3. REPRESENTATIONS, WARRANTIES, AND ACKNOWLEDGMENTS OF SUBSCRIBER

The Subscriber hereby represents, warrants, covenants, and acknowledges to the Company that:

3.1 Authority and Capacity

- (a) The Subscriber has full legal capacity, power, and authority to execute this Agreement and perform the obligations hereunder.
- (b) If the Subscriber is an entity, it is duly organized, validly existing, and in good standing under the laws of its jurisdiction of formation.
- (c) This Agreement has been duly executed and delivered and constitutes a legal, valid, and binding obligation of the Subscriber.

3.2 Accredited Investor Status

- (a) The Subscriber is an "accredited investor" as defined in Rule 501 of Regulation D under the Securities Act of 1933, as amended.
- (b) The Subscriber has provided or will provide satisfactory verification of accredited investor status as required by the Company.
- (c) The specific basis for accredited investor status is indicated in Section 4 below.

3.3 Investment Sophistication and Risk Acknowledgment

- (a) The Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of this investment in high-performance real estate development.
- (b) The Subscriber acknowledges that: (i) This investment is speculative and involves substantial risks, including the possible loss of the entire investment; (ii) The Units are illiquid and there is no public market for the Units; (iii) Transfer of Units is restricted by the Operating Agreement and applicable securities laws; (iv) While the management has extensive operating experience, The Company is a newly formed entity with limited operating history; (v) There can be no assurance of any return on investment or the projected 21.4% target ROI; (vi) Real estate development involves construction, market, financing, and regulatory risks; (vii) \$68,000 of investor funds will be deployed immediately upon closing for legitimate pre-development activities.

3.4 Investment Purpose and Holding Period

- (a) The Subscriber is acquiring the Units for investment for its own account and not with a view to resale or distribution.
- (b) The Subscriber understands that the Units must be held indefinitely unless subsequently registered under securities laws or an exemption from registration is available.
- (c) The Subscriber can afford to bear the economic risk of this investment and can afford a complete loss of the investment.
- (d) The Subscriber understands the 12-14 month expected timeline for project completion and return of capital.

3.5 Review of Offering Documents

- (a) The Subscriber has received, carefully read, and fully understands the PPM, Operating Agreement, and this Subscription Agreement, including the financial projections and energy market analysis.
- (b) The Subscriber has had the opportunity to ask questions and receive answers concerning the Company, the high-performance home development strategy, and this investment.
- (c) The Subscriber has had the opportunity to obtain additional information to verify the accuracy of information contained in the offering documents.

3.6 Independent Investigation and Advice

- (a) The Subscriber has conducted its own independent investigation and analysis of the Company and this investment opportunity, including the energy demand trends and market opportunity for high-performance homes.
- (b) The Subscriber has consulted, or has had adequate opportunity to consult, with its own legal, tax, accounting, and financial advisors regarding this investment.
- (c) The Subscriber is not relying on the Company or its affiliates for legal, tax, or investment advice.

3.7 Compliance with Laws

The Subscriber's purchase of Units will not violate any applicable federal or state securities laws or any other applicable laws or regulations.

3.8 Financial Information and Energy Market Understanding

- (a) All financial and other information provided by the Subscriber to the Company is true, complete, and accurate as of the date hereof.

(b) The Subscriber understands the energy demand growth projections and their impact on the value proposition of high-performance homes.

IMPORTANT LEGAL DISCLAIMERS

SECURITIES LAW NOTICE: The Units offered hereby have not been registered under the Securities Act of 1933 or any state securities laws. The Units are being offered and sold in reliance on exemptions from registration under Rule 506(c) of Regulation D. The Units may not be resold unless registered or an exemption from registration is available.

INVESTMENT RISK WARNING: This investment involves substantial risks, including potential loss of entire investment. The projected 21.4% ROI is a target based on current market analysis and is not guaranteed. Actual results may vary significantly. Energy market projections and high-performance home demand may differ from expectations. Past performance does not indicate future results.

IMMEDIATE CAPITAL DEPLOYMENT: The Subscriber acknowledges and consents that \$68,000 of investor funds will be deployed immediately upon subscription closing for legitimate pre-development activities including design, development, and construction mobilization. These are necessary project expenses that do not guarantee project completion or investment returns.

NO GUARANTEES: No person has been authorized to make any representations or warranties concerning the Company or this offering other than those contained in the offering documents. Any such representations or warranties should not be relied upon.

LEGAL AND TAX ADVICE: Each investor should consult with their own legal, tax, and financial advisors before making an investment decision. This offering may have significant tax implications and transfer restrictions.
