## TEAM LEADERS

Our **experienced** team of decorators is managed by our Senior Team Leaders, supported by our office team to **ensure** your project is delivered **successfully** in a **timely** manner with **minimal disruption** to your working environment. Alongside experience, our team has **numerous** qualifications & training certifications, including: IPAF, PASMA, first aid, ladder/manual handling, and CSCS.

## OUR PAINTERS & DECORATORS

Our painting and decorating team are **organised** and **focused** individuals, with different **expertise** and training, allowing us to offer the **range** of services we provide, including: painting, wallpapering, mural hanging, and exterior work. With the **leadership** of our team leaders, and the **organisation** of the office staff, our team will ensure a **calm** environment, whilst delivering a **quality** finish, in a **timely** manner.

## OFFICE STAFF

Behind every **beautifully** finished project and **satisfied** client is our **committed** office team. They will be the first point of contact for our clients and they will provide the utmost **professionalism** and **care**, whilst allowing the needs of your project to be achieved **flawlessly**. They will be ready to answer your questions, arrange your quote, and allow your vision and your needs to be seen. From scheduling our decorating team to providing the worksite with the necessary materials, their **training** and **expertise** will keep things **organised** and **efficient**. **Clear communication** is at the heart of what we do. Our great service starts in our office, and continues throughout your project until and **beyond** completion.
