Other Color Options & Customize Design Available

CURVILINEAR WORKSTATION

A COMBINATION OF MAXIMUM FREEDOM AND COMFORT

Now, more than ever, there is a shift from individual work areas to shared work spaces. Bring about the vibrant flame of contemporary design into the office allowing intelligent segregation of departments within a common space. By little modification work stations can be arranged in such way that it is easy to accommodate Sr. executive in it. A range of screen options are available to suit a user's specific needs, from fabric and fabric-magnetic screens that function as notice boards to glass or whiteboards for note-taking. Using different colours provides the option to bring about a flash of contemporary design into the office..

CORPORATE STANDARD IN THE REALM OF OFFICE PLANNING

Designed with the flexibility to grow and reconfigure. These comfortable work areas can be offered with good acoustic paneling. Soft curved separators to break the monotony of straight linear line and can also be easily removed for better team interaction, ideal for BPO's. Laminate top with full length of fabric front panel with fabric front panel with fabric front panel with combination of white board option is available. Electrification & data solutions provided through front panel & under desk.
