A high school graduate enrolled in and accepted to an accredited two-year or four-year college or vocational-technical program will receive **\$2,500.00** towards their future education. A student continuing their education in college or vocational-technical program will receive **\$2,000.00**.

Please see the attached application form. You can access the application form online at <https://ebenezerlakestevens.org/education>. The form can be filled out in just a few minutes, so we want to encourage you to complete it today and return it to the church by **May 5th, 2026**.

You may drop off the application in the church office or mail it in by USPS.
