

AUXILIUM INTERNATIONAL SCHOOL

Centre No - IA362

Auxilium International School is proudly affiliated with Cambridge, following the esteemed Cambridge curriculum to elevate the educational experience for our learners. Through this partnership, we are committed to fostering academic excellence and holistic development, empowering our learners to become global citizens, equipped with the skills and knowledge to confidently face the challenges of tomorrow.

SPOTLIGHTS

VOLUME 03 | EDITION 01

JUNE | JULY | AUGUST
2024

Welcome to the First Edition of SPOTLIGHTS for This Academic Year

As we embark on a new academic journey at Auxilium International School, Spotlights is proud to present its first edition of the year. This magazine captures the enthusiasm, achievements, and creativity that have already marked the start of this term. From academic milestones to extracurricular triumphs and spirited competitions, this edition showcases the vibrant life of our school community. We invite you to explore the highlights of these early months and celebrate the promise of what's to come.

WELCOME

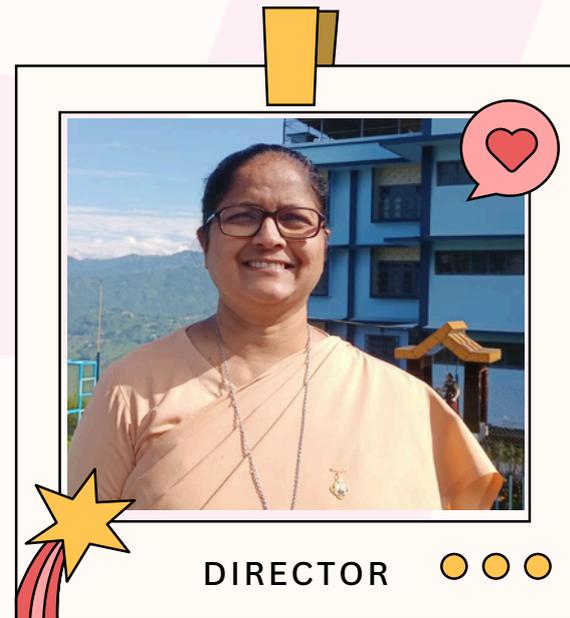

SR. CELINE JACOB

Visiting Councilor

BIENVENUE !!!

Sr. Rita D'souza

It is with immense joy that we extend a heartfelt welcome to Sr. Rita D'Souza, the esteemed Director of Auxilium International School, Wadala. Sr. Rita brings with her a remarkable legacy of leadership, having served as the Administrator of the Mumbai Provinces for nine consecutive years, overseeing the dynamic regions of Maharashtra, Karnataka, Goa, and Gujarat.

A vibrant and highly proficient administrator, Sr. Rita is known for her unwavering dedication and meticulous approach to her responsibilities. Despite her humble demeanor, she possesses an expansive knowledge base, complemented by her devotion to her faith, which guides her in every task she undertakes. Her all-encompassing experience across various domains makes her a true asset to our institution, and her openness to continuous learning only adds to her admirable qualities.

We are privileged to have Sr. Rita as our Director, and we wholeheartedly welcome her to the Auxilium family. We look forward to her insightful leadership and the positive impact she will undoubtedly bring to our growing institute. May her journey with us be filled with peace, love, and abundant blessings. As she steps into this role, we are confident that she will embody God's grace and wisdom, nurturing the school's mission and vision.

Once again, bienvenue Sr. Rita D'Souza, and may your time with us be enriching and fulfilling!

Facilitators Orientation

The Facilitator's ' Orientation at Auxilium International School on June 3, 2024, led by Academic Head, Miss Abigail Tixeira, was a well-organized and engaging session aimed at preparing the faculty for the upcoming academic year. The orientation included a blend of reflective practices, such as meditation and prayer, and energizing activities like Zumba.

Miss Tixeira emphasized the multifaceted roles of teachers, introduced the Cambridge attributes, and reinforced the importance of continuous professional development. The session also covered curriculum alignment, innovative lesson planning, and outlined faculty duties, leaving facilitators inspired and ready for the year ahead.

PARENTS ORIENTATION

Since the founding of Auxilium International School, we have held annual parent orientations to help families understand our school's core values and morals. These sessions provide a deeper insight into our guiding principles and offer a comprehensive overview of the upcoming academic year.

