

## Insurance Statement

Dibba Services is fully insured to carry out electrical and maintenance work across Birmingham and the surrounding areas. We hold the following insurance cover to ensure the safety, confidence, and protection of our customers:

### Public Liability Insurance

We are covered for claims relating to accidental damage or injury caused during the course of our work. This protects our customers, their property, and members of the public.

### Professional Indemnity Insurance

We are insured for claims relating to professional advice, design, or recommendations provided as part of our services. This ensures that our customers are protected should any professional guidance lead to unexpected issues or losses.

We maintain these policies to meet industry standards and to give our customers complete peace of mind when choosing Dibba Services.
