

Our Marriage Relationship to the LORD

The issue is not the law or contract of marriage, but rather the true health and functionality of the relationship.

Anytime we move away from the fundamental and most essential aspect of relationship with the LORD, we reenact the “garden of Eden” by turning to our own understanding. This leads to becoming our own gods. Which leads to sin and death. Remembering that biblical death is better understood as “separation” or “to be out of touch with our environment.” It is in reality **the death of a relationship**.

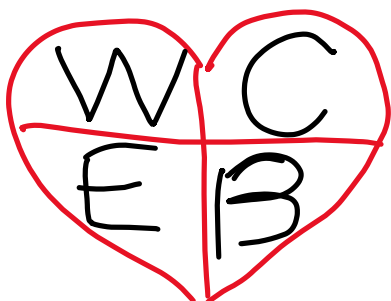

Just recently the Lord revealed a truth to me I had not seen before. It has been hiding in plain site, and is a game changer when fully comprehended. Christians have for centuries viewed “The Law” with a spiritual and Biblical connotation. They commonly substitute “The Ten Commandments” and rabbinical traditions for “The Law”. In doing this they believe that they are free from the law, not needing to observe Hebraic Holidays, and knowing that they are “saved by grace” and not by following or keeping these religious commandments.

But the Lord said, “How you understand anything, becomes “Your Law”!!! Whether politics, music, relationships, current events, world history, science and most especially “the Bible” Your understanding becomes “Your Law”. The forbidden fruit of the Garden was not knowledge.... It was the “knowledge of good and evil”. Knowing fruit and trees and animals and love and wind and warmth and the beauty of Yaweh’s creation was not the issue. The “knowledge of good and evil” implies judgement. It is the false assumption that your comprehension of anything is the whole truth of the matter. It makes us feel like God to judge any person or issue, and we become instantly addicted to the intoxicating sense of absolute control.

The simple truth is that we are incapable of complete knowledge and understanding of anything. Whether simple or complex, we only can see and understand a very small percentage of the total picture. Only the Eternal and Omniscient God can in reality **know all things**. He alone can judge with perfect accuracy and love in spite of any and all faults and defects. Only when Job began to see how completely perfect and powerful God was and how weak and silly he was, did he surrender his control to his loving Father. Job poured dust on himself to show that he was indeed dust and ready to be buried. Finding rest in his death (losing confidence in the flesh ala Philippians 3:3)

he gained the open eyes of the **heart** Paul prayed for us to receive in Ephesians 1: [17](#) *“That the God of our Lord Jesus Christ, the glorious Father, may grant you the Spirit to give **wisdom and revelation which come through a growing knowledge of Him, [18](#) by having the eyes of your hearts enlightened**, so that you may know what the hope is to which He calls you, how glorious rich God's portion in His people is, [19](#) and how surpassingly great is His power for us who believe, measured by His tremendously mighty power [20](#) when He raised Christ from the dead, and seated Him at His right hand in heaven, [21](#) far above every other government, authority, power, and dominion, yea, far above every other title that can be conferred, not only in this world but in the world to come.*

The LORD taught me that even as the human heart has 4 chambers so does the Biblical use of the word “Heart”. When the scripture says “heart” it is referring to the “SOUL + CONSCIENCE”. Since the SOUL consists of the Will, the Emotions and the Brain we get a picture which is always worth 1,000 words.

The CONSCIENCE is the complete LOGOS of GOD which He has set in every Mans HEART ala Ecclesiastes 3:11 “He has made everything beautiful in Its time. He has also set eternity in the hearts of men....yet they cannot Fathom (because they are incomplete) the work that God has done from

Beginning to end (eternity). CONSCIENCE in Greek is “Soonydasis”
Which means “To see or know **WITH** or **TOGETHER**”

In Romans 2:14 it explains, “For when the Gentiles, which have not the law, do by nature the things contained in the law, these, having not the law, are a law unto themselves: 15 Which shew the work of the law written in their **HEARTS**, their **CONSCIENCE** also bearing witness, and their thoughts the mean while accusing or else excusing one another;) 16 In the day when God shall judge the secrets of men (Remember the secrets are why Adam hid) by Jesus Christ according to my gospel.

