Philosophy for the Midwest Person of Leather Contest and Title

The Midwest Person of Leather Contest is a celebration of the diversity in the Leather community. The title of Person of Leather exists to promote that diversity.

The Owner and Producer of the Midwest Person of Leather Contest (MWLKA) is committed to providing the Leather/BDSM/Kink communities with a Midwest Person of Leather who will represent the Leather lifestyle with integrity and competence. The holder of the Person of Leather title will be spokespersons for the Leather community, and as such, one of the most important attributes of the titleholder should be the ability to clearly and effectively communicate what it means to them to live and identify as Leather.

It is expected that the holders of the title will take every opportunity to educate the Kink/Leather/BDSM community about the Leather lifestyle and will actively seek out venues that will allow them to, whether that be through speeches, seminar presentations, participation on panel discussions, etc.

Midwest Person of Leather will be selected not based on gender identity, sexual orientation, race, physical appearance, age, or disability, but rather on their ability to articulate their views, passions, and dedications and to make an impact in their communities. We expect the Midwest Person of Leather to act as mentor, educator, role model and spokesperson throughout their title year.

The Midwest Person of Leather Contest is accessible, ethical and all contestants are treated with kindness and respect. Midwest monitors the State contests to be sure that they also have this level of integrity.

Requirements for Contestants

1. A contestant must self-identify as a Person of Leather and have been a member of the Leather Community for a minimum of 5 years.

12. The Midwest PoL titleholders are representatives of the entire Leather community. As such, the titleholders must protect MWLKA and the title and community from unfavorable publicity or focus. This means titleholders may not be able to participate in activities or take positions that they otherwise were free to do before winning the titles. Examples include: appearing as an expert witness in a trial on the issue of what constitutes abuse in the SM community; agreeing to be interviewed by the vanilla media regarding the title and the Leather community; taking a lead position on issues of significant controversy in the Leather community. Any questions regarding whether or not an activity could unfavorably impact the title should be immediately directed to the Owner/Producer. The Owner/Producer retains the right to review any use of the Midwest POL logo and to rescind permission to use the logo for any reason and at their sole discretion.

About the Contest and Weekend

Competing in a leather contest is an exhilarating – and exhausting – experience. It often is helpful for a contestant to bring someone with them as a support system/assistant for the weekend. Anyone assisting a contestant at MWPoL may do the following:

- Accompany the contestant to the contestant’s meeting;
- Stay with the contestant outside of the interview room during the interviews;
- Stay with the contestant outside of the presentation room;
- Assist the contestant before the contest in the dressing room. (Due to space constraints and safety issues, assistants are not allowed backstage with the contestants during the contest.)

What You Can Expect of the Judges at the Midwest Person of Leather Contest

- Judges are expected to treat the contestants with kindness and respect.
- We do not tolerate discrimination of any kind at Midwest Person of Leather.
- Judges will arrive on-time and participate fully in each judging component.
- Judges will observe the contestants before MWLKA out and about at other events as well as social media.
- Judges will research contestants and learn about them prior to arrival at MWLKA.
- Confidentiality is of primary importance. We require that Judges hold in confidence all information they receive about the contestants and do not discuss this information outside of Judge deliberations before, during and after the contest including with contestants. Toward this commitment, all Judges are required to sign a written agreement to not share information regarding the contest or the contestants outside of the judging process.
- Judge scores will be provided to the contestants who request them within 1 month of the contest conclusion. Scores will be anonymous with judge identification redacted.

Grievance Process

- We realize that contestants are under a lot of pressure during the contest process and may be hesitant to approach the contest staff to report inappropriate behavior by a judge. We strongly encourage contestants to speak to the Contest Director immediately should they feel they have been treated inappropriately. We commit to keep your reporting in confidence and protect you in a manner that you consent to. Midwest Leather Kink Alliance is unable to take action if nothing is reported. We encourage contestants to trust this process and speak with the Contest Director.