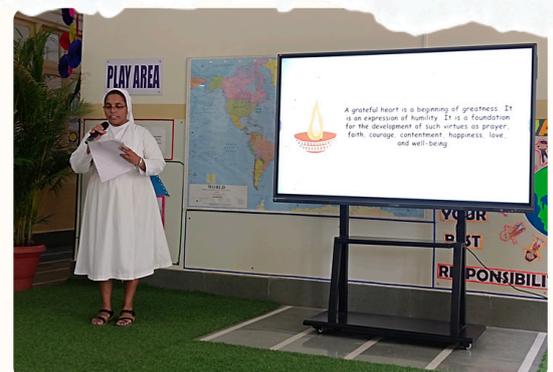

AN INSIGHT FOR PARENTS

Auxilium International School conducted its annual Parents Orientation sessions for the Primary Section on June 7 and the Early Years Section on June 15, 2024, designed to introduce parents to the school's ethos, curriculum, and facilities. Ms. Abigail Tixeira warmly welcomed the parents, followed by a serene prayer led by Sr. Sandra Fernandes, setting a reflective tone.

The Director and Principal were felicitated with potted plants, symbolizing growth and nurturing. An engaging icebreaker had parents define their child's name, fostering interaction and highlighting each learner's unique identity. Ms. Abigail then introduced the AIS faculty, including the Director, Principal, and facilitators for new subjects like French, Robotics, and Global Perspectives, as well as sports and arts.

Detailed overviews of the curriculum, school uniform guidelines, the new AIS Bus Service, and the school almanac were provided, ensuring parents were well-informed. A dedicated Q&A session addressed any concerns. Parents then toured the creatively decorated classrooms and the campus, further engaging with facilitators and gaining insights into the school environment.

The first day of school at Auxilium International on 18th June 2024 was a joyous and memorable event, marked by excitement and a sense of reunion. Returning learners eagerly reconnected with their school, while new students embarked on their educational journey. The day began with a campus tour, allowing learners to explore and familiarize themselves with their surroundings. A lively morning assembly, led by facilitators, set an energetic tone, followed by introductions with homeroom facilitators and new faculty members. Learners were delighted to receive their new uniforms, accessories, and books, adding to the festive atmosphere. Each class had special activities designed to make the day unique:

Nursery learners explored their colorful classrooms and toys, Junior K.G. students expressed themselves through art, Senior K.G. learners made puppets, Grade 1 students crafted personalized wrist bracelets, and Grade 2 engaged in fun mathematical games. The day concluded with a photo session at a vibrant selfie stand, capturing memories of this special occasion. The first day was a resounding success, filled with laughter, creativity, and the excitement of a new school year.

FIRST
DAY
AT
SCHOOL

INTERNATIONAL YOGA DAY

On June 21, our school celebrated International Yoga Day with vibrant enthusiasm, spearheaded by Miss Iman Khan, our dedicated sports facilitator. She opened the day's assembly with an enlightening address on the significance of this global event, emphasizing yoga's role in enhancing physical, mental, and spiritual well-being. She detailed how yoga promotes flexibility, strength, and balance while reducing stress and improving concentration. Following her talk, she led the learners through a series of accessible yoga exercises, including calming breathing techniques and simple asanas.

The entire school engaged in these activities, fostering a serene and mindful atmosphere. The successful celebration underscored the importance of integrating yoga into daily routines for overall health and balance.

AIS WELCOMES MR. ALEXANDRO

On 27th June Auxilium International was pleased to welcome Mr. Alexandro, a generous benefactor from Italy, during his visit to India. The atmosphere was filled with anticipation as learners eagerly awaited his arrival. Mr. Alexandro was warmly welcomed in the outdoor area with applause and joy, and a potted plant was presented to him as a symbol of our appreciation. The celebration featured a lively performance by Grade 2 learners, who danced to the Italian song "Bella Ciao," fostering a cultural connection.

Mr. Alexandro then shared engaging insights about Italian traditions and culture, captivating the learners and encouraging a spirited Q&A session. A campus tour followed, where he admired the vibrant classroom decorations and participated in photo sessions. His visit, marked by cultural exchange and enthusiasm, left a lasting impression and deepened the connection between our communities, inspiring learners to appreciate cultural diversity.