All humans are born spiritually dead having lost the union with Yahweh. Romans 5:12 “Wherefore, as by one man sin entered into the world, and death by sin, and so death (death means separation from your rights and your environment) passed on to all men, for all have sinned

Our soul is a **WEB**. It is intricately designed with ethereal elegance and sophisticated structure. But it is where the “Viper” resides and is a trap used by this creature to lure and capture prey. When trapped in the sticky net the viper can inject his venom which paralyzes the victim so that the viper can now slowly eat him alive which is both tastier and more gruesome. I am reminded of the **World Wide Web** which is the “pseudo-soul” a real antichrist trinity **WWW**. Look how this silicon soul is through the numbing of the Conscience, our inherited remnant of His Spirit which the LORD in His grace and wisdom left in all his living piles of mud (Adam means red soil and in the Hebrew letters spells God’s Blood) the A or Aleph represents the Almighty Father and the Dom means blood in Hebrew Dalet Mem.

We are carbon based biologically as is all life forms both animal and vegetable. Interestingly the closest element to carbon is.....wait for it.....**SILICON!!!** Have you heard of “Silicon Valley”? Have you heard of debates and speculations concerning the potential and imminent replacement of Humanity with “Artificial Intelligence.” Have you notice how from almost infancy your children and grandchildren take to electronic images more readily and with more ease than they do new people, or sometimes even you??? The enemy is successfully preparing the next generation to prefer electronics over humanity.

Perhaps one of our greatest weaknesses and inclinations is our desire to control. The more instant and quickly something responds to OUR WILL, the more addicted to it we become. There are only two primal forces at battle in our total experience to give us the power to live LIFE. They are not LOVE and HATE...they are LOVE and FEAR. When we lost our marriage union with Yahweh in the Garden (by breaking the one and only request of God’s Ketubah i.e. His marriage covenant) we immediately became in a deep relationship with fear. Adam and Chavah (which means “life” in Hebrew) hid themselves in shame which is merely fear of being exposed and found out. That is why in AA wisdom it is said “You are only as sick as your secrets!!!) “Adam....where are you???” He should have answered, “I am lost without You!!!

By losing Union with God, Adam and Eve lost their Spiritual marriage which gave them the power of spiritual Perception and Intuition. I Corinthians 2: says “The NATURAL man (in Greek it is the “Psyukikos” man or the “Soul” man) cannot PERCIEVE the things of God because they are SPIRITUALLY PERCIEVED/DISCERNED’. The LORD did promise them that they would die the day they ate that fruit for their intent was to divorce God and take full control of their lives fully assured that they could trust themselves for preservation but not the mysterious God who said He loved them but gave them this one unbearable (sarcasm intended) rule to follow.

They were promised to be like God knowing Good and Evil, what they were not told was that because they were finite and mortal, they could only receive a small amount of wisdom and knowledge for they were designed as parts of GOD not GODS in themselves. Incomplete knowledge is all any human is capable of. Did you realize that a thorn is an “incomplete” branch and a thistle is a noxious weed. That is why the curse contained “thorns and thistles”. The ram which substituted for Isaac got caught in the thorns and the Lamb of God wore a “Crown of Thorns” representing the incomplete thoughts surrounded the heads of the ones He is soon to redeem. We are “incomplete” without Him and He allows us to suffer through our own choices as our will is stubborn and seduced into believing it knows more than it does, or that you love yourself more than God loves you!!!

Our spirit is also a tripartite entity consisting of the Conscience, the Union/Marriage and the Perception/Intuition. This spells CUP and truly is the resting and resting place for the Holy Spirit of GOD. Proverbs 20:27 confirms

So any understanding that we develop, discover and cling to that is not by “revelation” from the Spirit of God is in fact our own “Law” and when we turn to the law (especially our own) we are cut off from grace.

Galatians 5:4 “For if you are trying to make yourselves right with God by keeping the law, you have been cut off from Christ! You have fallen away from God’s grace.”

There are as many laws on earth as there are people. That is why we have over 40,000 denominations in the so called “church”. Strong minded men receive what they believe is a fresh and new understanding of a doctrine or experience. Now they have some new tablets to gather around and then vehemently proclaim their new law to some weak and needy people who like most sheep are dumb and need a shepherd. Surrounded by “yes men” (and mostly women) they cut out the voices to any critics and feed on their own inordinate need to be special. Because they are “special” they get the platform, the mic, the lights and the loving adoration of their followers (and swallowers).

