

VERONICA D'AGOSTINO

HIGH SCHOOL TEACHER

PERSONAL STATEMENT

I graduated in environmental protection and specialized in wildlife management and conservation. As a teacher, I currently do my best to convey the importance of nature protection to my students. Accurate and reliable at work, cheerful with colleagues, curious in life. Excellent teamwork skills and stress resistance. I am always willing to grow professionally and do my best.

LANGUAGES

- German: Zweisprachigkeitsprüfung C1
- English: British Institutes C1
- Italian native speaker

TECHNICAL SKILLS

- Excellent knowledge of MS Word, Excel, PowerPoint
- IT certifications
- Very good knowledge of geographic information system (ArcGIS) and modelling niches and species distributions software (MaxEnt)
- Social media (Facebook, Instagram, Gmail)

INTERESTS

- Particularly active in raising public awareness about environmental protection and animal neglect and abuse.
- I love hiking and enjoying restful moments outdoors.
- I love reading books and listening to podcasts.