INTERNATIONAL MUD DAY

On June 29, Auxilium International School celebrated International Mud Day with great enthusiasm, emphasizing nature's connection and environmental appreciation. The day began with an informative session where learners learned about the essence of International Mud Day, which fosters communal bonds through shared experiences with the earth and encourages outdoor play and environmental joy.

Activities were designed to engage all the senses, allowing learners to immerse themselves in nature. In the open ground, learners connected with the earth by touching the soil and experiencing its warmth, reinforcing their bond with nature.

The highlight was a creative activity where learners dipped their hands in a mud-water solution to create unique imprints on large chart paper. Throughout the day, facilitators emphasized cleanliness and responsible interaction with nature. The celebration successfully combined fun and creativity with environmental respect, leaving learners with a lasting appreciation for the earth and a commitment to environmental stewardship.

INTERNATIONAL DOCTOR'S DAY

This Doctor's Day, we focused on educating our learners about the vital healthcare services that doctors provide and the importance of maintaining good health. Through various activities, our learners gained a deeper understanding of the crucial role doctors play in our lives and the significance of taking care of their own well-being.

On July 1, Auxilium International School celebrated National Doctors Day with a series of engaging educational activities aimed at increasing awareness about the medical profession and promoting health among students. The day began with a setup in the play area, featuring medical equipment and a simulated medical environment to introduce students to healthcare tools. The morning assembly included a role-playing scenario where facilitators portrayed a doctor, nurse, sick child, and concerned parent to demonstrate medical procedures and the use of medical equipment. Following this, Ms. Juanita explained the components and usage of a first aid kit, teaching students basic emergency response skills.

The significance of National Doctors Day was discussed, highlighting the essential role of doctors and encouraging appreciation for their work. Students then toured the school's sick room, where they learned about its facilities and engaged in hands-on activities like checking vital signs and using medical instruments. The celebration concluded with students sanitizing their hands, underscoring the importance of hygiene in health. The event effectively educated students on medical practices, fostered respect for healthcare professionals, and encouraged a commitment to health and cleanliness.

PLASTIC BAG FREE DAY

On July 3, Auxilium International School observed International Plastic Bag Free Day with a series of educational activities aimed at highlighting the environmental impact of plastic bags and promoting sustainable alternatives. The event began with learners discovering scattered plastic materials on the turf area, sparking discussions about plastic waste and its environmental consequences. During the morning assembly, Ms. Rachael presented an informative talk on the plastic manufacturing process, its applications, and the environmental dangers of excessive plastic use. She stressed the importance of reducing plastic consumption and encouraged the use of eco-friendly alternatives like cloth, jute, and paper bags. An animated video illustrated the severe effects of plastic pollution on wildlife and marine life, emphasizing the need for immediate action to protect biodiversity.

Learners then engaged in a hands-on activity, crafting paper bags from recyclable materials such as brown paper and newspapers, reinforcing the concept of sustainable practices. The day concluded with a celebratory photo session at a decorated selfie stand featuring handmade paper bags, symbolizing the school's commitment to environmental responsibility. The event successfully raised awareness among learners about the importance of reducing plastic waste and fostered a sense of responsibility towards environmental stewardship.

Van Mahotsav & Felicitation of Doctors

On July 7, Auxilium International School celebrated Van Mahotsav alongside a special felicitation ceremony honoring doctor parents of our learners. The school grounds were adorned with lush greenery, vibrant charts, and creative posters, creating a refreshing atmosphere for the day's events. The celebration began with a morning assembly where doctor parents, including Mrs. Sheetal Mahajan, an Officer of F Ward, BMC, who was our chief guest, were warmly welcomed and applauded by the learners. The assembly featured an educational segment about Van Mahotsav, emphasizing the importance of protecting nature and fostering environmental awareness among students. In a thoughtful gesture, the doctors were presented with baskets of fresh vegetables, symbolizing nature's bounty. They shared their insights on health and wellness with the learners, with Dr. Anique distributing apples to highlight the importance of a healthy diet.