The Structure of the Midwest Person of Leather Contest

1. There are seven judges for the Midwest Person of Leather Contest. The high score and low score for the contestants in each judging category will be thrown out and the remaining five scores will be averaged, giving a single score per contestant for each category. The contestants' scores for the five categories then will be added to give a final overall score. A perfect score would be 500. The contestant with the highest overall score is the winner.
2. In addition to their performance in the judging categories, two other aspects of the Midwest PoL Contest will impact a contestant's score:
 - Meeting Contest deadlines/complying with Contest rules: Contestants are required to meet all Contest deadlines, including but not limited to timely submittal of the Contest Application, complete information on Contest Application, submission of references, information on the item the contestants are required to submit for the Silent Auction, and attendance at all required Contest rehearsals and meetings. Failure to comply with any Contest rule or deadline will be reported to the judging panel. The judges may use this information as a part of the interview of the contestant and may factor this information into their scoring at their discretion
 - During the Thursday night Meet and Greet, each contestant will be given the opportunity to introduce themselves. Each contestant will have a maximum of 1 minute to make their introduction. The form and content of the introduction is up to the contestant; however, props or sets of any kind are not permitted. While there is no deduction for too short or too long of an introduction, the contestant's representation goes to the Leather Lifestyle with regard to how the contestant presented themselves on stage.
3. If a judge becomes incapacitated during the Midwest Person of Leather Contest, or if for any reason the Owner/Producer in their sole discretion determines a judge is unable or unwilling to carry out their duties as a judge, that judge will be withdrawn from the Contest and their scores will be discarded. The remaining 6 judges will continue to score the Contest under the Olympic scoring system, with the high and low scores of the remaining 6 judges dropped from the calculations. The Owner/Producer reserves the right to define the duties of a judge of the Midwest Person of Leather Contest and to determine if a judge is able and/or willing to carry out those duties. The Owner/Producer further retains the right to remove from the judging panel any judge who in their judgment is unable carry out those duties.
4. In the event of a tie score between two or more contestants, the winner will be the one with the highest overall score, without using Olympic scoring. Thus, in the event of a tie, the scores of the tied contestants in each of the 5 contest categories will be recalculated, without dropping the high and low scores. The resulting composite scores for the tied contestants then will be averaged, again without dropping the high and low scores. The contestant with the highest overall non-Olympic score will be the winner.

5. If there is only one contestant running for the Midwest POL title, they must receive a final overall score equal to at least 70% of the total possible. A perfect overall score would be 500; thus, the contestant must receive a final overall score of 350 in order to be awarded the title.

Judging Categories

1. Speech (100 points)

- Each contestant is required to give a short speech (2 minutes or less) on the topic of their choice.
- No props or sets may be used during a contestant's speech.
- If a contestant's speech exceeds 2 minutes, the contestant will be allowed to continue with a live mic and the tallymasters will be notified that the contestant went overtime. The judges will not penalize the contestant for going over and will judge them on the quality and content of the speech only. The deduction will be made by the Tallymaster to the final composite speech score as follows:
 - Overtime by 1 seconds to 15 seconds No penalty
 - Overtime by 16 seconds to 60 seconds 5 points deducted
 - Overtime by 61 seconds or more 10 points deducted
- The contestant is permitted to have helpers in the audience indicating time markers during the speeches. The judges will not penalize the contestant in any way for making use of timekeepers

- The Contestant Interviews are open to all persons registered for Midwest Leather Kink Alliance. However, handlers, support persons, etc. for contestants may only attend their own contestant's interview.

3. Presentation (100 points)

- The presentation category is designed to judge the contestant's ability to speak in a seminar type format on Leather and BDSM. The contestant is required to make a brief (no more than 10 minute) presentation on any topic relating to Leather or BDSM.
- The contestant is permitted to use a device to aid them in keeping time during their presentation and will not be penalized in any way for doing so.
- The Contestant is permitted to use props or visual aids in their presentation but are not required to do so. The Midwest M/s Contest will provide a flip chart and markers. The Contestant must provide handouts, props or visual aids, at their expense. Contestants are provided with 5 minutes to set up prior to the start of their presentation.

