

Legal Notice

1. General information

In compliance with the applicable regulations on information society services, users of this website are informed of the following identification details of the website owner:

Website owner: Danae Urogenomics S.L.

Website: <https://durogenomics.com>

Contact email: info@durogenomics.com

Registered address: Calle Las Ruedas 2, 28260 Galapagar, Madrid, Spain.

Tax ID / CIF: B22646483

Company registration details: [To be included, if applicable]

This Legal Notice governs access to, browsing and use of the Danae Urogenomics S.L. website, as well as the responsibilities arising from the use of its contents, texts, images, designs, trademarks, logos, documents, forms and any other elements included on the website.

2. Purpose of the website

The Danae Urogenomics S.L. website is informational and corporate in nature. Its purpose is to present the company's activity, research lines, technology platform and molecular solutions aimed at the diagnosis, monitoring and therapeutic stratification of bladder cancer.

The information published on this website is primarily addressed to healthcare professionals, diagnostic laboratories, collaborating entities, investors and potential strategic partners.

The contents of this website do not constitute medical advice, individualized clinical diagnosis, therapeutic recommendation or a substitute for the assessment of a qualified healthcare professional.

3. Terms of use

Access to and use of the website grants the status of user and implies acceptance of this Legal Notice.

The user undertakes to use the website diligently, correctly and lawfully, in accordance with applicable legislation, good faith, public order and this Legal Notice.

The use of the website for unlawful, fraudulent purposes, purposes harmful to the rights or interests of Danae Urogenomics S.L. or third parties, or purposes that may damage, disable, overload or impair the operation of the website is prohibited.

4. Scientific and healthcare-related content

The scientific, technical or healthcare-related information included on this website is provided for informational, corporate and educational purposes only.

Danae Urogenomics S.L. makes reasonable efforts to ensure that the information published is clear, up to date and based on scientific sources, publications, technological developments or proprietary documentation. However, the evolution of biomedical research, healthcare regulation and clinical validation processes may require certain information to be modified, expanded or updated at a later stage.

The solutions, technologies or products described on this website may be subject to development, clinical validation, certification, regulatory approval or commercial availability processes depending on the applicable territory.

5. Intellectual and industrial property

All contents of the website, including but not limited to texts, images, designs, logos, trademarks, trade names, graphics, icons, documents, navigation structure, source code and other elements, are owned by Danae Urogenomics S.L. or by third parties who have authorized their use.

The reproduction, distribution, public communication, transformation, extraction, reuse or any other unauthorized use of the website contents is prohibited without the prior written authorization of Danae Urogenomics S.L., except in cases permitted by applicable law.

The names **Danae Urogenomics**, **BlaDimiR**, **BlaDimiRPLUS**, **BlaDimiRIO** and other distinctive signs used on the website may be protected by intellectual or industrial property rights.

6. Liability

Danae Urogenomics S.L. does not guarantee the continuous availability of the website or the absence of technical errors, interruptions, security failures or damages arising from the use of the website.

Danae Urogenomics S.L. shall not be liable for damages that may arise from improper use of the website by users, inability to access the website, the presence of viruses or other harmful elements, or errors or omissions in the contents when these are due to causes beyond its reasonable control.

Danae Urogenomics S.L. reserves the right to modify, update, suspend, limit or remove any content from the website at any time, without prior notice.

7. External links

The website may contain links to third-party websites, platforms, documents or resources.

Danae Urogenomics S.L. does not control and assumes no responsibility for the contents, policies, terms, availability or privacy practices of such external websites. Access to third-party links is carried out under the sole responsibility of the user.

The inclusion of external links does not necessarily imply recommendation, approval or any commercial or institutional relationship with the linked entities, unless expressly stated.

8. Personal data protection

The processing of personal data collected through the website is governed by the **Privacy Policy** of Danae Urogenomics S.L.

Users may consult this policy to obtain information about the data controller, purposes of processing, legal basis, recipients, retention periods and rights recognized under the applicable data protection regulations.

9. Cookies

This website may use first-party and third-party cookies for technical, analytical or measurement purposes, in accordance with the **Cookie Policy**.

Users may configure or reject the use of non-essential cookies through the consent management system enabled on the website, where applicable.

10. Communications

For any query related to this website, users may contact Danae Urogenomics S.L. at:

info@durogenomics.com

11. Applicable law and jurisdiction

This Legal Notice is governed by Spanish law.

For the resolution of any dispute arising from access to or use of the website, the parties shall submit to the courts and tribunals that are competent in accordance with applicable law.

12. Update of the Legal Notice

Danae Urogenomics S.L. may modify this Legal Notice whenever necessary to adapt it to regulatory, technical, corporate or functional changes affecting the website.