The day included a symbolic tree-planting ceremony where doctors planted saplings in pots, reaffirming their commitment to environmental stewardship. Learners also gifted small plants to the doctors as mementos. Each class participated in planting saplings, reinforcing the importance of caring for the environment. The celebrations concluded with a photo session and a snack break, where the doctors expressed their appreciation for the warm welcome and thoughtful gestures. The event successfully combined environmental education with a celebration of the vital contributions of healthcare professionals.

Professional Development

At Auxilium International School, we believe that continuous learning is essential for growth and excellence in education. Our dedicated faculty regularly engage in professional development sessions both online and on-site, enhancing their skills and staying updated with the latest pedagogical practices to provide the best learning experience for our learners.

Cambridge Leaders Forum
Building Strong Schools with Effective Assessment Practices

On July 06, 2024, our **Principal, Sr. Shanthi Fernandes, and Academic Head, Ms. Abigail Tixeira**, attended the Cambridge Leaders Forum, which focused on enhancing school assessment strategies. The forum began with a keynote by Ms. Rachel Talbot, Cambridge Assessment Manager, who discussed the role of assessments in primary and lower secondary programs. Mrs. Manju Surendran, Director of Academics at Fravashi International Academy, shared insights on how checkpoints facilitate smooth transitions to IGCSE. A "Fireside Chat with School Leaders" featured experts like Dr. Mildred Lobo of SM Shetty International School and Ms. Deepa Bhushan from C.P. Goenka International School, who shared their leadership experiences. Afternoon sessions explored topics such as involving parents as educational partners and integrating futuristic subjects into the curriculum. The forum ended with updates from Cambridge, followed by networking and a lunch session. Auxilium International School looks forward to incorporating these insights to further enhance learner development.

Cambridge Community Meet Catholic Schools in Mumbai

Underpinning Key Pedagogies of Cambridge Core Resources for Primary & Lower Secondary

On 8th July 2024, Ms. Abigail Tixeira, Sr. Sandra Fernandes, Ms. Pooja Yadav, Ms. Anagha Kamble, Ms. Esaiwani Chandrashekhar, Ms. Juanita Lobo and Sr. Janice Desouza, had the privilege of attending a Cambridge professional development session hosted at St. Pius X International School in Mumbai.

This workshop was led by expert trainers Achama Mathew, Cambridge Accredited Trainer, and Alka Pandey, Academic Advisor at Cambridge International, South Asia. The workshop focused on enhancing teaching practices through Cambridge's core pedagogies, particularly in the areas of Active Learning, Assessment for Learning, Differentiated Learning, and Metacognition. With a strong emphasis on how these strategies can be applied in the classroom, the session provided us with practical insights into the Cambridge Curriculum – a pathway that empowers both educators and learners. A deep dive into effective questioning and feedback mechanisms, especially in transitioning between formative and summative assessments. Our staff left the session equipped with fresh ideas and tools to further enhance our teaching methods, ensuring our learners at Auxilium continue to receive top-tier education aligned with international standards.

We look forward to implementing these strategies in our classrooms and continuing our journey of professional development with Cambridge.

Coordinators & Exam Officers Meet

On July 20, 2024, **Ms. Abigail Tixeira** attended the Cambridge Coordinators and Exam Officers Meet at Chatrabhuj Narsee School, Kandivali. The event catered to a broad audience, including representatives from various educational levels such as Early Years, Primary, Lower Secondary, IGCSE, and AS & A levels.

In the breakout session for Exam Officers, led by Ajay Dalmia and Nilesh Sabale, emphasis was placed on adherence to rules and regulations to maintain examination integrity. The importance of thoroughly reading and understanding the examination handbook was stressed. Ensuring all teachers are well-informed and aligned with the examination procedures was discussed, along with detailed instructions on following all rules precisely during examination days. Post the first breakout session, a tea break facilitated networking among attendees. Following the break, engaging in a group discussion session where participants were divided into groups of four to discuss examination-related matters, sharing insights and best practices occurred.

After the group discussion, all attendees reconvened for a common session that included participants sharing their reviews and feedback on the day's sessions. Updates from Cambridge were provided, highlighting new developments and changes relevant to our roles. The event concluded with a group photograph to commemorate the day.

