

**JIHAE MANAGEMENT**  
CONSULTING GROUP

## Capability Statement

JMCG partners with leaders and institutions to navigate complexity and execute strategy with clarity and impact. Through strategic advisory, operational expertise, and leadership development, we align people, process, and performance to deliver sustainable results grounded in wisdom and informed by intelligent insight.

### THE JMCG Difference

JMCG operates at the intersection of strategy, operations, and coordination, bringing calm, disciplined execution to high-visibility, multi-stakeholder initiatives. Unlike traditional consulting firms, we do not stop at strategy—we stay through execution, embedding with client teams to ensure alignment, accountability, and results.

#### Strengthen Leaders

We strengthen leadership at every level by providing executive support, development, and coaching that equips individuals to lead with clarity, accountability, and impact in complex environments.

- Fractional Leadership Services
- Leadership & Professional Training
- Leadership Coaching

#### Strengthen Business

We enhance organizational performance by aligning business operations, administrative infrastructure, and workforce strategy to improve efficiency, scalability, and long-term sustainability.

- Business Administration & Management
- Workforce & Human Capital Innovation

#### Strengthen Operations

We deliver disciplined execution across complex initiatives by managing programs, events, and operational risk to ensure coordination, readiness, and successful outcomes in high-visibility environments.

- Event Strategy & Operations Management
- Program & Project Management
- Operational Risk
- Compliance & Readiness Planning

### Work with JMCG

Work with us to deliver results in high-stakes environments with speed, accountability, and precision. We align with your mission to ensure efficient execution, strengthen stakeholder confidence, and achieve measurable, compliant outcomes.
