The 2nd startup incubation center 131, Gongneung-ro 232, Nowon-gu,
Seoul 01811, Republic of Korea.

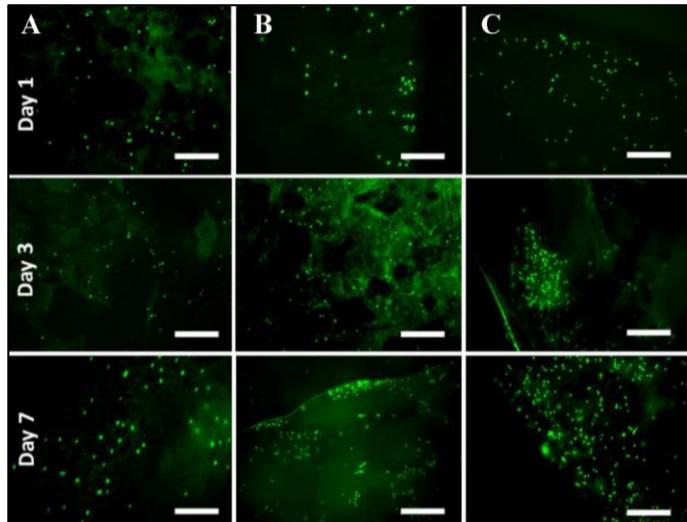

BIOINKS AND THEIR APPLICATIONS

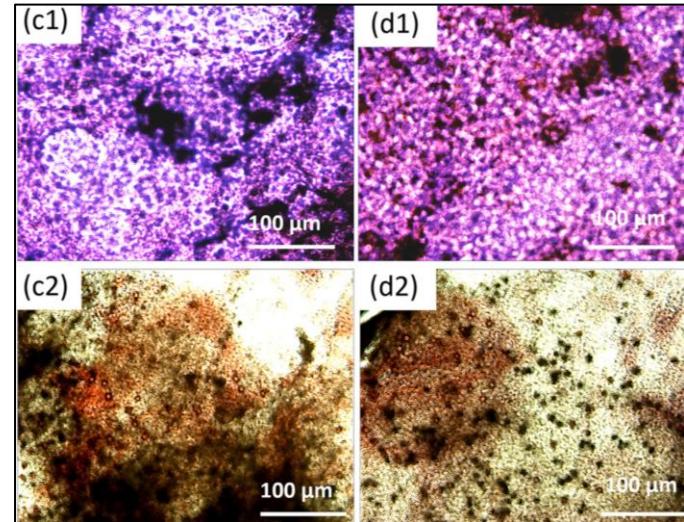

Cell viability & growth rate
in gelatin-alginate bioink

Swelling & drug release properties
in HA-based bioink

Live & dead assay in
alginate-based bioink

H&E and MT-stains
in nanocellulosed-based bioink
