EXPERIENCE

Freelance Video Producer + Motion Designer | Self Employed | Jan 2009 - Present

- Providing post production services for films and documentaries, as well as producing promo videos, weddings, music videos, training videos, trade show content, pitch presentations, and kickstarters

Content Creator & Curator | TeamPeople | Jan 2022 - Nov 2024

- Led end-to-end video production for internal training, B2B marketing, and communications for a major tech client
- Directed talent and coordinated remote/in-person shoots, providing creative direction and script development
- Collaborated cross-functionally with SMEs, stakeholders, and learning teams to align messaging with goals
- Designed motion graphics and animations that simplified complex concepts and maintained brand consistency
- Managed hybrid studio operations, asset libraries, and reporting processes to improve scalability and efficiency

Senior Motion Designer | Sacbe LLC | April 2020 - June 2021

- Led the development of e-learning content using 3D modeling, rendering, compositing, motion graphics, and project organization, while establishing standards, templates, and efficient workflows for a small team

Motion Designer + Video Producer | Degica | Oct 2014 - Jan 2020

- Created hundreds of game trailers and promos, including titles like Space Invaders Extreme and RPG Maker
- Delivered full-service video production; creative direction, scripting, gameplay captures, editing, & motion design
- Managed Degica's YouTube Channel & collaborated with stakeholders, developers, and indie studios

Media Designer | Convergence Training | Mar 2007 - Sep 2014

- Produced 1500+ hours of e-learning content using motion graphics and 3D animation for industrial training
- Led new hire training, coached designers, managed contractors, and administered creative software
- Developed standards, templates, and captured on-site video to support 3D models for complex machinery

ACHIEVEMENTS

- Content featured on Tubi, Steam, PlayStation Network, Nintendo eShop, and has millions of views on YouTube
- Adobe Certified Video Specialist (CS2, 2007)
- Credited on multiple film and video projects – IMDB profile
- USTF-Certified Instructor, Referee, and 4th Degree Black Belt in Taekwon-Do