The event was highly beneficial, providing essential information and updates for exam officers and coordinators. The sessions were well-organized and offered valuable insights into the roles and responsibilities associated with Cambridge examinations.

Early Years & Primary Co - ordinators Meet

The Cambridge Coordinators' Meet, held on 27th July 2024, was attended by **Sr. Sandra Fernandes and Ms. Rachael Vaz** from Auxilium International School. Led by Dr. Akash Raut, Head of Academic Advisor for South Asia, the session focused on empowering coordinators to implement the Cambridge Primary Program effectively. The event included discussions on pedagogical leadership, assessment techniques, student well-being, and holistic development. Participants engaged in collaborative problem-solving, shared insights, and reflected on their own educational experiences. Dr. Rao introduced key concepts such as the Cambridge Pathway, adapting teaching methods for digital natives, and best practices for assessment. The day concluded with feedback, a group photo, and a lunch break, equipping coordinators with valuable strategies for enhancing the Cambridge Primary Program.

VISIT OF SAVIO KINDERGARTEN LEARNERS

On July 10, Auxilium International warmly hosted a visit from the young learners of Savio Kindergarten. The day began with the excited and curious kindergarteners exploring the vibrant and colorful classrooms, which were adorned with charts, artwork, and student projects. To welcome them, each class prepared and performed a special action song, engaging the young visitors with joyful singing and dancing. The atmosphere was filled with warmth as the kindergarteners eagerly joined in the fun. The tour continued with visits to various parts of the campus, including the dance room, where they watched students practice their moves; the library, where they marveled at the book collection; and the turf, where they observed outdoor activities. As the visit concluded, the kindergarteners left with smiles and cherished memories, capturing the day with numerous photos. Each child received a small cake to snack on their journey home. The visit was a delightful experience, fostering joy and connection between the young learners of both schools.

PURPLE DAY

Auxilium International School celebrated Purple Day with vibrant enthusiasm and creativity. The school buzzed with energy as learners arrived dressed in various shades of purple, transforming the campus into a sea of color. The play area was beautifully decorated with purple hangings and featured a specially designed Selfie Point, setting the festive mood. The morning assembly kicked off the celebration with an engaging narrative on the significance of colors, explaining how each color symbolizes different emotions, cultures, and ideas. This provided a meaningful context for the day's activities.

Throughout the day, learners participated in creative activities centered around the color purple, including making purple fans, paper umbrellas, and flower finger paintings. The celebration extended to a delightful array of purple-themed foods, with students sharing purple cakes, grapes, and chocolates. The day concluded with learners proudly showcasing their purple-themed creations and capturing joyful moments at the Selfie Point. Purple Day at Auxilium International was a joyous and educational experience, deepening students' appreciation for the meaning and impact of colors.

YOUNG ACHIEVERS

At Auxilium International School, we believe in nurturing well-rounded individuals by encouraging our learners to participate in diverse programs that extend beyond academics. We support and motivate them to explore their talents and interests in various fields, fostering adaptability and growth in different areas of life. Every achievement, whether in school or outside, is a reflection of their hard work and dedication. We take pride in honoring and felicitating our learners at every opportunity, celebrating their accomplishments and instilling in them the values of perseverance and excellence.

SOMYA SAMANTA CIPP 2

During the recent school assembly, we were delighted to honor Somya Samanta, a young learner from CIPP 2, for her remarkable achievement in dance. Somya, who has been taking Kathak lessons at a private institution, won an award for her exceptional performance. Somya has also actively participated in various school dance performances, further demonstrating her dedication and passion for dance. We are incredibly proud of her success both inside and outside the classroom.