What these addicts need is a small circle group (AA style) filled with other Ego Anonymous members who can cut them open (the circle circumcises) and have the “Living Word of God” that is the Holy Spirit of the Lord dwelling in each member reveal the intents of their hearts. ***Hebrews 4:12 “For the word of God is living and active and sharper than any two-edged sword, and piercing as far as the division of soul and spirit, of both joints and marrow, and able to judge the thoughts and intentions of the heart.”***

In a rare glimpse into a first century meeting of the ecclesia, Paul describes the proper flow of a meeting of equals (Ephesians reminds us that each Christian is a multi-billionaire in Christ) where prophesy is the most sought after gift. Not the fortune telling, prognosticators of today who would be stoned in the time of Moses, but from the root of the word “Prophesy” meaning to bubble up. When moved upon by the Spirit of the Lord, the prophet (not office but function) would simply repeat the words God was speaking to His Beloved. Because we all are under our own “law of understanding”, Paul insisted that when this beloved one spoke, all (that means all) would and should judge the authenticity of the word.

1 Corinthians 14:26 “²⁶Well, my brothers and sisters, let’s summarize. When you meet together, one will sing, another will teach, another will tell some special revelation God has given, one will speak in tongues, and another will interpret what is said. But everything that is done must strengthen all of you.

²⁷No more than two or three should speak in tongues. They must speak one at a time, and someone must interpret what they say. ²⁸But if no one is present who can interpret, they must be silent in your church meeting and speak in tongues to God privately.

²⁹Let two or three people prophesy, and let the others evaluate what is said. ³⁰But if someone is prophesying and another person receives a revelation from the Lord, the one who is speaking must stop. ³¹In this way, all who prophesy will have a turn to speak, one after the other, so that everyone will learn and be encouraged. ³²Remember that people who prophesy are in control of their spirit and can take turns. ³³For God is not a God of disorder but of peace, as in all the meetings of God’s holy people.

Do you know any “church services” practicing what is a very clear directive from the Apostle Paul they so vehemently honor. No, you only have the “Best the Blessed and the Beautiful” uninterruptedly proclaiming “Their Understanding” i.e. “Their Law”. The truth is everyone would be better served just

reading the “Words” of scripture that God already approved. Fellowship is for the circumcising of our flesh and the humility that comes from sharing our intimate fears, faith and failures with our brothers and sisters. We all have the same amount of Christ in us. We must give each one a chance and platform to release the beauty of their inner life. Satan is shamed by the love that God has for us weak and imperfect vessels. As we honor the Christ in each other giving more attention to the weaker ones, we are fulfilling Christ’s High Priestly Prayer. John 17:22 “I have given them the glory you gave me, so they may be one as we are one. [23](#)I am in them and you are in me. May they experience such perfect unity that the world will know that you sent me and that you love them as much as you love me. [24](#)Father, I want these whom you have given me to be with me where I am. Then they can see all the glory you gave me because you loved me even before the world began!

[25](#)“O righteous Father, the world doesn’t know you, but I do; and these disciples know you sent me. [26](#)I have revealed you to them, and I will continue to do so. Then your love for me will be in them, and I will be in them.”

He joined us by becoming flesh and became human, Philippians chapter 2:5-11, “In your **relationships** with one another, have the same mindset as Christ Jesus: [6](#)Who, being in very nature ^a God, did not consider equality with God something to be used to his own advantage; [7](#)rather, **He made himself nothing** by taking the very nature ^b of a **servant/slave**, being made in human likeness. [8](#)And being found in appearance as a man, he humbled himself by becoming obedient to death—even death on a cross! [9](#)**Therefore** God exalted him to the highest place and gave him the name that is above every name, [10](#)that at the name of Jesus/Yeshua(the Lord Saves) every knee should bow,in heaven and on earth and under the earth, [11](#)and every tongue acknowledge (to recognize the rights, authority, or status of) **that Jesus Christ is Lord**, to the glory of God the Father.”

He also **joined** us in baptism. He graciously stood in the waters of baptism with the sinners. It is there that He identified with us and then surrendered to his Father. In that place of humility and grace towards us His Father shouted out His approval for His Son.

He fulfilled the law for us, so that by marrying Him, he could then give us the rights and authority of His Name. So the blessings of God can now flow by discerning His body as our husband and your body as His wife. First Corinthians 11 and in Romans chapter six. We must therefore reckon, realize, bring into reality, embrace and yield to the absolute fact that we **have died with Him**.

