# ENTOMOLOGY LAB HARDWARE & EQUIPMENT

Welcome to the specialized **Entomology Infrastructure Catalogue** curated by **Apex Labs, Varanasi**. This document outlines a complete, unabridged inventory of high-grade insect rearing cages, biological cabinets, field sampling nets, specimen preservation tools, and specialized light traps. Every instrument is meticulously manufactured and quality-checked to meet the strict experimental parameters required by modern agricultural universities, life science departments, and vector control institutes.

ITEM CODE	PRODUCT DESCRIPTION	TECHNICAL SPECIFICATIONS & SIZING	
ENT 005/1	Aquatic Net (D-Shape)	Standard sampling net designed for dynamic aquatic specimen sweeping.	₹800.00
ENT 005/2	Aquatic Net (Triangle Shape)	Triangular frame configuration optimized for bottom stream beds.	₹1,200.00
ENT 005/3	Aquatic Net (Rectangular Shape)	Rectangular frame pattern for specialized ecological collections.	₹1,200.00
ENT 005/4	Aquatic Net (Round Shape)	Classic circular ring hoop configuration for multi-purpose usage.	₹960.00
ENT 006	Insect Aspirator	Handheld suction assembly for capturing small micro-entomological specimens safely.	₹450.00
ENT 007	Breeding Nest for Flies	45x45x45 cm large observation and development enclosure.	₹7,200.00
ENT 008	Breeding Nest for Chrysopa	60x30x30 cm specialized predatory insect rearing chamber.	₹4,800.00
ENT 009/1	Brown Plant Hopper Rearing Cage (Large)	60x60x80 cm (24x24x32 inches) high-capacity plant hopper research enclosure.	₹24,000.00
ENT 009/2	Brown Plant Hopper Rearing Cage (Small)	45x45x55 cm (18x18x22 inches) compact experimental cohort block.	₹8,800.00
ENT 011	Bio-Agent Cage (Acrylic)	30x30x30 cm crystal clear acrylic chamber for micro-organism trials.	₹5,600.00
ENT 013/1	Corcyra Egg Laying Cage	35x25x18 cm specialized egg harvesting repository tray.	₹1,600.00

ITEM CODE	PRODUCT DESCRIPTION	TECHNICAL SPECIFICATIONS & SIZING	
ENT 013/2	Corcyra Cage (MDF Structural)	43x23x12 cm medium-density fiberboard economy model.	₹1,000.00
ENT 013/3	Corcyra Cage (Waterproof Plywood)	38x38x10 cm highly durable moisture-resistant marine-grade base.	₹1,600.00
ENT 014	Complete Corcyra Rearing System	Full institutional workflow framework solution for moth mass production.	₹32,000.00
ENT 015	Curater Block	Solid laboratory aligning unit for organizing biological mounts.	₹1,300.00
ENT 020	Entomological Pins (Pack of 100)	Imported ultra-fine high-tensile non-corrosive pinning wires.	₹950.00
ENT 025	Entomological Pin Storage Block	Classic circular round block array for easy pin organization.	₹500.00
ENT 030	Field Collection Bag (With Accessories)	Heavy-duty outdoor exploration satchel equipped with vital field tools.	₹4,800.00
ENT 033/1	Green Leaf Hopper Rearing Cage	45x45x65 cm balanced vertical lifecycle testing environment.	₹9,600.00
ENT 033/2	Green Leaf Hopper Rearing Cage (Large)	60x60x90 cm heavy institutional cohort environmental station.	₹25,000.00
ENT 035	Herbarium Press	12x18 inches structural frame for botany and foliage compression.	₹1,600.00
ENT 040	Insect Box with Stretching Strips	43x30x11 cm wooden showcase featuring embedded specimen stretching channels.	₹4,800.00
ENT 050/1	Insect Cage (15x15x15 cm)	Compact micro-habitat cubical wire mesh setup.	₹1,700.00
ENT 050/2	Insect Cage (20x15x15 cm)	Mid-size desktop environment for small species evaluation.	₹1,900.00
ENT 050/3	Insect Cage (25x20x20 cm)	Extended research frame for standard observation tracks.	₹2,200.00
ENT 050/4	Insect Cage (30x30x45 cm)	Spacious vertical configuration matching dynamic vector groups.	₹4,800.00