Grandparents Day

We celebrated Grandparents Day with warmth and heartfelt appreciation. The event commenced with a welcoming speech by one of the learners, setting an uplifting tone for the day. This was followed by a communal prayer led by the learners, which fostered a sense of unity and gratitude among all attendees. The festivities began with a charming performance by Senior KG students, who sang a welcome song dedicated to the grandparents. Nursery learners, dressed in attire reminiscent of their grandparents, entertained the audience with a song celebrating their elders. The day featured an engaging icebreaker game where grandparents joyfully guessed old songs and participated in a quiz about classic celebrities, adding an element of nostalgia and fun. Junior KG students performed a touching song,

and Grade 1 and Grade 2 students delivered a heartfelt dance tribute, acknowledging the unwavering love and support of their grandparents. Each grandparent received a handmade card from their grandchild, serving as a special token of appreciation. Several grandparents shared their reflections on the significance of the celebration, highlighting the joy it brought to their lives. The celebration included a lively freestyle dance session, where grandparents and grandchildren danced together, creating cherished memories. Learners proudly gave their grandparents a tour of their classrooms, showcasing their daily learning environment. The event concluded with a joyful photo session at the selfie point and a delightful snack time, leaving everyone with fond memories and a sense of togetherness.

Auxilium International School celebrated Friendship Day with great enthusiasm and joy. The day started with a heartwarming story about the importance of friendship. The story set the tone for the day, reminding everyone of the value of kindness and connection.

Friendship Day

The theme of the day was simple yet powerful: “Smile at each other spreading love & kindness.” This motto encouraged all the learners to share smiles and spread happiness throughout the school. The atmosphere was filled with excitement and anticipation as each learner had brought a special gift for their friends.

During the program, the learners exchanged gift in a fun way. Each child picked up a chit, which determined who they would exchange gifts with. This added an element of surprise and made the experience even more enjoyable. As they exchanged gifts, the learners wished each other a Happy Friendship Day, sharing warm and heartfelt moments.

The joy on the learners’ faces was evident as they received and gave gifts. Each gift was a thoughtful token of appreciation, reflecting the care and consideration the learners had for their friends. It was a beautiful sight to see the learners leaving the school with happy smiles and lovely gifts in their hands, feeling valued and loved. The Friendship Day celebration at Auxilium International School was a day full of joy, learning, and the strengthening of bonds among the learners. The celebration highlighted the importance of friendship and left everyone with wonderful memories and a deeper understanding of the value of being kind and supportive friends.

INDEPENDENCE DAY

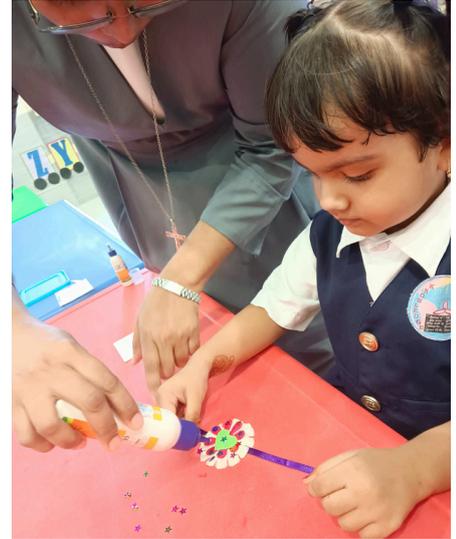

On August 14th, Auxilium International School celebrated Independence Day with a vibrant program performed by learners, bringing pride, patriotism, and joy to the school community. The event began with a solemn prayer service, honoring the sacrifices of freedom fighters and emphasizing unity and peace. The school's academic head warmly welcomed parents and guests, highlighting the importance of celebrating this monumental day together. Learners displayed their creativity by making their own Independence Day badges, adding to the festive spirit. The performances started with CEYP 1 (Nursery) presenting an energetic Pom Pom dance, followed by CEYP 2 (Junior KG) with a Unity Act that underscored the value of unity in diversity. CEYP 3 (Senior KG) then performed a dance to a patriotic song, showcasing their national pride. CIPP 1 & 2 (Grade 1 & 2) delivered an engaging Act & Dance performance, depicting India's struggle for independence and honoring the heroes who fought for freedom.

The event concluded with a heartfelt Vote of Thanks and the singing of the National Anthem, creating a powerful moment of unity. The celebration at Auxilium International School was a success, filled with inspiring performances and a deep sense of national pride, strengthening the bond between the school and parents as they honored the nation together.

