

Company Profile

BETAFOX IT SOLUTIONS

Betafox IT Solutions is a dynamic and innovative IT service provider based in the Island Garden City of Samal, Davao del Norte. Established on July 26, 2022, the company was founded with a clear vision — to empower local government units, schools, and organizations through technology-driven solutions that enhance governance, efficiency, and transparency.

Despite being a young company, Betafox IT Solutions has already made a significant mark in the field of digital transformation. It specializes in developing customized information systems, database management platforms, and web-based solutions tailored to the unique needs of public and private sector clients.

FEATURED PROJECT

In 2022, Betafox IT Solutions successfully partnered with the Local Government Unit (LGU) of Veruela, Agusan del Sur, to design and implement the LGU Veruela Official Website with Gender and Development (GAD) Database System — the first and only GAD-integrated website in the entire Province of Agusan del Sur.

This milestone project highlighted Betafox IT Solutions' expertise in integrating technology with governance, enabling data-driven decision-making and promoting gender-responsive development at the local level.