ITEM CODE	PRODUCT DESCRIPTION	TECHNICAL SPECIFICATIONS & SIZING	
ENT 055	Insect Cage - Round Acrylic	45x15 cm unique cylindrical heavy-wall panoramic viewing cage.	₹5,600.00
ENT 060	Insect Collecting Net with Handle	Ergonomic lightweight sweep handle with high-velocity air-flow mesh bag.	₹600.00
ENT 070/1	Insect Display & Storage Showcase	53x45x9 cm high-grade specimen layout showcase.	₹3,700.00
ENT 070/2	Insect Display & Storage Showcase	38x25x6.5 cm compact storage display block.	₹2,000.00
ENT 070/3	Insect Display & Storage Showcase	45x30x6.5 cm optimal academic standard exhibition tray.	₹2,500.00
ENT 070/4	Insect Display & Storage Showcase	30x23x6.5 cm miniature preservation showcase box.	₹1,500.00
ENT 070/5	Insect Display Showcase (Wall Hanging)	90x60x11 cm museum-grade large wall mounting exhibit cabinet.	₹8,800.00
ENT 080/1	Insect Light Trap (Electric Bulb)	Standard nocturnal insect draw station utilizing incandescent filaments.	₹10,000.00
ENT 080/2	Insect Light Trap (Fluorescent Tube)	Features dual high-lumen structural fluorescent tubes.	₹11,000.00
ENT 080/3	Insect Light Trap (U.V. Tube)	Employs high-attraction ultraviolet actinic wave paths.	₹15,000.00
ENT 080/4	Berlese Type Light Trap	Specialized funnel extractor assembly for separating soil micro-arthropods.	₹4,800.00
ENT 080/5	Moth Light Trap (Mercury Bulb)	High-intensity gas discharge light trap specifically optimized for large moths.	₹6,400.00
ENT 080/6	Pit Fall Trap (Standard Field Type)	Ground-flush drop-in capture system for terrestrial ground crawling species.	₹800.00
ENT 080/7	Trap for Fruit Flies	Targeted bait-ventilation chamber layout preventing escape profiles.	₹1,600.00
ENT 080/8	Pheromone Trap (Pack of 100)	Mass agricultural survey collection pack supporting hormone inserts.	₹5,600.00

ITEM CODE	PRODUCT DESCRIPTION	TECHNICAL SPECIFICATIONS & SIZING	
ENT 080/9	Folding Plastic Light Trap	Highly portable collapse-down unit fitted with an active mercury light path.	₹3,600.00
ENT 082/1	Folding Field Light Trap (Incandescent)	Rugged outdoor chassis engineered for remote monitoring.	₹9,600.00
ENT 082/2	Folding Field Light Trap (CFL)	Energy-efficient compact fluorescent field sampling block.	₹9,600.00
ENT 082/3	Folding Field Light Trap (UV Light)	Elite actinic performance for professional deep forest sampling runs.	₹12,000.00
ENT 085	Insect Pinning Block (Step Type)	Multi-tiered precision wooden alignment step block for standard heights.	₹360.00
ENT 090/1	Insect Showcase Cabinet (6 Showcases)	Dust-proof secure vertical storage rack housing 6 interchangeable showcase units.	₹22,000.00
ENT 090/2	Insect Showcase Cabinet (12 Showcases)	Standard departmental storage unit holding 12 display frames smoothly.	₹44,000.00
ENT 090/3	Insect Showcase Cabinet (24 Showcases)	Double-bay premium main library structural storage cabinet.	₹88,000.00
ENT 090/4	MS Powder-Coated Cabinet (10 Trays)	Heavy-duty mild steel anti-corrosive powder coat framework housing 10 trays.	₹46,000.00
ENT 090/5	MS Powder-Coated Cabinet (20 Trays)	High-capacity durable industrial sheet metal 20-drawer console structure.	₹90,000.00
ENT 090/6	Large Cabinet with 12 Drawers	Deep structural system designed for massive entomology reference drawers.	₹50,000.00
ENT 090/7	Large Cabinet with 24 Drawers	Ultimate master multi-tier institutional reference storage system.	₹86,000.00
ENT 095	Insect Specimen Tube Box (20 Tubes)	Holds 20 standard 75x25mm collection tubes securely inside padded dividers.	₹1,200.00
ENT 099	Insect Specimen Tube Cabinet (500 Tubes)	Industrial multi-tray lockable drawer cabinet built for 500 tube modules.	₹12,000.00
ENT 110/1	Insect Storage Box (53x45x9 cm)	Deep wooden secure specimen storage model lined with pinning sheets.	₹3,700.00