By coming into union with his death we have legally **ENDED OUR RELATIONSHIP** with the law. This attraction to that which suggests to us that it can make us healthy, happy and avoid death.

Romans 7:4 “So my brothers, you too in the body of Christ have **ENDED YOUR RELATIONSHIP** to the law, so that you may be married to another HUSBAND, to him who was raised from the dead, in order that we might BEAR FRUIT for God. “

Galatians 3:[15](#) “Brethren, I speak in terms of human relations: even though it is only a man’s covenant, yet when it has been ratified, no one sets it aside or adds conditions to it. [16](#) Now the promises were spoken to Abraham and to his seed. He does not say, “And to seeds,” as referring to many, but rather to one, “And to your seed,” that is, Christ. [17](#) What I am saying is this: the Law, which came four hundred and thirty years later, does not invalidate a covenant previously ratified by God, so as to nullify the promise. [18](#) For if the inheritance is based on law, it is no longer based on a promise; but God has granted it to Abraham by means of a promise.

19 Why the Law then? It was added because of transgressions, having been ordained through angels by the agency of a mediator, until the seed would come to whom the promise had been made. **20** Now a mediator is not for one party only; whereas God is only one. **21** Is the Law then contrary to the promises of God? May it never be! **For if a law had been given which was able to impart life, then righteousness would indeed have been based on law.** **22** But the Scripture has shut up everyone under sin, so that the promise by faith in Jesus Christ might be given to those who believe.

23 But before faith came, we were kept in custody under the law, being shut up to the faith which was later to be revealed. **24** Therefore the Law has become our tutor to lead us to Christ, so that we may be justified by faith. **25** But now that faith has come, we are no longer under a tutor. **26** For you are all sons of God through faith in Christ Jesus. **27** For all of you who were baptized into Christ have clothed yourselves with Christ. **28** There is neither Jew nor Greek, there is neither slave nor free man, there is neither male nor female; for you are all one in Christ Jesus. **29** And if you belong to Christ, then you are Abraham's descendants, heirs according to promise."

Marriage Ketubah sworn to by the Bride and Groom, depicted by the Torah the first 5 books of the Old Testament and fulfilled in the Book of the Revelation.

It's all about our Marriage Relationship to Him!!!

"Righteousness is the ability to stand in the presence of God , without any sense of guilt, condemnation or inferiority!"

Since according to Romans 7 verse 4 we are now married to Him who was raised from the dead then in our spiritual womb, in union with our spiritual legs, the sperma of God fertilizes then we become pregnant with Yeshua. We like Miriam (Mary) are proposed to by the LORD. We are asked "Would you help Me bring My Son, your Messiah into this sin sick and needy world?"

So faith is really the offering of our free will , the original and greatest gift in all of creation. That which God Himself refuses to touch, but will choose Himself to try and affect through any and all means necessary. We are more blessed than the angels who have choice but no redemption. We get to not only choose, but are graciously rescued by God's Son. Who offers Himself as our substitute, bearing our infirmities and fulfilling the righteous requirements of the very law we chose to become entangled with in the beginning. Satan tried to seduce us into forfeiting God's desire to have union with us and to die doing it. The fear of an unguarded relationship with the Diety was what Satan smelled as the weak spot and then suggested to bring it to arousal.

Fear always leads to an attempt to control the situation. The sure symptom of a fear based personality is control issues. We have to gain the advantage to bring it in our favor. Stack the odds on our side or reduce our world to a postage stamp so we can guard it successfully. The paradox is that we were created for rest. Adam is created at the end of the 6th day purposely and symbolically. His input was not required by Yehovah, there would be no suggestion box to slip a correction or two into. But also he was born to have for his very first experience with God's Kingdom.... REST. Shabbat *The Hebrew letters tell us that Shabbat means*

"To return to the Covenant, or in Paleo Hebrew, return to the Cross."

שבת

✝

The Shabbat is not a day or an action but a Person.

The letters also say "To Destroy"   "The Son"   "On the Cross"  

Why did Satan drive us into an intimate relationship with the law? That is "The **knowledge** of Good and

Evil". The Hebrew root of this word in Genesis 2:17 Is Yada  ! It is the word used by the LORD to depict marriage intimacy. "And Adam knew his wife and she conceived."

It was only in my favorite translation of the New Covenant, "the Williams Translation", that our involvement with the law or rules was defined as a relationship. That is why the LORD is so adamant about having us relate to Him by a faithful act of our free will to accept union with Him which will allow Him to possess our bodies like the Husband He is and give us new life.

