QUALIFICATION REQUIREMENTS

The Bad Beat Jackpot must meet the following criteria to Qualify:

- **Tournament Eligibility:** The promotional jackpot contribution is extracted from each qualifying tournament entry.
- **Definition of "Bad Beat":** A qualifying high-ranking poker hand that is defeated by a higher-ranking hand in the same deal.
- **Card Requirements:** Both winning and losing hands must utilize their two-hole cards in making their final hand. Four of a kind must be formed using a pocket pair.
- **Multiple Qualifying Hands:** When multiple Bad Beat hands occur in a single deal, only the second-best qualifying hand will receive the jackpot payout.
- **Hand Completion:** The hand must go to showdown in order to qualify for the Bad Beat Jackpot, and eligible hands must be turned face-up on the table.
- **Game Exclusions:** No Limit Omaha Hi/Lo, PLO Double Board Bomb Pot, Big O, and Deuces Wild tournaments are excluded from this promotion.
- **Super Hold'em Specifications:** Players must use exactly two of their three-hole cards combined with three community cards to form their best five-card poker hand. The qualifying bad beat hand must be formed on or before the Turn.
- **Blood River Specifications:** The Ocean card does not contribute to hand rankings. The Bad Beat qualifying hand must be completed on or before the river card is dealt.
- **Double Board Bomb Pot (Hold'em):** Both the top and bottom boards are eligible for the Bad Beat Jackpot. However, both the winning and losing hands must occur on the same board to qualify.
- **Winners must have a valid ID to collect winnings.** Residents of foreign countries without U.S. tax treaty will be subject to withholding. Pursuant to IRS regulations, W-2G or 1042 forms will be issued for all tournament winnings of \$5,000 or more (net of buy-in amount).
