*Scholarship
Committee Co-Lead*

To Whom It May Concern:

The Florida Agricultural and Mechanical University (FAMU) Freshman Class of 2010 is elated to announce its 15-year anniversary celebration in 2025. Our 15-year reunion celebrates the enduring bonds forged at our beloved FAMU while advancing our commitment to uplift future generations of Rattlers. Our class is historically noteworthy to our Alma Mater as the largest freshman intake in the 138-year history of FAMU with over 2,000 admitted students.

We gather to honor our shared heritage, showcase our collective achievements, and strengthen the networks that continue to empower our community. Our goals are to (1) raise \$25,000 in scholarship funds to support FAMU students who demonstrate academic excellence and leadership potential, (2) establish an endowed scholarship fund that will provide sustainable support for future generations, and (3) create a mentorship network, connecting donors with scholarship recipients. A donation from you/your organization supports FAMU students by enabling them to allocate greater time for their studies increasing university retention, the student experience, and graduation rates. It is our belief that our class goal embodies the university's motto of Excellence with Caring.

To contribute, you may send your donation through our online giving portal, under the name of "Freshman Class of 2010." The direct link to the giving portal is, <https://fundraise.givesmart.com/vf/FRESHMAN2010>

We would be honored to have you join us as a sponsor and we thank you for considering our request. I look forward to discussing this opportunity with you further and exploring how we can collaborate to make our 15-year anniversary an impactful event.

Sincerely,

Austin Gaskin
