Get ready my soul, I'm diving in
Get ready my soul, I'm diving in
To the deepest kind of love
To the sweetest kind of life

Everything I've lost or won, everything I've ever dreamed

Here, to a new beginning
Here, and I'm seeing life so clearly now

Cause here I go, deeper than I've ever been before
Here I go, closer to my sacred source
Cause here I go, deeper than I've ever been before
Here I go, closer to my sacred source