Romans 7:4 "So my brothers, you too in the body of Christ have **ENDED YOUR RELATIONSHIP** to the law, so that you may be married to another HUSBAND, to him who was raised from the dead, in order that we might BEAR FRUIT for God." Williams New Testament.

When the Lord recovered me from the deepest depression I've ever seen or ever known. He did it by telling me to open myself up to Him. Let Him love me every morning. Not to pray or to ask him for anything. But to focus on Him loving me, **not me loving Him....** but Him loving me. As I struggled to do that morning after morning I started to become aware of a presence and a peace that began to pursue and follow me. When the LORD is your Shepherd..."Goodness and mercy follow you". Almost constant fear, dread and thoughts of hopelessness began to become replaced by a sense of peace and well-being.

I demanded, yes I am an arrogant fool!!! That He give me scriptural proof that Him loving me must come before me returning love to Him. In a flash He said, "I John 4:10" "In this way is seen the true love, **NOT THAT WE LOVED GOD**, but that **HE LOVED US** and sent His Son to be the atoning sacrifice for our sins."

I John 4:15-16 "Whoever owns that Jesus is the Son of God, God remains in union with him and he in union with God. So we **KNOW BY EXPERIENCE** and **TRUST** the **LOVE** that God has for us". Williams Translation

He led me in my quiet time, to meditate/relive the movie "The Passion of the Christ". But he did not direct me to the crucifixion of his dear Son, but he pushed me towards the whipping post. Mel Gibson's depiction of Christ receiving the stripes on his back with a whip, made up of bone shards another sharp materials was horrifyingly realistic. Many times while remembering that scene I would wince and physically shake. It was as if the Holy Spirit was helping me to experience some of what the son of God was going through. What was really quite amazing was that this became a doorway into the **Father's heart**. Because of the tragedies in my life and my depression, I had lost all sense of my heavenly Father's love protection and caring. Suddenly there was a deep connection with Him. It was as if I was sharing His heart and he was appreciating someone who cared enough to discern the body of Christ. This is what Paul is talking about in first Corinthians 11.

And so, the scripture comes to mind "If you suffer with me, you will also reign with Me". Within weeks what had been almost a year of incapacitating depression, was suddenly a doorway into a new world and a new reality. Prayer and therapy, family and friends, drugs and hugs could not lift me from the deep depression I had sunk into. The answer was simple. **Let Him love me**, totally forget about loving Him, performing for Him,

analyzing why I lost all the things I lost, stop feeling guilty about bad mistakes and re-running tapes that would never end trying to go into the past changing decisions that I felt had caused much tragedy in my life.

Very simply we are damaged goods. We are full of sin and foolishness. We make mistakes big, small and often. He alone is God and we have not made ourselves. Our free will and our God playing egos have ruled our lives and created the **“Kingdom of Chaos”**. But we have a high priest who is not ignorant of all of our temptations and frailties who **experienced them all** and yet was without sin .

The return back to God must be an honest one. It must be the choice of a free person. But we are not free until we experience, in reality, that he is God and we are not. He can become man, but we cannot become God. The good news is that we have been called to be sons and daughters of the living God. In our resurrected bodies, we will put on immortality and we will be the Bride of Christ. We will sit at the marriage supper of the lamb. We will inherit bodies that no longer have the desire for darkness or sin. That is the real born again experience. Down here we only get a foretaste, a deposit, a down payment, which is the Holy Spirit dwelling inside of us.

In his infinite wisdom he does not remove the old sinful nature. So Paul says I die daily. And every day that we wake up we have a choice to make. The old man or the old woman in you wants to take back life and run to sin pleasure independence stubbornness egoism self-will possessions and materialism. First thing in the morning we need to make that choice every day. Alcoholics Anonymous has it right it is one day at a time. We cannot surrender a whole lifetime, but we can surrender the day. But our surrender will not be real or effective, until we have come to the realization that we are hopeless and helpless against our tendency to sin. Any attempt to fix ourselves, council ourselves, medicate ourselves and train ourselves is returning to the garden and the knowledge of good and evil. They are merely adulterous solutions that we can control. Our involvement with them, denies our **total reliance on God’s Holy Spirit**.

