GIFT SPONSORSHIP PROGRAM

LumiVitae has introduced a special program known as the "Gifted Sponsor" program to encourage teamwork and support within your lineage. This program allows leaders to "gift" a new enrollee to another team member within their lineage whilst still keeping THE MATCHING BONUS

ACTIVATES IN LAUNCH Q1 2024

GIFT PROGRAM

How It Works:

1. Eligibility for Gifted Sponsorship:

- To be eligible for the Gifted Sponsor program, the leader must choose to gift their new affiliate within 14 days of the new affiliate enrolment date.

2. Selecting the Recipient:

- The leader will carefully choose a team member within their lineage who they believe will benefit most from the addition of this new enrollee. This decision should be based on factors such as the recipient's dedication, performance, and potential for growth.

3. Benefits for the Recipient:

- The chosen team member, also known as the "Gifted Sponsor," will receive all generational commissions that are generated by the enrollee they received through this program.

GIFT PROGRAM

4. Maintaining Original Sponsor Benefits:

- It's important to note that while the Gifted Sponsor receives generational commissions, the original sponsor (the leader who initiated the gift) will retain the check-match bonus associated with the gifted enrollee.

Key Considerations:

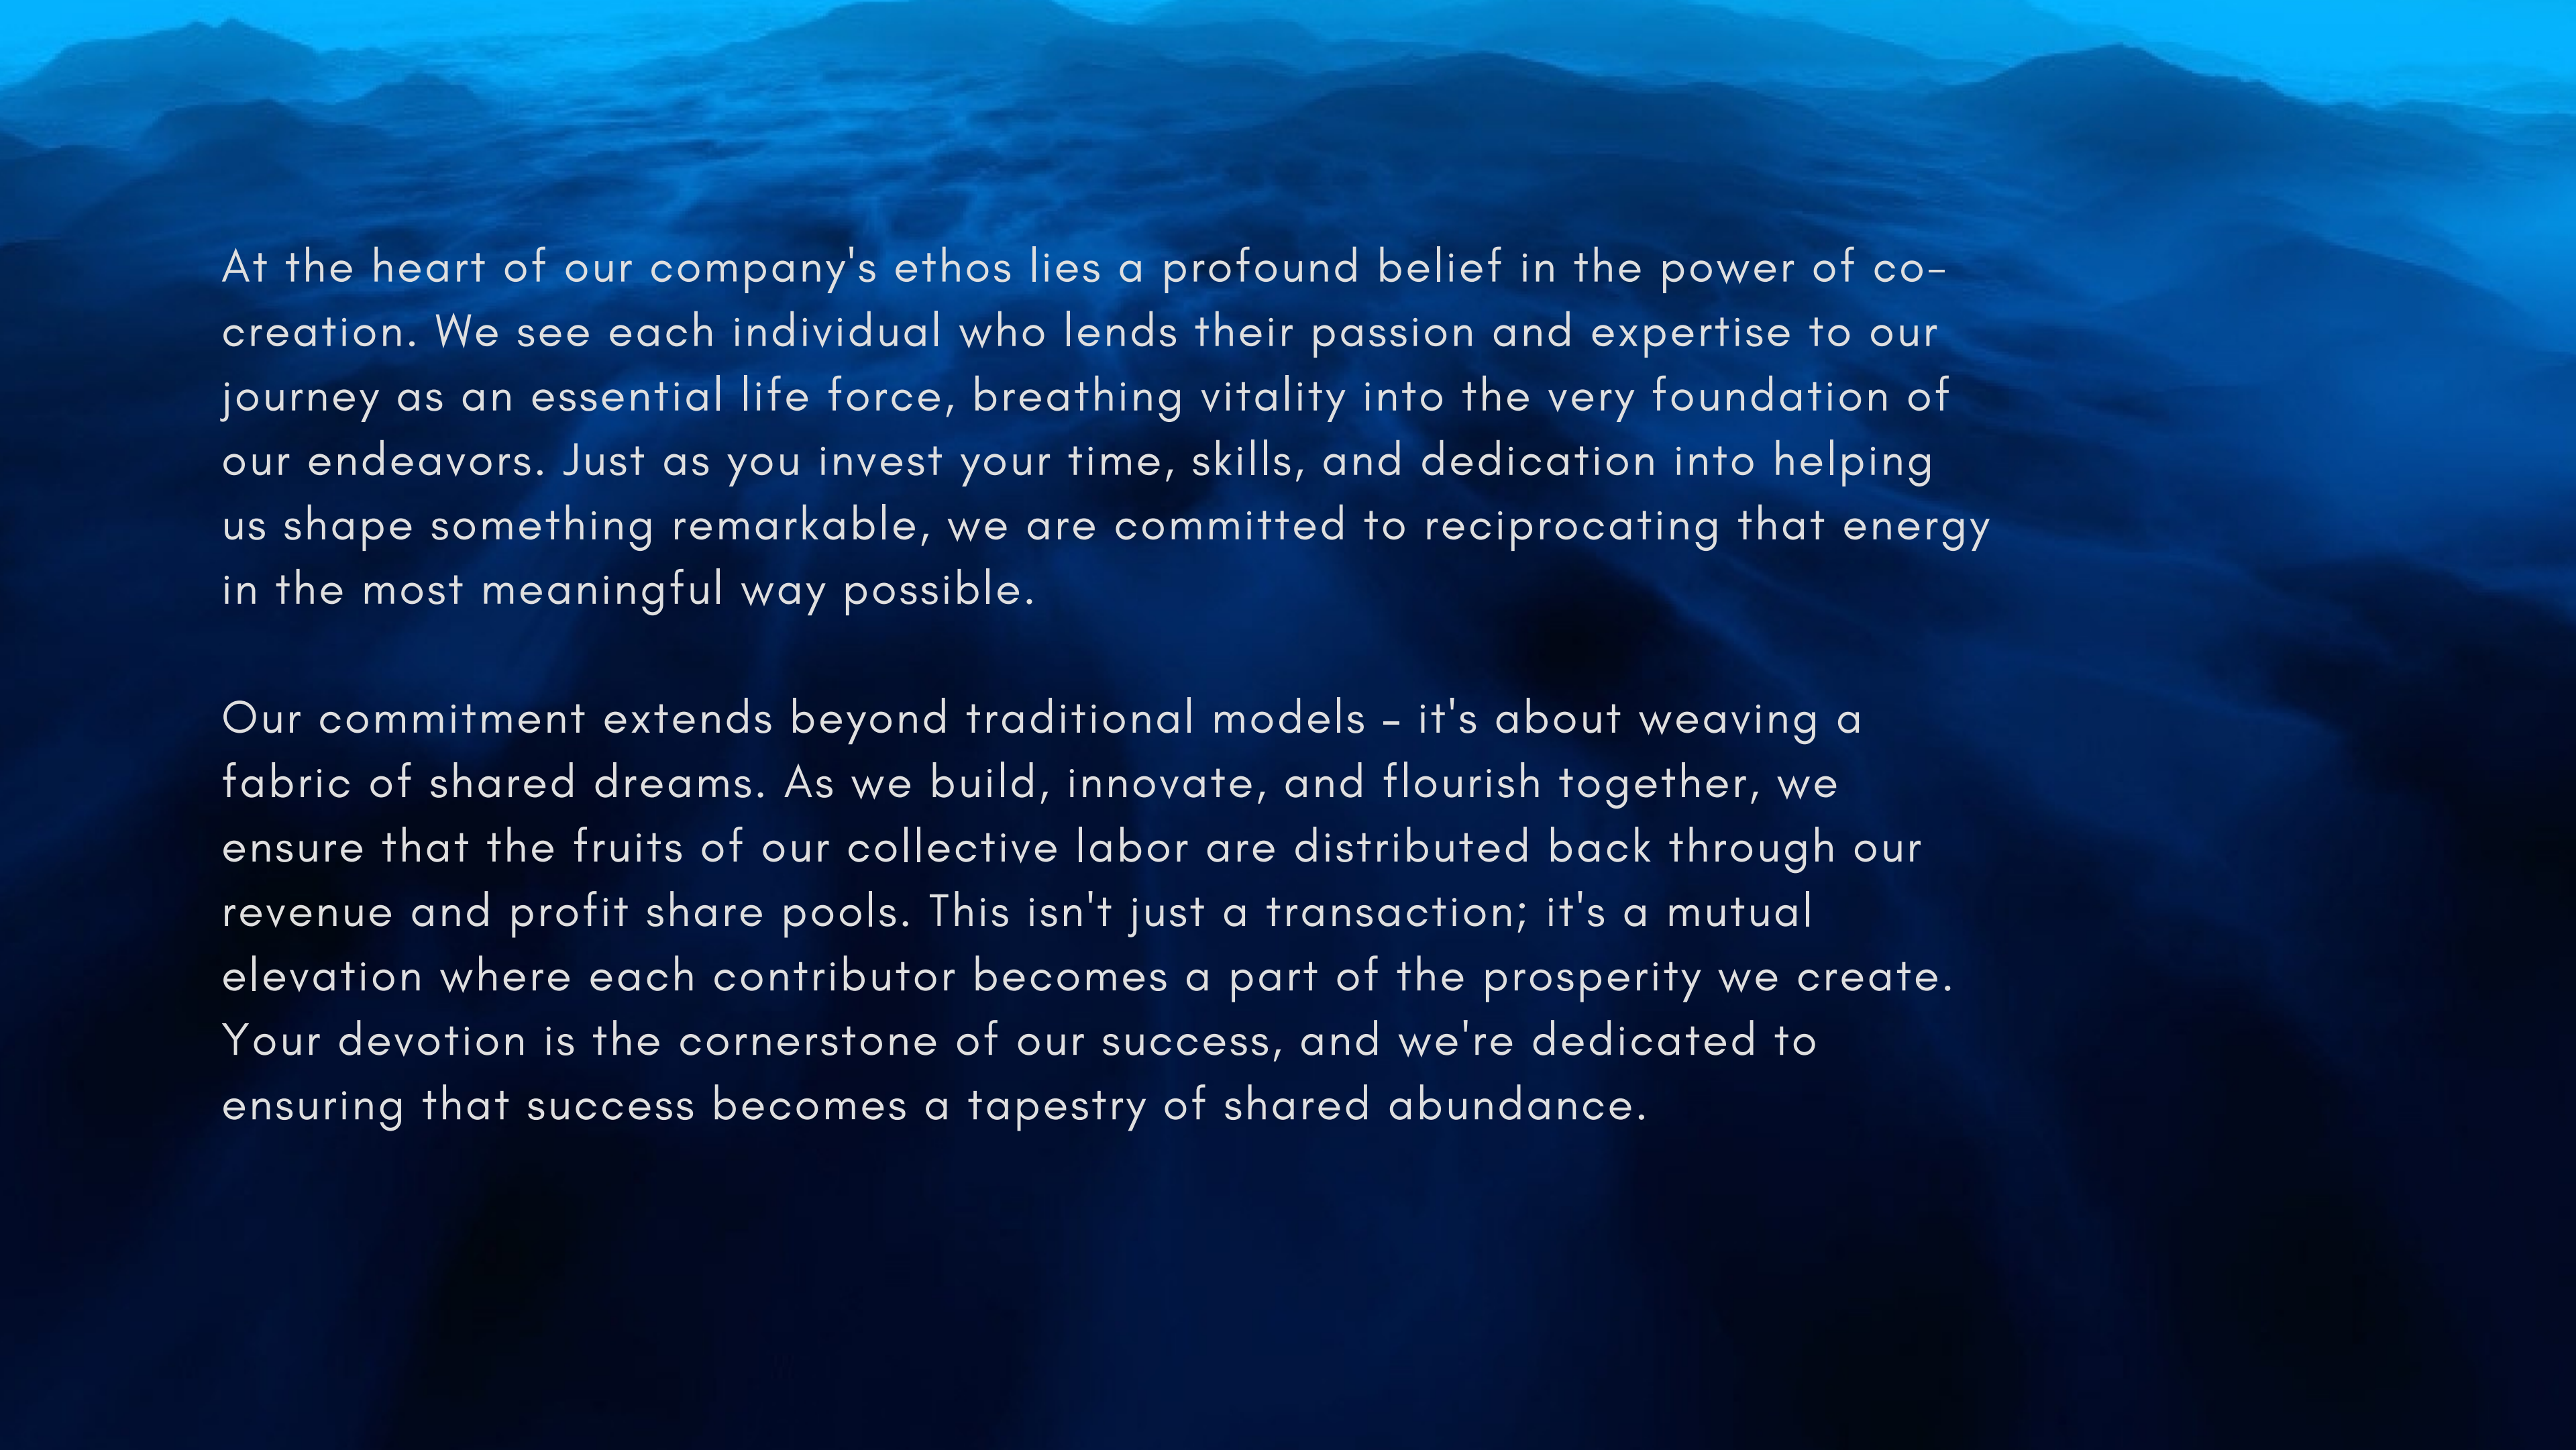

- The Gifted Sponsor program is designed to foster collaboration and support within your team. It provides an opportunity for leaders to recognize and reward the efforts of dedicated team members.
- Leaders should approach the selection process for the Gifted Sponsor program thoughtfully and consider the best interests of both the team member and the overall team. Once gifted, this action can not be undone.
