

SÉJALARAS

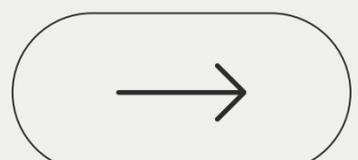

About Us

Previously, we were known as **Hyattive**.

Now, with renewed spirit and direction, we have reemerged as **Sejalaras**.

This name change is not just a new visual, but a deeper reflection of our values, character, and the direction of our journey moving forward.

Sejalaras means **Sejalan, Selaras**. It is a name that reflects how we want to continue walking together with every story we wish to document—warm, honest, and in harmony with the heart.