Even our surrenders can be tainted by an adulterous friendship with our will power. Ephesians 2: 4- 9, ***But God, being rich in mercy, because of the great love with which he loved us, even when we were dead in our trespasses, made us alive together with Christ—by grace you have been saved— that Christ has raised us up with Him and seated us with him in the heavenly places so that in the coming ages he might show the immeasurable riches of his grace in kindness towards us in Christ Jesus. For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not the result of works, so that no man may boast”***.

In Revelation chapter one John does not surrender. He sees the risen, glorified Christ in full power and awesome brilliance. He falls down like a dead man. That’s surrender, actually, that’s being SURRENDERED!!! When we get a glimpse of Yeshua, a revelation of His true deity and nature we are surrendered. We cannot boast for we fall powerless. The incredibly gracious response of our Lord Jesus is enough to carry us through the rest of this climactic and sometimes terrifying book. He raises John up and from the nuance of the Greek verbiage says, **“Never, ever, ever, ever, ever be AFRAID AGAIN!!!!!!**

In the same manner Job had thought of himself as having chosen to surrender to God his whole life. It takes a whole book of humbling actions and tactics used by our enemy to bring the worse out of our hero. He justifies, complains, calls foul play and even invites Yehovah to come down as a man so he can punch Him. The LORD never answers any of Job’s questions but instead asks him close to a hundred. The questions are designed to impress upon Job the reality we have already stated. Me God you jerk! Over and over again the LORD demands “Where were you Job, when I fill in the blanks..... But the tactic works perfectly and Job responds with an

action which proves he now gets it. He throws dust on himself thereby declaring himself dead and ready for burial. He has acknowledged that from dust he came and to dust he must return.

He comes to reality. Like the woman at the well he becomes one who can now worship in spirit and in truth. I believe that the best translation of truth in the Greek is REALITY. You say what's so great about reality. It is painful and often bleak. It is like Neo in the Matrix, waking up from his fake electronically fabricated life into the stark, metallic, ugly and dangerous battle with the Computers. The computer is the fully developed realization of the knowledge of good and evil. And the cell phone is just a computer that you can NOW BE INTIMATE WITH!!!

All computer systems can be fundamentally reduced to the simple binary language which only knows Zeros and Ones. Through the intricate manipulation of mathematical magic we can communicate with this dead machine. It contains all the knowledge of our feeble, proud and self-centered civilization which is bent to remove any trace of the knowledge of God relegating us to fantasies that infer life can come from rocks, and man is evolving slowly into godhood.

It is the ultimate distraction and is our own personal hypnotic devise. We are lulled into thinking we are smart because we can read Google. We can pretend to draw. Create images and music with other people's talent and fool ourselves into thinking anybody really cares that we are getting coffee at Starbucks!!!

CONCLUSION:

“THAT WE MAY LIVE IN HIS PRESENCE” That is the heart and desire of the LORD!!!!

It's not breaking His laws, it's breaking His heart that matters. Keeping His commandments really means treasuring them. The Torah we like to call “The Law”, but really it is “His Ways.”

It is His principles of living safe, happy and full in union with Him. They are His instructions and we are His disciples.

God's Children through Faith Galatians 3:23-29

23 Before the way of faith in Christ was available to us, we were placed under guard by the law. We were kept in protective custody, so to speak, until the way of faith was revealed.

24 Let me put it another way. The law was our guardian **until Christ came**; it protected us until we could be made right with God through faith. 25 And now that the way of faith has come, **we no longer need the law as our guardian.**

26 For you are all children of God through faith in Christ Jesus. 27 And all who have been united with Christ in baptism have **put on Christ**, like putting on new clothes. 28 There is no longer Jew or Gentile, slave or free, male and female. For you are all one in Christ Jesus. 29 And now that you belong to Christ, you are the true children of Abraham. You are his heirs, and God's promise to Abraham belongs to you.

Works is only works when we are not in union with Him. His grace diffuses our natural spirit of **rebellion derived from our fear based experience** of our reality. Keeping His commandments is rooted in holding them sacred in our hearts as I hold the memories of my beautiful daughter. We cannot in our "Old man" do the commandments for we have inherited the fear and rebellious nature of Adam. Only by "seeing" the undeserving love of the Father through the sacrifice of the Son can we 3D print a new reality where we are weak and sinful but loved and **"Accepted in the Beloved"** Love covers a multitude of sin because God truly loves us. Experiencing His devotion toward us woe our starving hearts to surrender to the Lover of our souls..

Shalom Beloved <><
