

FACT SHEET

INTERNATIONAL SCIENTISTS

#1

Submit your **researcher visa** application to the French Consulate in your country of residence.

#2

Bring your original documents. Consider having them translated into French by a **sworn translator**.

#3

Before you leave, book a **temporary accommodation**.

#4

Remember to **validate your visa** or **apply for your residence permit** within 3 months of your arrival in France.

FACT SHEET

INTERNATIONAL SCIENTISTS

#5

Keep the original of your **hosting agreement**. Only those who have this document can apply for a researcher residence permit in France.

#6

Remember to **declare your income** once in France, even if you have a scholarship.

#7

Open a **bank account** in France to carry out your daily financial transactions.

#8

Subscribe to **social security** for free to be reimbursed for part of your health expenses. Also consider taking out additional insurance.
