

## It's Pool Time at Los Verdes 1!

It's time to grab your sunscreen and hang out at the pool. The pool is a great place to meet your neighbors, get some exercise, and relax. Just a few reminders:

Hours: 6am- 10pm for both pool and hot tub.

FYI, using the hot tub later can cause flooding in the equipment room because the circulation pump shuts down at 10pm.

- Food and drinks are not allowed in the pool area. There is a picnic table just outside that is great for a snack.
- Guests must be accompanied by the homeowner or tenant, it's not OK to give your friends the key to come on their own.
- Children under the age of 14 shall not use the pool or spa without a parent or adult guardian in attendance. California Building Code §3120B.4.
- And finally, **HAVE FUN!**

Breaking of pool rules will result in at least a 30-day suspension, and your key will be disabled.
