

## Professional background/

In my professional career, I have had the opportunity to develop both my consulting and leadership skills in a wide variety of constellations, be it in large international companies, in SMEs or in my own company. These experiences have turned me into an entrepreneurial industrial and organizational psychologist with international line management experience, who enjoys working in organizations with a keen sense for people.

Founder, Autherra Consulting GmbH  
Managing Partner, Manres AG  
Partner, Leaders Solutions AG  
Founder and Partner, yourresources ptd ltd.  
Managing Director, HSBC Holdings plc Hong Kong  
Director, Credit Suisse AG Zürich and Singapore

## Education and training/

Federation of Swiss Psychology (FSP)  
Swiss Society for Coaching Psychology (SSCP)  
Executive Master of Business Administration (EMBA)  
University of Chicago, Booth School of Business  
Mediator IRP-HSG, University of St. Gallen  
Master of Science, Psychology, University of Zürich

## My DNA/

Everything I do, I do with passion and energy. I take an interest in people, treat them with genuine appreciation and actively listen to them.  
I am eager to learn, have a positive attitude towards change and consciously cultivate interpersonal relationships.  
I am driven by curiosity, my desire to constantly develop myself and the joy of achieving results (together).