Raksha Bandhan

Auxilium International School was abuzz with excitement as learners eagerly gathered to celebrate Raksha Bandhan, a festival that honors the bond between siblings. The celebration was filled with joy and creativity, as each learner participated in activities that highlighted the essence of this special day. Our early years learners showcased their artistic talents by making beautiful Rakhis, each one crafted with love and care. The colorful threads, beads, and sequins used by the little ones symbolized the vibrant and enduring bond they share with their siblings. Meanwhile, the learners of Grade 1 and 2 took part in Thali decoration, adding their own creative touch to this traditional ritual. Their decorated Thalis, adorned with intricate designs and vibrant colors, reflected their understanding of the importance of Raksha Bandhan. Throughout the celebration, all the learners spent time reflecting on the deep connection they share with their siblings and the true essence of Raksha Bandhan—protection, love, and lifelong support. It was heartwarming to see them express their feelings through their creations and celebrate the spirit of the festival with such enthusiasm. Raksha Bandhan at Auxilium International School was a memorable event that not only brought out the creativity in our learners but also deepened their understanding of the values that this beautiful festival represents.

FIELD TRIP

NEHRU PLANETARIUM

The learners of Auxilium International School embarked on an educational field trip to Nehru Planetarium in Mumbai. The day began with much excitement as the learners boarded the bus at school, eager to explore the mysteries of space. The journey itself was filled with anticipation and chatter as the learners made their way to the planetarium. Upon arrival, the group was welcomed by the planetarium staff, who provided an introductory session about the solar system. The presenter engaged the learners with fascinating facts about the planets, stars, and other celestial bodies, sparking their curiosity and enthusiasm.

The highlight of the trip was the visit to the Sky Theater. Here, the learners were treated to an immersive show that took them on a journey through the solar system. The visual effects and detailed explanations made the complex concepts of space accessible and entertaining. The learners were particularly captivated by the vivid representations of the different planets and the intricate workings of our solar system. After the show, the learners enjoyed a quick snack break, where they discussed what they had learned and shared their excitement with their friends. They then boarded the bus to return to school, where they were picked up by their parents.

ART ATTACK!!!

The art competition titled "Climate Quest" was held on the 21st of August 2024 at Auxilium International School. The event aimed to encourage young learners to express their understanding and creativity around the topic of climate change and environmental stewardship. Enthusiastic participation was seen from learners across Nursery to Grade 2. In preparation for the event, learners explored the theme at home, developing ideas and practicing their artwork with the support of their families. This pre-competition engagement heightened their excitement and readiness for the event. On the day of the competition, the learners arrived at school eager to showcase their artistic skills. Each participant brought their unique perspective on the theme to life, using a variety of colors, shapes, and techniques. The classroom environment buzzed with creativity as the young artists diligently worked on their pieces.

Upon completion, the learners submitted their artwork to their class teachers. The competition was not only a platform for artistic expression but also a joyful and educational experience for the participants. The event successfully fostered a deeper understanding of environmental issues while allowing the learners to have fun and explore their creativity.

Citrus Carnival

Auxilium International School celebrated the Citrus Carnival on 30th August 2024, aiming to educate learners about the health benefits of citrus fruits through a fun and interactive activity. Learners brought various citrus fruits from home, including oranges, lemons, sweet limes, and pomelo, which were assembled in a basket placed in the foyer area. During the assembly, Ms. Abigail explained the numerous benefits of citrus fruits and the crucial role of vitamin C in maintaining a healthy diet, encouraging learners to incorporate these fruits into their daily meals.

Following the informative session, learners participated in a hands-on juicing activity, transforming whole fruits into fresh juice and enhancing their learning experience. The freshly made citrus juices were served, and the Carnival was a resounding success, offering both enjoyment and valuable insights into healthy eating. We extend our sincere thanks to all the parents for graciously sending fruits with their learners, which greatly contributed to the success of the event.

As we conclude this edition of Spotlights, we extend our heartfelt gratitude to all the learners, facilitators and parents for their unwavering support and enthusiasm. Each story shared and every event covered in these pages are a reflection of our vibrant school community and its relentless pursuit of excellence.

We look forward with excitement to the next volume, where we will continue to celebrate the achievements, creativity, and spirit of Auxilium International School. The journey ahead promises to be just as inspiring and extraordinary. Stay tuned for more memorable moments!

Until then, keep shining bright and making every day extraordinary!

Warm regards,
The Spotlights Team
