A Note from the Founder

Hey everyone,

Welcome to OOOH Club. I started this community because I wanted more with the social scene in Singapore. I had attended way too many "networking events" where organizers would just collect your money, throw you into a room with zero effort. I wanted to completely change that scene.

I built OOOH Club to be the exact opposite. I wanted to create a space specifically for people to come together, drop their guards, and have fun. My goal is to help you build genuine connections, not just hand out business cards. More than that, I want this to be a real community that you can lean on. I hope the energy and impact we create here motivates you to go even further in your own life.

Behind the scenes, I promise you this: I will always fight for the absolute best perks you can get in Singapore, from VIP club entries to exclusive venue takeovers.

I am not doing this for the profit. I put in the hours because seeing you all genuinely happy, watching real friendships form, and seeing this community come alive makes every ounce of effort completely worth it.

Thank you for bringing your energy and being part of this family. Let's keep building something amazing.

Cheers,

Chloe Pang

Welcome to Out of Office Hour Club

You are officially past the velvet rope. A community that is rewriting how Singapore networks, mingles, and parties. No awkward silences, no standing alone, just great people, curated icebreakers, premium venues, and pure energy.

Our Mission

OOOH Club is Singapore's premier community for 21+ professionals who want the best of both worlds. We start the night with curated group games and real conversations where you can hear each other, and we end the night on the VIP guestlist with loud DJs and high-energy after-parties.

The Vibe Guarantee

We guarantee a seamless transition from chill networking to all-out partying. Whether we are doing a sunset beach picnic, an exclusive bar takeover, or claiming our free VIP entry at spots like Capitol Zouk, you will always be surrounded by a vetted, high-energy crowd.

The House Rules: Protecting the Vibe

To keep our community premium & strong, we operate by a few strict, non-negotiable rules.

The 72-Hour RSVP Cutoff

Sign-ups and payments close strictly 2 days (48 hours) before an event. We need this time to finalize catering, curate group pairings, and lock in our partner venues. No last-minute walk-ins.

The "Minimum Pax" Standard

Quality over quantity. If an event does not hit its required minimum headcount by the 48-hour cutoff, the event will be postponed, and everyone will receive a 100% full and immediate refund. We refuse to host half-empty events.

The Golden Rule of Mingling

Nobody stands alone. If you see someone sitting by themselves, bring them into your circle. We are a community, not a clique.

Zero Tolerance Policy

We protect our members fiercely. Any creepy behaviour, harassment, sales and advertisement, ghosting without notice, or disrespects towards anyone will result in an immediate and permanent blacklist from the club.

The Digital Vibe Check (Group Chat Rules)

Do not mass-message or creepily slide into the DMs of members you haven't connected with in person. If someone reports unwanted DMs, you will be removed from the club. Keep the energy respectful.

The Active Member Mandate

This is your club as much as it is mine. To keep the community thriving, we expect our members to play an active role:

The "+1" Vetting System

You are the club's best scouts. You are encouraged to bring +1s to open events, but it is your responsibility to ensure they match our energy and respect our rules.

The Feedback Loop

Your voice dictates our calendar. Filling out our post-event "Vibe Checks" directly influences what venues we book and what events we throw next.

Step Up and Host

Got a hookup at a great venue? A killer recipe? A favourite hiking trail? Pitch it! We love when members co-host and share their passions with the group.

Member Perks & Rewards

The OOOH Club Token System (Referral Perks)

We grow through good people bringing more good people. To reward our members for hyping up the community, we have introduced the official physical Ooh Club Tokens.

Earn: For every first-time paying +1 you bring to an official Ooh Club paid event, you will receive 1 Physical OOOH Club Token at the door.

Redeem: 1 Token = \$1 SGD. You can stack your tokens and hand them back to us at the door to discount your entry fee for any future events, pop-ups, or mixers. Bring enough friends, and your next event is completely on the house!

The Golden Rule: Treat these physical tokens exactly like cash. Because we want to keep admin work low and vibes high, we do not track your tokens digitally. If you lose your tokens, or forget to bring them to the next takeover, they cannot be replaced!

After-Parties

Potential free entry to premium partner clubs (like Marquee & Capitol Zouk) when attending OOOH Club weekend mixers.

Exclusive Venue Discounts

Access to discounted drinks and dedicated spaces at our partner bars.

The Platinum Tier

For the members who want to unlock the absolute best of Singapore's nightlife, we offer the OOOH Club Platinum Card.

For an annual fee of \$150, you receive a physical, exclusive VIP card that upgrades your entire clubbing experience. If you go out regularly, this card pays for itself after just a couple of weekends.

The Platinum Perks:

The "Flash & Pass" Access

Flash your physical Platinum Card at our Partner Clubs to skip the massive queues and get free entry during our weekend takeovers.

Exclusive Venue Discounts

Flash your card at participating partner bars across Singapore for instant discounts on your drinks and VIP treatment.

First Rights

Platinum members get the RSVP links to our highly limited pop-ups (like private boat parties or exclusive dinners) 48 hours before the rest of the club.

Waived Member Fees

Any standard ticket discounts we offer for our mixers are automatically applied to you.

HOW OUR EVENTS FUNCTION

1. The Oooh Club Calendar

We don't do rigid, boring corporate schedules. OOOH Club is 100% driven by our members, which means the community dictates the calendar. Here is how our gatherings work:

The Saturday Pre-Game Mixers (2x a Month):

This is our signature flagship mixer. Twice a month, on a Saturday, we host our massive high-energy pre-games (think curated games, drinks, and transitioning to a club afterward). But here is the catch: you decide when. We put the Saturday dates to a community vote in our group chat, and the majority rules!

Official Takeovers (Ticketed & Curated):

These are our fully curated, large-scale events (like our Sentosa Pre-Games, VIP club nights, or private dining experiences). Because we coordinate with venues, cover logistics, and curate the crowd, these require an official ticket and a strict RSVP.

Casual Sessions (Non-Official & Spontaneous):

Spontaneous, unticketed, and purely for the vibes. These are laid-back hangouts driven by you. Want to grab drinks at a partner bar on a random Thursday? Post it in the chat! These are zero-pressure hangouts where members can just drop in, grab a drink, and kick back with the community anytime without buying a ticket.

2. The Media & Content Policy

We capture the chaos! We regularly have photographers or members shooting content (photos and videos) at our official events to post on our Instagram and social platforms. By attending an OOOH Club event, you consent to being in the background of our epic recaps. If you need to stay off-camera for privacy or professional reasons, just pull the organizer aside at the start of the night and let us know! We will always respect your privacy.

3. **Personal Responsibility & Safety**

We provide the space, the drinks, and the vibes, but you are responsible for yourself. OOOH Club and its organizers are not liable for any lost items, damaged property (watch your phones during water fights!), or personal injuries during our mixers and club takeovers. Drink responsibly, know your limits, and look out for one another.

The Final Word

This charter isn't just a list of rules; it is our promise to you.

By holding an Out of Office Hour Club membership, you are officially part of the most highly curated, high-energy crowd in Singapore. We protect this community fiercely, and we are incredibly hyped to have you on the roster.

Your Next Steps:

1. **Say Hello:** Jump into the community group chat and introduce yourself.
2. **Mark Your Calendar:** Keep an eye out for the next Saturday Pre-Game poll to cast your vote.
3. **Bring the Energy:** Grab your +1, lock in your RSVP, and get ready for the weekend.

Out of Office. Into the Vibe.

Welcome to the club.