ITEM CODE	PRODUCT DESCRIPTION	TECHNICAL SPECIFICATIONS & SIZING	
ENT 110/2	<b>Insect Storage Box (38x25x7.5 cm)</b>	Mid-range storage system featuring airtight rubber sealing borders.	₹1,900.00
ENT 110/3	<b>Insect Storage Box (45x30x7.5 cm)</b>	Excellent classroom standard specimen curation storage box.	₹2,500.00
ENT 110/4	<b>Insect Storage Box (30x23x7.5 cm)</b>	Compact secure case for student individual project portfolios.	₹1,400.00
ENT 120	<b>Insect Stretching Board (Adjustable)</b>	Sliding parallel panels for fixing varying micro and macro wing spans.	₹700.00
ENT 125	<b>Insect Killing Jar (500ml)</b>	Heavy wide-mouth glass jar equipped with a secure porous charging chamber.	₹96.00
ENT 130	<b>Magnascope Bench Magnifier (6" Lens)</b>	Precision 6-inch optical glass lens mount providing shadowless lighting arrays.	₹12,000.00
ENT 135	<b>Insect Mating Cage</b>	45x30x30 cm specialized enclosure configured for reproduction tracking.	₹8,600.00
ENT 140	<b>Mosquito Breeder Module</b>	Optimized aquatic and air-interface environment for vector cultivation.	₹1,500.00
ENT 143	<b>Moth Mating Chamber</b>	Ventilated mesh environment designed for delicate lepidoptera pairings.	₹1,500.00
ENT 145	<b>Moth Breeding Cage</b>	Targeted containment unit supporting food plant positioning arrays.	₹1,300.00
ENT 146	<b>Observation Beehive Frame</b>	Dual-pane insulated transparency system for viewing live colony operations.	₹4,800.00
ENT 150	<b>Plankton Sampling Net</b>	Standard aquatic drift towing cone made of structural micron fabric.	₹800.00
ENT 155	<b>Rat &amp; Mosquito Dual Cage</b>	45x30x30 cm heavy steel wire reinforced combined habitat unit.	₹4,800.00
ENT 158	<b>Small Glass Specimen Tube (50x15mm)</b>	Borosilicate micro-vials designed for alcohol preservation storage parameters.	₹40.00
ENT 160	<b>Surber Stream Bottom Sampler</b>	30x30 cm rigid quadrant framework equipped with an downstream flow net.	₹8,800.00

ITEM CODE	PRODUCT DESCRIPTION	TECHNICAL SPECIFICATIONS & SIZING	
<b>ENT 165</b>	<b>Specimen Sorting Tray</b>	Chemical-resistant flat segmentation tray for field filtering runs.	<b>₹300.00</b>
<b>ENT 170</b>	<b>Entomological Teasing Needle</b>	Available in straight or bent fine steel tip options with solid grip handle.	<b>₹70.00</b>
<b>ENT 175</b>	<b>Yellow Sticky Pan (Pack of 10)</b>	Bright yellow chromatic target wet fluid monitoring trays.	<b>₹1,100.00</b>
<b>ENT 176</b>	<b>Yellow Sticky Trap (Pack of 10)</b>	Double-sided premium weather-proof insect capture panels.	<b>₹480.00</b>
<b>ENT 180</b>	<b>Zooplankton Net with Collecting Bottle</b>	60-micron advanced mesh net linked to a weighted brass bottle coupler.	<b>₹4,000.00</b>
