

Walk in Christian Independence
Galatians 5:1-6

Rich O'Toole

07/05/26

I. Stay planted in your freedom. *Galatians 5:1*

The Apostle Paul taught against one of the most popular substitutes man has invented for maintaining a standing right before God through faith-self-righteous _____.

- Paul revealed that only those who have a true and living _____ (those who accept God's promise) are actually children of God.

The Law is bondage and spiritual slavery, but _____ in the promise of God is freedom and spiritual fulfillment.

II. What does legalism lead to? *Galatians 5:2-3*

1. Self-rule.

Ishmael's birth was the result of a physical act of the flesh and a sinful act of _____ the promises of God.

2. Self-imposed _____.

Legalistic people make their own rules, based upon their righteousness and whether or not other people measure up to their _____.

3. Self- _____.

People who try to follow rules and the Mosaic Law mistakenly think they are _____ with _____ because of self-effort.

4. Self- _____.

III. Estranged from Christ. *Galatians 5:4-6*

"Or to put it another way, to choose legalism is to _____ grace as the principle by which one desires to be related to God." (Boice)

- We were not made to know and love Laws. We were made to _____ and _____ the Lord!

IV. Practical Application.

- Through _____ *teachings, i.e.*, adding works or something else to Christ's accomplished work for obtaining salvation.
- Causing _____, compelling the consciences, for instance by spying out the liberty we have in Christ Jesus.
- Through _____, "the leaven of the Pharisees" *i.e.*, imposing on others, things one does not keep oneself, thus leading souls into bondage (***Galatians 5:1***).
