history

2008

Then OOH journey started and it gave me good learning on client relationship and product offerings.

2020

Many entrepreneurs question the status quo and wonder if there might be a better way to do things. This led to the inception of an advertising set up called ***MREVVD SOLUTIONS.***

2021

MS started off with offering OOH branding spaces in Delhi to spreading its wings to the NCR and the other satellite cities, offering mix bouquet of media offerings for campaigns.

2022

With established OOH base, MS started diversifying in providing innovative and unique branding solutions for enhanced product showcase.

2023

This year highlighted as MS the preferred partner amongst its clients for identifying their target market, conducting a competitive analysis, and establishing a marketing plan.

our story tellers

my story

Prasoon Malik

20 years of working experience in Marketing and sales space, gave way to an idea of independent working, to provide a more useful framework to both conceptualising my work life and take useful action to influence its trajectory and the overall experience.
