able guidance and leadership, the state of Maharashtra has seen development in the field of education and healthcare. D. Y. Patil Group is a major educational organization having three deemed universities to its credit and running nearly over 182+ educational institutions, mainly in the area of professional education, covering various disciplines of knowledge in Health Care, Engineering & Technology, and Management education.

## About Edutech Solutions

Edutech Solutions is a leading educational consultancy committed to enhancing the quality and reputation of Higher Education Institutions (HEIs) nationwide. We collaborate with HEIs to bolster their academic excellence, streamline accreditation processes, and attain prestigious national and international recognition, ensuring unparalleled credibility and confidence.

## About FDP

This One-Day Faculty Development Programme aims to bridge the gap between policy vision and practical implementation. By focusing specifically on integrating OBE frameworks within the context of NEP 2020, the FDP provides faculty members with actionable insights, tools, and methodologies required to design, deliver, and assess educational programs that are aligned with global standards and national aspirations.

### Empowering Viksit Bharat:

### India's Future-Ready Education System

India's National Education Policy (NEP) 2020 marks a transformative shift in education, moving from a rigid, rote-learning model to a flexible, student-centric approach. At the heart of this revolution is Outcome-Based Education (OBE), a powerful methodology designed to ensure our youth are equipped with the 21st-century skills needed to build a developed India (Viksit Bharat) by 2047.

## Objectives FDP

### Integrate OBE Principles with NEP 2020 Vision

Understand and apply core OBE principles to align with the learner-centric vision of the National Education Policy (NEP) 2020, transforming existing curricula, teaching methodologies, and assessment strategies.

### Master Outcome Mapping and Attainment Calculation

Acquire practical skills and utilize specific tools/templates for accurately mapping Course Outcomes (COs) to Program Outcomes (POs), computing attainment levels, and ensuring all documentation is compliant with accreditation bodies (NAAC/NBA/UGC).

### Implement Data-Driven Quality Enhancement

Utilize attainment data, perform thorough gap analyses, and establish effective feedback loops to drive evidence-based, continuous improvement of the curriculum and overall institutional quality.

### Empower "Viksit Bharat 2047" Goals

Foster the development of 21st-century skills in students by preparing them to contribute meaningfully to India's national development goals and the vision of a developed nation by 2047.

## Our Roadmap to Viksit Bharat

The journey to a developed India is powered by a transformed education system. Key initiatives under the NEP 2020/OBE framework include:

**Foundational Literacy & Numeracy Mission :** Ensuring all children achieve basic reading and arithmetic skills by Grade 3.

**Integration of Vocational Education :** Introducing hands-on vocational training and internships from Grade 6 onwards to instill respect for all work and build practical skills.

**Teacher Empowerment :** Providing continuous professional development and training for educators to adapt to new pedagogical approaches and leverage technology.

**Digital Integration:** Utilizing platforms like SWAYAM and the National Educational Technology Forum (NETF) to provide accessible, high-quality digital learning resources.

## Resource Person

### Key Note Address and Session 1

**Prof. (Retd.) Dharminder Kumar,**  
Former Dean, FET & Chairman, Dept. Of Computer  
Science and Engineering, GJUST, Hisar, Haryana.