- The Contestant is permitted to use handouts but are not required to do so. If a contestant chooses to use handouts, it is the responsibility of the contestant to bring enough copies for at least the judges of the Contest. If a contestant chooses to use props or other visual aids, the contestant is responsible for obtaining and bringing those items, including any equipment necessary to present the visual aid such as a projector, screen, etc.
- At the end of a contestant’s presentation, the contestant will call for questions from the audience and manage the room recognizing audience members to ask their questions. Before beginning the Q&A session, the Contest Director will remind the audience that questions should relate to the topic of a contestant’s presentation. Handlers and support team are not permitted to ask questions.
- Questions must relate to the presentation topic.
- Judges will not ask questions of the contestant in this judging category unless there are no questions from the audience.
- The Contest Director will monitor the question-and-answer time, and their decision on the propriety of a question from the audience or judges is final. The time for questions and answers will not exceed 5 minutes for any contestant.
- The purpose of allowing audience questions during the Presentation Category is to allow the judges to evaluate the contestant’s ability to think on their feet and respond to the kind of questions likely to be asked of the titleholders when they speak on Leather and BDSM to the community in an educational setting. It is not intended as an opportunity for the audience to “sandbag” any contestant or to attempt to help out one contestant at the expense of another.
- If the presentation exceeds 10 minutes, the contestant will be allowed to continue and the tallymasters will be notified that the contestants went over time. The presentation will not be interrupted. The judges will not penalize the contestant for going over and will judge them on the quality and content of the presentation only. The deduction will be made by the Tallymaster to the final composite presentation score as follows:

Overtime by 1 seconds to 15 seconds	No penalty
Overtime by 16 seconds to 60 seconds	5 points deducted per contestant going over
Overtime by 61 seconds or more	10 points deducted per contestant going over
- The Contestant Presentations are open to all persons registered for Midwest Leather Kink Alliance. However, handlers, support persons, etc. for contestants may only attend their own contestant’s presentation.

4. On-stage (“Pop”) Questions (75 points)

- The contestant will be asked a “pop” question, which they must answer on stage. These kinds of questions often tend to evoke humorous responses from contestants. The questions will be provided by the judges and/or Owner/Producer of the Midwest Master/slave Contest, Midwest Person of Leather contests.

5. Leather Lifestyle (75 points)

- Contestants will be observed by the judges throughout the weekend, both in and out of formal contest events, and will be judged on how they present themselves and interact with the public, how they interact with their fellow contestants, and how they represent themselves as a Person of Leather.
- Judging in this category begins Thursday evening when the contestants meet the Judges. The judging sheet for this category will be turned in at the end of the contest on Saturday night, to be tallied with the scores for the other categories.

The MWMs MWPoL Travel Fund

Funding for the MWMs/MWPoL Leather Travel Fund comes entirely from community-driven efforts, including the *MWLKA Silent Auction*, and direct donations from MWLKA attendees. 100% of the proceeds from these fundraising activities go directly into the MWMs MWPoL Travel Fund.

While contestants are not specifically judged on how much they raise, the judges may observe each contestant's level of participation in fundraising activities.

Contestant Fundraising Responsibilities

- **Silent Auction:** Contestants are required to provide a basket or baskets to be auctioned off. The basket is made up of several items in a "gift basket." Multiple baskets are permitted but not required. The basket need not be large or expensive but should be something that represents the contestant, their State or the spirit of their State contest. The table space in the Silent Auction provided for each contestant is approximately 3' x 3'. The Silent Auction Team will work with the contestants to be sure their basket is well represented and beautifully presented. Baskets may be divided into multiple individual items to be bid upon as determined in collaboration by the contestant pair and the MWLKA Silent Auction Coordinator.
